with undeniable proof I leave you with my perspective in an up to date summary which clearly defines where we stand today in addition to some bonus material including An outline of my Three Key Tips for a Successful Spiritual Journey three fundamental principles which I follow that have positively altered my attraction A summary of my To Do List for Achieving Ascension twenty five steps which I have taken that are delivering some truly remarkable results A selection of my creative writing efforts purposefully chosen with you in mind An extensive notes section for those who wish to do the research themselves Join me on this exploration of my life experience A journey through hardship trauma loneliness and deceit leading to self discovery righteousness forgiveness and truth This book is so much more than just a true to life account of one man s suffering and his continuous struggle it s my inspirational testimony of being sanctified by God through Christ while on the road less travelled The narrow path which first steered me in a direction that I never imagined or ever dared dream before faithfully guiding me directly to the ultimate revelation it s all about the Sun
