Detoxing Masculinity in Anglophone Literature and Culture Sara Martín, M. Isabel Santaulària, 2023-03-07

This edited volume rethinks Masculinity Studies by breaking away from the notion of the perpetual crisis of masculinity. It argues that not enough has been done to distinguish patriarchy from masculinity and proposes to detox masculinity by offering a collection of positive representations of men in fictional and non-fictional texts. The editors show how ideas of hegemonic and toxic masculinity have been too fixed on the exploration of dominance and subservience and too little on the men and the male characters in fiction who behave following other ethical, personal, and socially accepted patterns. Bringing together research from different periods and genres, this collection provides broad multidisciplinary insights into alternative representations of masculinity.

Troubling Multiculturalism Hans Skott-Myhre, J.N. Little, 2015-09-25 It can be easy to imagine that Child and Youth Care practitioners are inherently or naturally attuned to issues of diversity and colonization as they pertain to multicultural practice. While there are excellent culturally attuned practices that are happening in the field of Child and Youth Care when it comes to collecting stories of cultural diversity and more specifically the problematic unfolding of some of these stories there remains hesitancy in the field. This hesitancy in part is due to assuming we are practicing in postcolonial times where all the messiness the doubting and the pain have been dealt with. The authors of this volume suggest otherwise and their chapters represent an important contribution to the field. They are a diverse group of practitioners but they share a common concern that the term multicultural practice grooms hegemonic interventions that do not critically examine issues of power difference colonialism Whiteness or species to name a few. Although the title of this issue is *Troubling Multiculturalism* the language within this issue stretches this term troubles it and at times re-invents it. This book was originally published as a special issue of *Child and Youth Services*.
