Dare to Inquire Bruce I. Kodish, 2003 *A History of Anthropology as a Holistic Science* Glynn Custred, 2016-04-27 A History of Anthropology as a Holistic Science defends the holistic scientific approach by examining its history which is in part a story of adventure and its sound philosophical foundation It shows that activism and the holistic scientific approach need not compete with one another This book discusses how anthropology developed in the nineteenth century during what has been called the Second Scientific Revolution It emerged in the United States in its holistic four field form from the confluence of four lines of inquiry the British the French the German and the American As the discipline grew and became more specialized a tendency of divergence set in that weakened its holistic appeal Beginning in the 1960s a new movement arose within the discipline which called for abandoning science as anthropology's mission in order to convert into an instrument of social change a redefinition which weakens its effectiveness as a way of understanding humankind and which threatens to discredit the discipline **Using Community Resources** Tuttle School (Minneapolis, Minn.), 1948 Using Community Resources was first published in 1948 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Number 6 in the Series on Individualization of Education The units of this bulletin were written by teachers from the first to sixth grade of the Tuttle school the University of Minnesota experimental school from which the material is drawn Each unit outlines various activities for the schoolroom that will enable the various children to know and appreciate their community and its resources The outlines uniform from chapter to chapter provide detailed instruction for programs in which the children through interviews trips to spots of interest in the community hobby shows and other experiences learn about the people and the facilities of their community which will be of use to them *Instructor*, 1993
