Scotlands Castles And Great Houses:

Great Houses of Scotland Hugh Montgomery-Massingberd, Christopher Simon Sykes, 1997 26 houses photographed in colour and accompanied by informative text about their history [Scotland's Castles and Great Houses](#) Magnus Magnusson, 1981 Text and photographs trace the history of 14 Scottish castles and describe architectural features and furnishings

Scotland's Castles Janet Brennan-Inglis, 2014-07-07 Scotland's Castles is a beautifully illustrated celebration and account of the renaissance of Scottish castles that has taken place since 1950 Over 100 ruined and derelict buildings from tiny towers to rambling baronial mansions have been restored as homes hotels and holiday lets These restorations have mainly been carried out by new owners without any connections to the land or the family history of the buildings which they bought as ruins Their struggles and triumphs including interviews and first person accounts form the core of the book set in the context of the enormous social political and economic changes of the late twentieth century *Castles and Tower Houses of the Scottish Clans 1450-1650* Stuart Reid, 2012-09-20 With the exception of the key royal sites such as Stirling and Edinburgh few Scottish castles were located at strategic points or were intended to house garrisons required to defend or subjugate towns Instead they were primarily fortified dwelling houses erected in an environment of weak Royal authority and endemic feuding between rival clans and groups in both Highland and Lowland areas Although some enceinte castles were developed during the 16th and 17th centuries most defensive construction focused on the tower house a distinctive vernacular style of Scottish fortification This book examines the design development and purpose of these quintessentially Scottish buildings and also covers larger sites such as Urquhart and Blackness

Gruesome Great Houses Terry Deary, 2017-10-05 Discover all the foul facts about fifty gruesome great houses in this brand new Horrible Histories book
