Lilly, Phillip Hansen Bailey Lilly, 2011-06-15 The Quiet Center presents the core of Dr John Lilly's groundbreaking isolation experiments edited into an accessible format for a new generation to embrace the revolutionary thinking of this fascinating scientist It is a book that distills the essence of Dr Lilly's philosophies higher consciousness the varieties of isolation experience heightened awareness and minimizes the scientific

jargon to make his theories and examples accessible to the general reader who is searching for heightened conscious experience and serene self awareness As a pioneer in the research of animal intelligence altered states of consciousness and isolation tank experiments Lilly like his peers Timothy Leary Alan Watts Carlos Casteneda and Charles Tart can and should be read by a whole new generation seeking to extend his ideas that blend science and philosophy as a means to see new truths to themselves and to seek shelter from the onslaught of external stimuli in today s society Whether the reader can use an actual tank or devises their own isolation space The Quiet Center is the first word in isolation therapy for the new millennium

Reign of the Anunnaki Jan Erik Sigdell, 2018-09-11 Reveals the ongoing alien manipulation of humanity and how we can break free Explores how the Anunnaki have maintained invisible surveillance over us and how they control our development through religion secret societies and catastrophes Reveals how they feed off our energies and how this ability has allowed them to remain here on Earth as multidimensional entities enforcing their control invisibly Explains how they established religion to control us and how Gnostic Christianity which came from Christ and not the Anunnaki offers a way out of their matrix of control Cuneiform texts found on clay plates in Mesopotamia tell us about an extraterrestrial race called the Anunnaki who came from space to exploit our planet Through genetic manipulation they created modern humans from existing earthly life forms to serve them as slaves They physically left our planet millennia ago but as Jan Erik Sigdell reveals their influence and control over humanity is still pervasive and significant Sigdell explains how the Anunnaki have maintained invisible surveillance over us as well as control over how humanity develops setting limits on our evolution and holding back our development by means of manipulation and catastrophes including the deluge immortalized in the Bible and many other ancient myths He shows how they still manipulate our politics and affairs via secret societies such as the Illuminati and the political elite such as the Bilderberg Group Examining ancient descriptions of the Anunnaki as entities that resemble winged reptiles or amphibians the author also explores their diet and how they feed off blood and the energies given off by lower life forms such as humans when they are expressing extreme negative emotions having sex or dying This energy feeding ability has allowed them to remain here on Earth as multidimensional entities enforcing their control invisibly He explains how the Anunnaki established religions as tools for control setting up the major religions with themselves as gods and playing them against each other to keep humanity s attention away from ongoing Anunnaki manipulation They have also hidden from us the existence of the true highest creator who created the cosmos as well as the Anunnaki themselves The author reveals how the highest creator sent a messenger called Jesus to expose the Anunnaki and show us a way out of their matrix of control through a spirituality based on love empathy and sacred sexuality But the god of the Anunnaki defeated this messenger and replaced him with a false Christ This led to the development of Paulinian Christianity under Anunnaki influence as well as other parallel religions such as Islam and the suppression and elimination of the original Christianity Gnostic Christianity With the discovery of hidden Gnostic texts and teachings at Nag Hammadi in 1945 the way is now paved for our release from

[Death by Astonishment](#) Andrew R. Gallimore, 2025-07-01 For fans of the compelling critical and investigative style of best-selling authors Graham Hancock and Brian Muraresku, the first detailed account of the history and science of the world's strangest and most mysterious drug, DMT. DMT is the world's strangest and most mysterious drug, inducing one of the most remarkable and yet least understood of all states of consciousness. This common plant molecule has from ancient times to the modern day been used as a tool to gain access to a bizarre alien reality of inordinate complexity and unimaginable strangeness populated by a panoply of highly advanced intelligent and communicative beings entirely not of this world. In a story that begins in the Amazonian rainforests and ends somewhere beyond the stars, Andrew Gallimore presents the first detailed account of the discovery of DMT and science's continuing struggle to explain how such a simple and common plant molecule can have such astonishing effects on the human mind. The history of the drug involves many fascinating characters from the scientific and literary worlds, including legendary ethnobotanist Dr. Richard Schultes, renegade beat writer and drug aficionado William S. Burroughs, philosopher and raconteur Terence McKenna, and the high priest of the 1960s psychedelic revolution, Dr. Timothy Leary. In the end, the story of DMT forces us to reconsider our most basic assumptions about the nature of reality and our place within it. As a follow-up to his popular first book *Matrix Energetics*, Dr. Richard Bartlett presents *The Physics of Miracles*. Building on the success of his dynamic and popular seminars, Dr. Bartlett shares new concepts on the cutting edge of healing and transformation. The strength of Bartlett's energetic healing work and why he's already becoming one of the most well-respected teachers in modern energy medicine is that you don't have to understand the actual science to put it to use. *The Physics of Miracles* utilizes advanced scientific concepts while remaining accessible to everyone from children to medical professionals. Discussing seemingly implausible topics such as time travel, alternate universes, and invisibility, this book is fascinating and instantly applicable. *The Physics of Miracles* will reshape the way people think about their place in the universe and their capacity for health and healing.
