Clive, George A. Watt, National Council for the Training of Journalists, 1969 **Scots Law for Journalists, Etc** Eric M. Clive, George A. Watt, 1965 *Media & Entertainment Law 2/e* Ursula Smartt, 2014-03-21 Media and Entertainment Law presents a contemporary analysis of the law relating to the media and entertainment industry both in terms of its practical application and its theoretical framework It provides a clear current and comprehensive account of this exciting subject Fully updated and revised this second edition is one of the first texts to contain a full analysis of the Leveson Inquiry and the implications for our press and media that are arising from it The new edition contains a new chapter analysing the Defamation Act 2013 the Digital Economy Act 2010 which aimed to toughen up against copyright infringement online and has been subject to parliamentary review since coming into power and the liability of internet service providers including recent cases such as Tamiz vs Google 2012 which goes some way to define the extent to which an ISP may or may

not be found liable for their bloggers content With integrated coverage of Scots and Northern Irish law Media and Entertainment Law also highlights comparisons with similar overseas jurisdictions such as with the liability of ISPs where there are differences in both US and European law in order to help students demonstrate an awareness of media laws which may then influence UK legislation Looking at key aspects such as TV and radio broadcasting the print press the music industry online news and entertainment and social networking sites this text provides detailed coverage of the key principles cases and legislation as well as a critical analysis of regulatory bodies such as OFCOM and the new regulator for the UK s newspapers and magazines and online editions the Independent Press Standards Organisation Ipso The text also provides the most comprehensive and up to date coverage of the law relating to Intellectual Property law for the entertainment industry with recent changes in EU law relating to performers rights See what goes behind the writing of Media Entertainment Law <http://youtu.be/XiCGmnRDvb0>

Voices of Scottish Journalists Ian MacDougall, 2013-11-07 Newspaper journalism is a romantic profession The men and women who wrote for newspapers in the twentieth century started work in a Hold the front page atmosphere hot metal clicking typewriters and inky fingers In this fascinating collection the latest in the Scottish Working People s History Trust series Ian MacDougall has captured the memories of 22 veteran journalists from a wide range of newspapers all over Scotland some local some national The earliest entrant started work in 1929 just before the Great Depression the latest in the mid 1950s Their accounts like so much of oral history describe a physical world we have almost lost sight of since the computer revolution But it was a different social world too it would be unusual for school leavers today to start work as copy boys running out for cigarettes or filling gluepots for their scary older colleagues Journalists had to turn their hands to anything from flower shows to air raids from Hess s landing near Eaglesham to royal visits and women often had to fight their corner to get started as young reporters As journalist Neal Ascherson says in his foreword the book contains a swathe of Scottish social history virtually all these journalists made their way from humble backgrounds drawn by the desire for an exciting rather than a safe job and above all one full of human interest

Media & Entertainment Law Ursula Smartt, 2017-02-03 Media Entertainment Law presents a contemporary analysis of the law relating to the media and entertainment industries both in terms of its practical application and its theoretical framework providing a broad and comprehensive coverage of these fast changing branches of the law Fully restructured to complement how media law is taught today in the digital age this third edition explores recent updates in the law including the outcomes of the Google Spain case and the right to be forgotten the use of drones in breach of privacy laws internet libel and the boundaries of media freedom and press regulation following the Leveson inquiry Media Entertainment Law uses the most up to date authorities to explore privacy and confidentiality subjects such as the Prince Charles black spider letters the Maximilian Schrems and the celebrity superinjunction PJS v Newsgroup Newspapers cases The book also covers defamation contempt of court and freedom of information plus Scots law New to this edition A brand new chapter is dedicated to

exploring technology and the media including contemporary issues such as the dark web the surveillance state internet censorship and the law and social media including bloggers vloggers and tweeters The chapters on regulatory authorities have been expanded to provide greater clarification and explanation of broadcasting press and advertising regulation including the protection of journalistic sources and comparisons with EU Law The chapter on intellectual property and entertainment law has been streamlined to match media law courses more effectively This text provides students with detailed coverage of the key principles cases and legislation as well as a critical analysis of this vibrant subject Media in Scotland Neil Blain,2008-05-01 This book brings together academics writers and politicians to explore the range and nature of the media in Scotland The book includes chapters on the separate histories of the press broadcasting and cinema on the representation and construction of Scotland the contemporary communications environment and the languages used in the media Other chapters consider television drama soap opera broadcast comedy gender the media and politics race and ethnicity gender popular music sport and new technology the place of Gaelic and current issues in screen fiction Among the contributors are David Bruce Myra Macdonald Brian McNair Hugh O Donnell Mike Russell Philip Schlesinger and Brian Wilson Interviewing for Journalists Sally Adams,2001 Interviewing for Journalists addresses the central skill of asking the right question in the right way It is a practical and concise guide for all print journalists professionals students and trainees The authors both experienced journalists explain the different types of interviewing from the street interview vox pop or press conference to the interview used as a basis for an in depth profile Drawing on examples of published material and featuring interviews with a number of successful writers and columnists the book covers every aspect of interviewing
