Scorpions Tale:

The Arms Deal In Your Pocket Paul Holden, 2012-03-02 The Arms Deal's taint of corruption has hovered spectre like over South African politics since 1999 when Patricia de Lille's revelations first hit Parliament In the foreword to *The Arms Deal in Your Pocket* former ANC MP Andrew Feinstein describes the Arms Deal as the moment at which the ANC and the South African government lost their moral compass Paul Holden's succinct informative and devastating handbook tells the story in the simplest way possible providing a guide to what was bought and why who was involved and what was covered up The chapters are ordered chronologically to allow the reader to follow the story as it unfolded on the ground and each chapter includes an info box and short timeline of the key dates to remember Paul Holden is a freelance writer researcher and historian and the co author with Hennie van Vuuren of *The Devil in the Detail How the Arms Deal Changed Everything*

Tales in Context Rella Kushelevsky, 2017-11-13 A folkloric research project on Sefer ha ma asim In the thirteenth century an anonymous scribe compiled sixty nine tales that became Sefer ha ma asim the earliest compilation of Hebrew tales known to us in Western Europe The author writes that the stories encompass descriptions of herbs that cure leprosy a fairy princess with golden tresses using magic charms to heal her lover's wounds and restore him to life a fire breathing dragon a two headed creature and a giant's daughter for whom the rind of a watermelon containing twelve spies is no more than a speck of dust In *Tales in Context* Sefer ha ma asim in Medieval Northern France Rella Kushelevsky enlightens the stories meanings and reflects the circumstances and environment for Jewish lives in medieval France Although a selection of tales was previously published this is the first publication of a Hebrew English annotated edition in its entirety revealing fresh insight The first part of Kushelevsky's work *Cultural Literary and Comparative Perspectives* presents the thesis that Sefer ha ma asim is a product of its time and place and should therefore be studied within its literary and cultural surroundings Jewish and vernacular in northern France An investigation of the scribe's techniques in reworking his Jewish and non Jewish sources into a medieval discourse supports this claim The second part of the manuscript consists of the tales themselves in Hebrew and English translation including brief comparative comments or citations The third part *An Analytical and Comparative Overview* offers an analysis of each tale as an individual unit contextualized within its medieval framework and against the background of its parallels Elisheva Baumgarten's epilogue adds social and historical background to Sefer ha ma asim and discusses new ways in which it and other story compilations may be used by historians for an inquiry into the everyday life of medieval Jews The tales in Sefer ha ma asim will be of special value to scholars of folklore and medieval European history and literature as well as those looking to enrich their studies and shelves
