her a timeless ultimatum she could never forget a beautiful getaway to Crete Greece to repair and rekindle their extinguished flames for one another As they navigate business and new chapters together amidst vacationing in paradise Evelynne discovers a long lost passion she once knew Will the temptation to exceed the rules mend their relationship or drive them further apart from reconciliation Meeting in the middle welcomes compromise But the great divide between them and their firms seems to be getting wider as the days go by Love knows no barricades The Seven Year Glitch DT Mularkey,2024-12-09 You ll be dead by Sunday A week before the finale at Drake s Resort where obscenely wealthy gamblers bet their fortunes and their faces Ledger Warren a wealthy Virgin Islands resort owner receives a note announcing he ll be dead in days Equally distracting a gorgeous dead ringer for the love of his life mysteriously appears sending his paranoia skyrocketing while ripping open wounds of family betrayal With no family or close friends and a shady partner with an expiring contract Warren is suspicious of everyone Who is threatening him a resort guest an angry gambler who lost it all or an employee with an axe to grind Perhaps someone from his checkered past will strike before he flees his own private paradise Can he amass his biggest casino payoff evade being killed and escape his private island with his life The Angry Tree James Lentz,2018-05-02 Imagine yourself all alone with no one to talk to Not because you won t but because you can t The sun rises and the sun sets Everything around you is changing but you stay the same The angry tree seems as if he has always been angry The kind of anger that is so angry that no one dare come near him We all have our heroes that we hope come to save us but in this life we sometimes can end up finding comfort where we least expect it The biggest question the angry tree can ask himself is can he ever be happy again GG's Adventure Frank Gonzalez,2007-12 Have you ever wished for your very own genie in a bottle Join Jimmy Stone as he has several thrilling adventures with his very own genie in GG s Adventure by first time author Frank Gonzalez When Jimmy and his dad go exploring in a relatives tree house Jimmy discovers more than just a few family keepsakes He discovers a friend to zip him around the world Come along for all of Jimmy s adventures with his genie Geronimo in GG s Adventure *The Magnificent Flying Baron Estate* Eric Bower,2017-05-16 Waldo Baron awakes one morning to find his inventor parents have turned their house into a flying machine and they intend to enter into a race across the country in the hopes of winning the 500 prize His parents plans go astray when they are kidnapped by Rose Blackwood the sister of notorious villain Benedict Blackwood who intends to use the prize money to free her brother from prison But Rose is not what she seems to be and Waldo finds himself becoming friends with their kindly kidnapper as they race across the country in the magnificent flying Baron estate *What a Life! a Different Kind of Biography* Nelson Herbert LaFountain,2020-11-15 Herein are printed stories and poems I have written over the years in my own way of telling my story Rather than an autobiography I thought this may be a better way of presenting one s life rather than in one mundane book I began with a book and then I found I like to present my life this way These are truthful works and not fiction Some had memory holes that needed filling who said what or who I gave credit to but nothing that

would take away from the story It s just the way I tell my life After all my life has been a series of short stories and poems not one continuous biography or even one long story I tried to keep them truthful at all times My poetry is not the deep thinking style but happenings in poetry form I hope you enjoy it The Chapter numbers are assigned to the places I lived when the stories happened not necessarily in the order that they happened You will find the stories and poems are not numbered I began writing short stories and poems before I started my book Then after a few stories I figured it would be a good way to write a book So this is it for good or ill and I am not an author with an extensive vocabulary by any stretch of the imagination I hope you ll forgive that They so I m told are quite interesting and easy reading Take them like vitamins one or two a day I hope you will laugh and cry and enjoy The stories poems musings and thoughts in this book are the product of but not limited to a lifetime of memories love life pain and laughter It is a labor of love in an effort to sing the praises of those that deserve it the most and not for the writer For it was the people that this work was dedicated to that I have to thank for almost all the memories If it weren t for the people there would be absolutely no need for writing this book
