Transformational Groups Ed Stetzer, Eric Geiger, 2014-02-15 God declared through the Apostle Paul that the church would be a place of transformation In 2 Corinthians 5:17 we find Therefore if anyone is in Christ he is a new creation old things have passed away and look new things have come Despite this the church seems increasingly to be a place where

transformation fails to occur Surveying the landscape however there are some bright spots where churches are faithfully producing transformed disciples Furthermore as shown in Scripture and supported by new research God designed such transformation to often happen in the context of smaller groups of people But what characteristics are true of churches that are making transformed disciples through group based ministry whether small groups missional communities Sunday school or some other expression of groups In Transformational Groups Ed Stetzer and Eric Geiger have created a new scorecard that will provide a map to transformational success for your church s groups ministry Using data from the largest survey of pastors and laypersons ever done on the condition of groups in the church they define a simple process to lead your groups from where they are to where God wants them to be
