Mark Mazower

Scourge Of The Dark Continent:

Dark Continent Mark Mazower, 2009-05-20 An unflinching and intelligent alternative history of the twentieth century that provides a provocative vision of Europe's past, present and future. A splendid book. The New York Times Book Review. Dark Continent provides an alternative history of the twentieth century, one in which the triumph of democracy was anything but a forgone conclusion and fascism and communism provided rival political solutions that battled and sometimes triumphed in an effort to determine the course the continent would take. Mark Mazower strips away myths that have comforted us since World War II, revealing Europe as an entity constantly engaged in a bloody project of self-invention. Here is a history not of inevitable victories and forward marches but of narrow squeaks and unexpected twists where townships boast a bronze of Mussolini on horseback, one moment only to melt it down and recast it as a pair of noble partisans. the next. Daybreak in the Dark Continent Wilson Samuel Naylor, 1905. *Civilization at Risk* Ron D. Pettit, 2023-07-10 The evil that permeates sex trafficking is not going to stop, however, as this second edition of *Civilization at Risk: Seeds of War* shows it can be discouraged and abated and people's lives spared the incalculable damage such evil inflicts. Regardless, the scourge will continue and tomorrow's press will detail more tragedy for the victims of human trafficking. All of the author's proceeds for the writing of this book go directly to Blazing Hope Ranch to support the care and rehabilitation of female victims of human trafficking. Cuchillo Corvo: Combat Knife of Chile James Loriega, Fernan Vargas, 2017-03-16 The traditional Corvo is a bladed weapon that is popularly regarded as the national knife of Chile. As such, it ranks alongside the Navaja of Spain, the Kukri of Nepal, and the American Bowie as a blade that was pivotal in the wars and ultimately the history of its nation. The Corvo knife was so uniformly carried by Chileans that it saw wide use in Chile's 19th-century War of Independence from Bolivia. So significant was the Corvo's prevalence in the war that the knife was officially adopted by the Chilean military. Today, the Special Commandos adhere to a uniquely developed curriculum for the combative use of the Corvo, which includes its proper deployment in confronting enemy opponents, whether unarmed or wielding knives, entrenching tools, or bayonets. In this book, two edged weapons Masters, Fernan Vargas and James Loriega, take you on a journey to explore the history, culture, and use of the Corvo. **The Last Expedition** Daniel Liebowitz, Charles Pearson, 2005 Henry Morton Stanley undertook the greatest African expedition of the 19th century to rescue Emin Pasha, last lieutenant of the martyred General Gordon and governor of the southern Sudan. Instead of ten months, the trip took three years and cost the lives of thousands of people as Stanley's column hacked its way across the last great unexplored territory in Africa. Stanley's secret agenda was territorial expansion on the model of Leopold's Congo or the British East India Company. *Beyond the Sahara* Agbor Emmanuel, 2016-04-29 Migration through the Sahara and the Mediterranean has been going on for decades. It was brought to the limelight by political upheavals in the Maghreb and Syria. *Beyond the Sahara* tells the story of a young Cameroonian who dreams of playing professional football in Europe. Not having the means to pay for a visa and an air ticket, he decides to defy

the Sahara and the Mediterranean The journey takes him from Cameroon through Nigeria in Boko Haram territory He is rescued by Nigerian security forces and he enters the Republic of Niger From there he enters Algeria and from Algeria they move on to Libya after losing a friend in the desert He and his friend smuggle themselves into a merchant ship bound for Barcelona They are identified and his friend is killed while he jumps into the sea in a desperate attempt to escape Some of his companions are arrested and deported to Nigeria The story criticizes the socio political situation in Africa and depicts many aspects of the African tradition The man from Australia is your brother the woman from Afghanistan is your sister the man from Syria is your brother the woman from America is your sister and the man from Africa is your brother too **The**

Decolonizing Mission Harvey C. Kwiyani,2025-08-29 For the past 500 years the idea of the mission of God has been synonymous with that of the expansion of the Western civilisation and its influence in the world Christianity being the religious foundation of the Western civilisation as it stands today has both justified and been used as an instrument for the domination of the world by Western imperial forces Mission methods have developed that use western supremacy and militarism as a justifiable means to convert the world and make disciples for Christ In *Decolonizing Mission* Harvey Kwiyani traces the history of Christian mission alongside the history of empire showing the influence that one had on the other
