Scottish Life and Society: Scotland's domestic life ,2000 **Scottish Life and Society: Introduction to Scottish ethnology** ,2000 **An Introduction To Scottish Ethnology** Alexander Fenton, Margaret A. Mackay, 2013-08-06 The publication of An Introduction to Scottish Ethnology sees the completion of the fourteen volume Scottish Life and Society series originally conceived by the eminent ethnologist Professor Alexander Fenton The series explores the many elements in Scottish history language and culture which have shaped the identity of Scotland and Scots at local regional and national level placing these in an international context Each of the thirteen volumes already published focuses on a particular theme or institution within Scottish society This introduction provides an overview of the discipline of ethnology as it has developed in Scotland and more widely the sources and methods for its study and practical guidance on the means by which it can be examined within its constituent genres based on the experience of those currently working with ethnological materials Theory and practice are presented in an accessible fashion making it an ideal companion for the student the scholar and the interested amateur alike *Scottish Life and Society: An introduction to Scottish ethnology* ,2000 **Scottish Life and Society: The food of the Scots** ,2000 Scottish Life and Society: The working life of the Scots Mark A. Mulhern, John Beech, Elaine Thompson, 2000 Outlining the history of settlement and work this volume considers the working lives of those engaged in feeding housing and protecting the population those who work to keep the population healthy and those who are engaged in work of the imagination rather than work to meet material needs **Scottish Life and Society: The law** ,2000

Scottish Life and Society: Oral literature and preformance culture ,2000 **Scottish Life and Society: Farming and the land** ,2000 *Scottish Life and Society: Transport and communications* ,2000 Scottish Life and Society: Institutions of Scotland : education ,2000 Scottish Life and Society: Farming and landscape ,2000 History of Everyday Life in Scotland, 1800 to 1900 Graeme Morton, 2010-08-31 This volume explores the experience of everyday life in Scotland over two centuries characterised by political religious and intellectual change and ferment It shows how the extraordinary impinged on the ordinary and reveals people s anxieties joys comforts passions hopes and fears It also aims to provide a measure of how the impact of change varied from place to place The authors draw on a wide range of primary and secondary sources including the material survivals of daily life in town and country and on the history of government religion ideas painting literature and architecture As B S Gregory has put it everyday history is an endeavour that seeks to identify and

integrate everything all relevant material social political and cultural data that permits the fullest possible reconstruction of ordinary life experiences in all their varied complexity as they are formed and transformed The Individual and Community Life John Beech, Mark Mulhern, 2005 This major project comprises fourteen thematically arranged volumes The aim of the Compendium is to examine the interlocking strands of history and traditional culture that go into the making of a national identity in an up to date synthesis of the current state of knowledge By bringing together information from a variety of sources the Compendium not only provides a digest of topics but also points towards areas for new investigation The Compendium concentrates upon the present and the historical period and does not generally deal with prehistory although for certain themes such as the development of agriculture and buildings early evidence is taken into account Where appropriate reference is made to foreign parallels and to the influence on Scotland of the cultures of neighbouring peoples Scottish influence on the world at large is also taken into account whether in relation to urban or rural maritime or land based topics Material and non material aspects of history and tradition are considered equally at all levels of society indeed oftentimes focusing on the interaction between people of differing social strata **Scottish Life and Society** Alexander Fenton, James R. Coull, Kenneth Veitch, 2000 This volume traces the long standing relationship between Scotland the Scots and the sea from the earliest times to the present day The coastal environment traditional and modern boat and shipbuilding and maritime trade are explored as are the various types of fishing that have been practised in Scotland over the centuries
