Sacred Transgressions A Reading Of Sophocles Antigone

Fanny Söderbäck

Sacred Transgressions A Reading Of Sophocles Antigone:

Sacred Transgressions Seth Benardete, 1999 This detailed commentary on the action and argument of Sophocles Antigone is meant to be a reflection on and response to Hegel's interpretation in the Phenomenology VI A a b It thus moves within the principles Hegel discovers in the play but reinserts them into the play as they show themselves across the eccentricities of its plot Wherever plot and principles do not match there is a glimmer of the argument Haemon speaks up for the city and Tiresias for the divine law but neither for Antigone The guard who reports the burial and presents Antigone to Creon is as important as Antigone or Creon for understanding Antigone The Chorus too in their inconsistent thoughtfulness have to be taken into account and in particular how their understanding of the canniness of man reveals Antigone in their very failure to count her as a sign of man's uncanniness She who is below the horizon of their awareness is at the heart of their speech Megareus the older son of Creon who sacrificed his life for the city looms as large as Eurydice whose suicide has nothing in common with Antigone's She is all mother Antigone is anti generation *Sophocles: Antigone* Douglas Cairns, 2016-08-25 Antigone is Sophocles masterpiece a seminal influence on a wide range of theatrical literary and intellectual traditions This volume sets the play in the contexts of its mythical background its performance its relation to contemporary culture and thought and its rich reception history But its main aim is to encourage first hand engagement with the complexities of interpretation that make the play so enduringly thought provoking and rewarding Though Creon's actions prove disastrous and Antigone's are vindicated the Antigone is no simple study in the excesses of tyranny or the virtues of heroic resistance but a more nuanced exploration of conflicting views of right and wrong and of the conditions that constrain human beings efforts to control their destinies and secure their happiness The book's chapters consider the extent of the original audience's acquaintance with earlier versions of the legends of Antigone's family the structure of the plot as it unfolds in theatrical performance the presentation of the characters and the motivations that drive them the major political social and ethical themes that the play raises and the resonance of those themes in the ways that the play has been interpreted adapted performed and appropriated in later periods **Looking at Antigone** David Stuttard, 2017-11-02 Antigone is one of the most influential and thought provoking of all Greek tragedies Set in a newly victorious society where possibilities seem boundless and mankind can overcome all boundaries except death the action is focussed through the prism of Creon a remarkable anti hero a politician who in crisis makes a reckless decision whose pride or insecurity prevents him from backing down until it is too late and who thereby ends up losing everything Not just the story of a girl who confronts the state Antigone is an exploration of inherent human conflicts between men and women young and old power and powerlessness civil law and the unwritten laws of nature Lauded in Antiquity it has influenced drama and philosophy throughout history into the modern age With an introduction discussing the nature of the community for which Antigone was written this collection of essays by 12 leading academics from across the world draws together many of the themes explored

in Antigone from Sophocles use of mythology his contemporaries reactions and later reception to questions of religion and ritual family life and incest ecology and the environment The essays are accompanied by David Stuttard s performer friendly accurate and easily accessible English translation *Feminist Readings of Antigone* Fanny Söderbäck,2012-02-01 Feminist Readings of Antigone collects the most interesting and provocative feminist work on the figure of Antigone in particular looking at how she can figure into contemporary debates on the role of women in society Contributors focus on female subjectivity and sexuality feminist ethics and politics questions of race and gender psychoanalytic theory kinship embodiment and tensions between the private and the public This collection seeks to explore and spark debate about why Antigone has become such an important figure for feminist thinkers of our time what we can learn from her whether a feminist politics turning to this ancient heroine can be progressive or is bound to idealize the past and why Antigone keeps entering the stage in times of political crisis and struggle in all corners of the world Fanny S derb ck has gathered classic work in this field alongside newly written pieces by some of the most important voices in contemporary feminist philosophy The volume includes essays by Judith Butler Adriana Cavarero Tina Chanter Luce Irigaray and Julia Kristeva Antigone in the Americas Andrés Fabián Henao Castro,2021-07-01 Sophocles s classical tragedy Antigone is continually reinvented particularly in the Americas Theater practitioners and political theorists alike revisit the story to hold states accountable for their democratic exclusions as Antigone did in disobeying the edict of her uncle Creon for refusing to bury her brother Polynices Antigone in the Americas not only analyzes the theoretical reception of Antigone when resituated in the Americas but further introduces decolonial rumination as a new interpretive methodology through which to approach classical texts Traveling between modern present and ancient past Andr s Fabi n Henao Castro focuses on metics resident aliens and slaves rather than citizens making the feminist politics of burial long associated with Antigone relevant for theorizing militant forms of mourning in the global south Grounded in settler colonial critique black and woman of color feminisms and queer and trans of color critique Antigone in the Americas offers a more radical interpretation of Antigone one relevant to subjects situated under multiple and interlocking systems of oppression Antigone, Interrupted Bonnie Honig,2013-05-02 Sophocles Antigone is a touchstone in democratic feminist and legal theory and possibly the most commented upon play in the history of philosophy and political theory Bonnie Honig s rereading of it therefore involves intervening in a host of literatures and unsettling many of their governing assumptions Exploring the power of Antigone in a variety of political cultural and theoretical settings Honig identifies the Antigone effect which moves those who enlist Antigone for their politics from activism into lamentation She argues that Antigone s own lamentations can be seen not just as signs of dissidence but rather as markers of a rival world view with its own sovereignty and vitality Honig argues that the play does not offer simply a model for resistance politics or equal dignity in death but a more positive politics of counter sovereignty and solidarity which emphasizes equality in life The Owl's Flight Stefania Achella,Francesca Iannelli,Gabriella Baptist,Serena

Feløj, Fiorinda Li Vigni, Claudia Melica, 2021-10-25 This book presents a unique rethinking of G W F Hegel's philosophy from unusual and controversial perspectives in order to liberate new energies from his philosophy The role Hegel ascribes to women in the shaping of society and family the reconstruction of his anthropological and psychological perspective his approach to human nature the relationship between mental illness and social disease the role of the unconscious and the relevance of intercultural and interreligious pathways All these themes reveal new and inspiring aspects of Hegel's thought for our time

The Bloomsbury Handbook to Literature and Psychoanalysis Jeremy Tambling, 2023-03-09 Providing the most comprehensive examination of the two way traffic between literature and psychoanalysis to date this handbook looks at how each defines the other as well as addressing the key thinkers in psychoanalytic theory Freud Klein Lacan and the schools of thought each of these has generated It examines the debts that these psychoanalytic traditions have to literature and offers plentiful case studies of literature's influence from psychoanalysis Engaging with critical issues such as madness memory and colonialism with reference to texts from authors as diverse as Shakespeare Goethe and Virginia Woolf this collection is admirably broad in its scope and wide ranging in its geographical coverage It thinks about the impact of psychoanalysis in a wide variety of literatures as well as in film and critical and cultural theory

Creon's Ghost Joseph Tomain, 2009-02-19 Creon's ghost Shadows and light Rule and measure The ancient courts of ancient men Law breaking Law's practical theory Timeliness and justice A poet dies

The Play of Texts and Fragments J. Robert C. Cousland, James James Rutherford Hume, 2009 This volume is arguably one of the most important studies of Euripides to appear in the last decade Not only does it offer incisive examinations of many of Euripides extant plays and their influence it also includes seminal examinations of a number of Euripides fragmentary plays This approach represents a novel and exciting development in Euripidean studies since it is only very recently that the fragmentary plays have begun to appear in reliable and readily accessible editions The book's thirty two contributors constitute an international who's who of Euripidean studies and Athenian drama and their contributions will certainly feature in the forefront of scholarly discourse on Euripides and Greek drama for years to come

International Dramaturgy Maya E. Roth, Sara Freeman, 2008 This collection provides the first full length investigation of the oeuvre of one of Britain's leading dramatists Timberlake Wertenbaker By considering the polyglot playwright's theatre from translations and adaptations to new plays as a dynamic continuum of translations and transformations Maya Roth and Sara Freeman create an intriguing focused frame for understanding Wertenbaker's work as distinctly cross cultural theatrically rich and intertextual providing a prescient case study of the translational turn emerging in international theatre today The contributors investigate translation theory and practice through Wertenbaker's diverse linguistic and genre translations from French ancient Greek and Italian to English and from myth history classics fairytale and literature to the stage Interrelated chapters by scholars and artists from varied countries language traditions and disciplines use performance studies comparative literature feminist theory and cultural anthropology to position Wertenbaker's theatre as a critical nexus

for analyzing and imagining cross historical dialogues with contemporary audiences and our plural legacies Thanks to its substantive engagement with the ethics theories and collaborative practices of theatrical translation and adaptation more broadly and its equally rigorous examination of Wertenbaker's hybridic politics and poetics this collection can serve as a useful resource for scholars and artists both

The Experience of Tragic Judgment Julen Etxabe, 2013-05-02 Adjudication between conflicting normative universes that do not share the same vocabulary standards of rationality and moral commitments cannot be resolved by recourse to traditional principles Such cases are always in a sense tragic And what is called for in our pluralistic and conflictual world is not to be found as many would suppose in an impersonal set of procedures with which all participants could be treated as having rationally agreed The very idea of such a neutral system is an illusion Rather what is needed Julen Etxabe argues in this book is a heightened awareness of the difficulty of judgment The Experience of Tragic Judgments draws upon Sophocles play Antigone in order to consider this difficulty and the virtues that attend its acknowledgment Based on the transformative experience that the audience undergoes in engaging with this play what is proposed is a reconceptualization of judgment not as it is generally thought to occur in a single isolated moment like the falling of an axe but rather as an experience that develops in and through space and time

Three Theban Plays Sophocles, 2004 The story of Oedipus has captured the human imagination as few others It is the story of a man fated to kill his father and marry his mother a man who by a cruel irony brings these things to pass by his very efforts to avoid them But these plays are not about fate and not about irony They are about character choice and consequence In Antigone we see a woman who will defy human law and die for it rather than transgress the eternal unwritten laws of the gods Oedipus the Tyrant is the story of a ruler destroyed by those qualities pride determination and belief in his own abilities which made him ruler in the first place Finally in Oedipus at Colonus written late in Sophocles life the aged and blinded king achieves a personal reconciliation but at a cost a son who will die in battle against his country and a daughter who will die burying her brother

Antigone's Sisters Lenart Škof, 2021-05-01 In Antigone's Sisters Lenart Škof explores the power of love in our world stronger than violence and ultimately stronger even than death Focusing on Antigone Savitri and Mary the book offers an investigation into various goddesses and feminine figures from a variety of philosophical mythological theological and literary contexts The book also elaborates on the feminine aspects of selected concepts from modern philosophical texts such as the Matrix in Jakob Böhme Clara in F W J Schelling being in Martin Heidegger chora in Jacques Derrida and breath in Luce Irigaray's thought Drawing on Bracha M Ettinger's concept of matrixiality Škof proposes a new matrixial theory of philosophy cosmology and theology of love Despite its many usages and appropriations love remains a neglected topic within Western philosophy With its new interpretation of Antigone and related readings of Irigaray Kristeva and Ettinger Antigone's Sisters aims to identify some of the reasons for this forgetting of love and to show that it is only love that can bring peace to our ethically disrupted world

Memory, Historic Injustice, and Responsibility W. James Booth, 2019-11-05 What is it to do

justice to the absent victims of past injustice given the distance that separates us from them Grounded in political theory and guided by the literature on historical justice W James Booth restores the dead to their central place at the heart of our understanding of why and how to deal with past injustice Testimonies and accounts from the race war in the United States the Holocaust post apartheid South Africa Argentina s Dirty War and the conflict in Northern Ireland help advance and defend Booth s claim that caring for the dead is a central part of addressing past injustice Memory Historic Injustice and Responsibility is an insightful and original book on the relationship of past and present in thinking about what it means to do justice A valuable addition to the currently available literature on historical justice the volume will be of great interest to students and scholars of political science philosophy history and law The Locus of Tragedy Arthur Cools,Thomas Crombez,Johan Taels,Rosa Slegers,2008-12-31 Ask for the tragic and Europe will answer Leaving behind the philosophers enthusiasm of the nineteenth century tragedy and the tragic now seem little more than vague containers However it appears that we still discover a tragic essence in our personal lives Time and again tragedy is being registered written down and staged This book wants to open a contemporary philosophical perspective on the tragic What is the locus of tragedy Does it relate to metaphysics the gods destiny and chance Or is it a matter of ethics of the Law and its transgression Does man himself occupy the locus of tragedy because of his unreasonable and boundless desires as many philosophers have suggested Is man today still able to account for his tragic condition Or do we locate the tragic first and foremost in the esthetic imagination Is not the theatrical genre of tragedy the locus authenticus of all things tragic Is there more to the tragic than drama and play **Classics of Moral and Political Theory** Michael L. Morgan,2011-09-15 The fifth edition of Michael L Morgan s Classics of Moral and Political Theory broadens the scope and increases the versatility of this landmark anthology by offering new selections from Aristotle s Politics Aquinas Disputed Questions on Virtue and Treatise on Law as well as the entirety of Locke s Letter Concerning Toleration Kant s To Perpetual Peace and Nietzsche s On the Advantage and Disadvantage of History for Life The Argument of the Action Seth Benardete,2024-06-06 This volume brings together Seth Benardete s studies of Hesiod Homer and Greek tragedy eleven Platonic dialogues and Aristotle s Metaphysics The Argument of the Action spans four decades of Seth Benardete s work documenting its impressive range Benardete s philosophic reading of the poets and his poetic reading of the philosophers share a common ground guided by the key he found in the Platonic dialogue probing the meaning of speeches embedded in deeds he uncovers the unifying intention of the work by tracing the way it unfolds through a movement of its own Benardete s original interpretations of the classics are the fruit of this discovery of the argument of the action Spirit, the Family, and the Unconscious in Hegel's Philosophy David V. Ciavatta,2010-07-02 Honorable Mention 2011 Biennial Book Prize presented by the Canadian Philosophical Association This original study of the role that family life plays in Hegel s Phenomenology of Spirit and Philosophy of Right pays particular attention to Hegel s characterization of the family as an unconscious form of ethical life rooted essentially in

affectivity David V Ciavatta also looks at Hegel's account of feeling in the Anthropology section of *The Philosophy of Spirit* highlighting the inherently porous nature of the self and this porosity is shown to be constitutive of the distinctive unconscious form of intersubjective recognition that forms the core of family bonds The book provides a rich understanding of the role that family has in one's psychological development with respect not only to other people but also to the world and one's own identity Incorporating existential phenomenological and psychoanalytic perspectives Ciavatta offers insightful investigations of many basic Hegelian themes such as spirit perception ethical agency language and property ownership

Virginia Woolf and the Migrations of Language Emily Dalgarno, 2011-10-06 Virginia Woolf's rich and imaginative use of language was partly a result of her keen interest in foreign literatures and languages mainly Greek and French but also Russian German and Italian As a translator she naturally addressed herself both to contemporary standards of translation within the university but also to readers like herself In *Three Guineas* she ranged herself among German scholars who used *Antigone* to critique European politics of the 1930s Orlando outwits the censors with a strategy that focuses on Proust's untranslatable word *The Waves* and *The Years* show her looking ahead to the problems of postcolonial society where translation crosses borders In this in depth study of Woolf and European languages and literatures Emily Dalgarno opens up a rewarding new way of reading her prose

This is likewise one of the factors by obtaining the soft documents of this **Sacred Transgrebions A Reading Of Sophocles Antigone** by online. You might not require more become old to spend to go to the ebook foundation as competently as search for them. In some cases, you likewise accomplish not discover the broadcast Sacred Transgrebions A Reading Of Sophocles Antigone that you are looking for. It will certainly squander the time.

However below, when you visit this web page, it will be hence entirely simple to acquire as without difficulty as download lead Sacred Transgrebions A Reading Of Sophocles Antigone

It will not endure many mature as we accustom before. You can do it though show something else at house and even in your workplace. correspondingly easy! So, are you question? Just exercise just what we allow below as without difficulty as review **Sacred Transgrebions A Reading Of Sophocles Antigone** what you gone to read!

Sacred Transgrebions A Reading Of Sophocles Antigone Introduction

Sacred Transgrebions A Reading Of Sophocles Antigone Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Sacred Transgrebions A Reading Of Sophocles Antigone Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Sacred Transgrebions A Reading Of Sophocles Antigone : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Sacred Transgrebions A Reading Of Sophocles Antigone : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Sacred Transgrebions A Reading Of Sophocles Antigone Offers a diverse range of free eBooks across various genres. Sacred Transgrebions A Reading Of Sophocles Antigone Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Sacred Transgrebions A Reading Of Sophocles Antigone Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Sacred Transgrebions A Reading Of Sophocles Antigone, especially related to Sacred Transgrebions A Reading Of Sophocles Antigone, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Sacred Transgrebions A Reading Of Sophocles Antigone, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Sacred Transgrebions A Reading Of Sophocles Antigone books or magazines might include. Look for these in online stores or libraries. Remember that while Sacred Transgrebions A Reading Of Sophocles Antigone, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries

have digital catalogs where you can borrow Sacred Transgrebions A Reading Of Sophocles Antigone eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Sacred Transgrebions A Reading Of Sophocles Antigone full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Sacred Transgrebions A Reading Of Sophocles Antigone eBooks, including some popular titles.

FAQs About Sacred Transgrebions A Reading Of Sophocles Antigone Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sacred Transgrebions A Reading Of Sophocles Antigone is one of the best book in our library for free trial. We provide copy of Sacred Transgrebions A Reading Of Sophocles Antigone in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sacred Transgrebions A Reading Of Sophocles Antigone. Where to download Sacred Transgrebions A Reading Of Sophocles Antigone online for free? Are you looking for Sacred Transgrebions A Reading Of Sophocles Antigone PDF? This is definitely going to save you time and cash in something you should think about.
