Sacrifice and Other Plays Rabindranath Tagore, 1952 *Sacrifice, and Other Plays (Classic Reprint)* Sir Rabindranath Tagore, 2015-07-08 Excerpt from Sacrifice and Other Plays The division of days and nights is not for me nor that of months and years For me the stream of time has stopped on whose waves dances the world like straws and twigs In this dark cave I am alone merged in myself and the eternal night is still like a mountain lake afraid of its own depth Water oozes and drips from the cracks and in the pools float the ancient frogs I sit chanting the incantation of nothingness The world's limits recede line after line The stars like sparks of fire flown from the anvil of time are extinct and that joy is mine which comes to the God Shiva when after aeons of dream he wakes up to find himself alone in the heart of the infinite annihilation I am free I am the great solitary One About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **NKJV, Faithlife Illustrated Study Bible, Hardcover, Red Letter Edition** John D.
