The Bible tells us in John that Jesus said that he is going to prepare a place for us in heaven so that we can be where he is. This book takes the imagination to the next level in creating houses for each family and all of the dogs they had growing up are there to share eternity with them. This story revolves around the life of one particular person and all the dogs she had and knew growing up even into her adult life. The dogs can now converse like human people and are working with people in heaven showing how all of creation comes together as one to work together for the glory of God. Each canine member of the house in this family enjoys sitting around and telling the funny stories that happened during their lifetime with their person and how it always seems to reflect God's direction for his purpose. *Ghosts and Legends of Northern Ohio* William G. Krejci, 2019-09-16

Hauntings and eerie tales abound in northern Ohio. Chillings, legends, mysteries, and hauntings. Does Esther Hale, believed to have been executed for witchcraft, really haunt Columbiana County's Bowman Cemetery? Is Lonesome Lock on the Ohio and Erie Canal as haunted as rumors say? Do restless spirits stalk the rooms at the Wolf Creek Tavern in Norton and the Rider's Inn of Painesville? Do the ruins of Gore Orphanage echo with the ghostly wails of children said to have died in a fire long ago? Author William G. Krejci guides this supernatural journey through the most chilling legends of northern Ohio. Some stories are debunked. Some long-standing mysteries are solved. Some new mysteries come to light. **Haunted Ohio: Unearthed Real Ghost Stories from the Shadows of the Buckeye State** Jannette Quackenbush, 2025-06-29

Haunted Ohio: Unearthed Real Ghost Stories from the Shadows of the Buckeye State. By Jannette Quackenbush. Ohio's backroads remember what the maps forgot. In *Haunted Ohio: Unearthed*, folklorist and storyteller Jannette Quackenbush gathers over one hundred authentic ghost stories, at least one from every county in Ohio, each tied to real places, real people, and real history. These are not modern ghost tour inventions or retold urban legends. Every tale has been carefully traced to its earliest known source: old newspapers, courthouse records, family diaries, and long-preserved oral traditions that echo through time. From the Pale Shade of Dunkinsville and The Headless Coachman of Wickerham's Inn in Adams County to It Lingers in Egypt Valley and The White Dog of Bigley Trough, these stories rise out of the state's oldest graveyards, covered bridges, mining towns, and river hollows. They are the whispers of settlers, soldiers, miners, and children whose lives left marks on the land and whose stories still linger long after the living have gone. Each account is written in the tone of the old Appalachian storyteller: haunting, plainspoken, and rooted in truth. This is a book for those who want to walk where the ghosts once walked, to visit the cemeteries and forgotten lanes where the stories began. About the Author: Jannette Quackenbush is an American folklorist, historian, and author whose work focuses on authentic ghost stories, folklore, and cryptid legends rooted in documented historical events. For more than four decades, she has traveled across the United States

collecting and preserving oral traditions firsthand accounts and archival records of the supernatural As founder of the 21 Crows American Folklore Archives Jannette has become one of the leading researchers of Appalachian and Midwestern hauntings linking legends to their earliest verifiable sources in newspapers diaries and local histories She is also the creator of Dark Journeys with Jannette a project that brings folklore and field investigation together through public night hikes lectures and media storytelling In addition to her writing and archival research Quackenbush has led public hikes and field explorations focused on ghost and cryptid legends most notably her Moonville Night Hikes and Haunted Hocking Hills Adventures Where the Natural World and the Supernatural World Collide which guide visitors through real haunted and creature sighting locations Through these programs she shares historical context eyewitness accounts and folkloric origins while encouraging participants to explore Ohio s haunted landscapes and backwoods legends for themselves Her published works include more than forty titles exploring American ghost stories legends and unexplained creatures such as The Big Book of American Ghost Stories The Big Book of American Cryptids and the Haunted Ohio Haunted West Virginia and Haunted Pennsylvania series
