students in learning *Exemplary Instruction in the Middle Grades* Diane Lapp, Barbara Moss, 2012-01-27 Offering fresh alternatives to common instructional practices that fail to get results this accessible highly practical guide highlights ways to motivate middle school students while enhancing content area learning Each chapter features an enlightening case study of a teacher whose current strategies are not supported by research describes effective instructional alternatives illustrated with concrete examples and lists online resources and lesson examples Emphasis is given to supporting critical engagement with texts and drawing on technology and new literacies The book covers specific content areas including science social studies math and literature as well as ways to teach oral literacy and writing across the curriculum Revision Decisions Jeff Anderson, Deborah Dean, 2023-10-10 Revision is often a confusing and difficult process for students but it is also the most important part of the writing process If students leave our classrooms not knowing how to move a piece of writing forward we've failed them *Revision Decisions Talking Through Sentences and Beyond* will help teachers develop the skills students need in an ever evolving writing language and reading world Jeff Anderson and Deborah Dean have written a book that engages writers in the tinkering playing and thinking that are essential to clarify and elevate writing Focusing on sentences the authors use mentor texts to show the myriad possibilities that exist for revision Essential to their process is the concept of classroom talk Readers will be shown how revision lessons can be discussed in a generative way and how each student can benefit from talking through the revision process as a group *Revision Decisions* focuses on developing both the writing and the writer The easy to follow lessons make clear and accessible the rigorous thinking and the challenging process of making writing work Narratives setup lessons templates and details about how to move students toward independence round out this essential book Additionally the authors weave the language reading and writing goals of the Common Core and other standards into an integrated and connected practice The noted language arts teacher James Britton once said that good writing floats on a sea of talk *Revision Decisions* supports those genuine conversations we naturally have as readers and writers leading the way to the essential goal of making meaning *Cases of Successful Literacy Teachers* Jan Lacina, Cecilia Silva, 2010-02-08 Highlighting practices used by exemplary literacy teachers in diverse schools across the nation Using teaching vignettes cases for exploration and research in the field this text provides preservice and inservice teachers with effective research based literacy strategies they can use to improve their practice to best serve students from diverse backgrounds The cases based in urban rural and suburban settings help teachers make connections between classroom challenges and the research literature that can help them to become problem solvers and reflective practitioners Each chapter follows a consistent format in supporting the link between research and practice and includes the following key features Focus Questions Help readers make associations between the chapter text and their prior knowledge and experiences Reading Research to Know Relates a vignette to research in the field Inside the Classroom Provides a detailed vignette of teacher instruction in literacy followed by questions for discussion Summary of Strategies Used Helps teachers

connect the vignette to classroom practice Case for Exploration Presents a classroom scenario along with questions for discussion Jacqueline Briggs Martin and YOU Jacqueline Martin, 2005-12-30 Playing on the phrase The author and you a commonly taught reading comprehension strategy that teaches the learner how to look at the words of an author and make inferences about what is being said this new series will assist teachers and teacher librarians in understanding the underlying purposes of an author as they prepare learning activities for students The series focuses primarily on books for the elementary age child K 6 and features insights into the author s background purposes and goals in writing his or her books By furnishing an overview of an author s works the books in the series give teachers the big picture This book like the others in the series features personal information about the author including insights into why she writes the type of books she writes There is also information about each of the author s books featured Part II of the book is the author s writing workshop writing about writing This book features Jacqueline Briggs Martin award winning picture book author It discusses her life and work and the researching writing and illustrating of each of her books providing insight into the writing process and promoting reading as a source of good writing

Enchanted Evenings : The Broadway Musical from Show Boat to Sondheim Washington Geoffrey Block Professor of Music University of Puget Sound, 1997-10-02 The classic musicals of Broadway can provide us with truly enchanted evenings But while many of us can hum the music and even recount the plot from memory we are often much less knowledgeable about how these great shows were put together What was the inspiration for Rodgers and Harts Pal Joey or Rodgers and Hammersteins Carousel Why is Marias impassioned final speech in West Side Story spoken rather than sung Now in Enchanted Evenings Geoffrey Block offers theatre lovers an illuminating behind the scenes tour of some of the best loved most admired and most enduring musicals of Broadways Golden Era Readers will find insightful studies of such all time favorites as Show Boat Anything Goes Porgy and Bess Carousel Kiss Me Kate Guys and Dolls The Most Happy Fella My Fair Lady and West Side Story Block provides a documentary history of fourteen musicals in all plus an epilogue exploring the plays of Stephen Sondheim showing how each work took shape and revealing at the same time production by production how the American musical evolved from the 1920s to the early 1960s and beyond The book s particular focus is on the music offering a wealth of detail about how librettist lyricist composer and director work together to shape the piece Drawing on manuscript material such as musical sketches autograph manuscripts pre production librettos and lyric drafts Block reveals the winding route the works took to get to their final form Block blends this close attention to the nuances of musical composition and stagecraft with trenchant social commentary and lively backstage anecdotes Jerome Kern Cole Porter the Gershwins Rodgers and Hart Rodgers and Hammerstein Lerner and Loewe Kurt Weill Frank Loesser Leonard Bernstein Sondheim and other luminaries emerge as hardworking craftsmen under enormous pressure to sell tickets without compromising their dramatic vision and integrity Opening night reviews and accounts of critical and popular response to subsequent revivals show how particular musicals have adapted to changing

times and changing audiences shedding light on why many of these innovative shows are still performed in high schools colleges and community theaters across the country while others such as Weills One Touch of Venus or Marc Blitzsteins The Cradle Will Rock languish in comparative obscurity Packed with information including a complete discography and plot synopses and song by song scenic outlines for each of the fourteen shows Enchanted Evenings is an essential reference as well as a riveting history It will deepen readers appreciation and enjoyment of these beloved musicals even as it delights both the seasoned theater goer and the neophyte encountering the magic of Broadway for the first time
