The New Cambridge English Course 3 Class Audio Cassette Set (3 Cassettes) Michael Swan, Catherine Walter, Desmond O'Sullivan, 1992-08-28 The New Cambridge English Course is a four level course for learners of English *Short Stories Audio Cassette* Joanne Collie, Stephen Slater, 1993-07-29 A collection of powerful unabridged stories accompanied by activities for creative language classrooms Short Stories includes eleven vivid and memorable short stories written by a variety of authors from different backgrounds between the nineteenth century and the present day Due to their powerful impact these stories suggest many possibilities for creative activities in upper intermediate and advanced level classrooms and can therefore be used to stimulate reading and fluency skills as well as to explore literary aspects of English This Audio Cassette accompanies the book and contains recordings of all the stories as well as extra material for listening activities

Audio Cassette Listening Forums Joyce Stanley, Alisa Lundeen, 1981 **Short Story Collection Volume: 1** Nicholas Glaetzer, 2025-03-07 A collection of Australian themed horror and thriller short stories Stories about bunyips shopping centers garage sales and more Quick and easy reading with some festive horror thrown in **Directory of Spoken-word Audio Cassettes**, 1983 *The Bible in Crime Fiction and Drama* Caroline Blyth, Alison Jack, 2019-01-24 The Bible has always enjoyed notoriety within the genres of crime fiction and drama numerous authors have explicitly drawn on biblical traditions as thematic foci to explore social anxieties about violence religion and the search for justice and truth The Bible in Crime Fiction and Drama brings together a multi disciplinary scholarship from the fields of biblical interpretation literary criticism criminology and studies in film and television to discuss international texts and media spanning the beginning of the 20th century to the present day The volume concludes with an afterword by crime writer and academic Liam McIvanney These essays explore both explicit and implicit engagements between biblical texts and crime narratives analysing the multiple layers of meaning that such engagements can produce cross referencing Sherlock Holmes with the murder mystery in the Book of Tobit observing biblical violence through the eyes of Christian fundamentalists in Henning Mankell's Before the Frost catching the thread of homily in the serial murders of Se7en or analysing biblical sexual violence in light of television crime procedurals The contributors also raise intriguing questions about the significance of the Bible as a religious and cultural text its association with the culturally pervasive themes of violence morality and redemption and its relevance as a symbol of the often fraught location that religion occupies within contemporary secular culture The Best Novels of the Nineties Linda Parent Leshner, 2015-11-17 This reader's guide provides uniquely organized and up to date information on the most important and enjoyable contemporary English language novels Offering critically substantiated reading recommendations careful cross referencing and extensive indexing this book is appropriate for both the weekend reader looking for the best new mystery and the full time graduate student hoping to survey the latest in magical realism More than 1 000 titles are included each entry citing major reviews and giving a brief description for each book *Media in Church*

*and Mission* Viggo Sogaard, Viggo Sogaard, 1993 Summarizing the Dimensions of Christian Communication Too many today are borrowing uncritically from the world of secular marketing and seem to be blithely unaware that the gospel is not a consumer product to be sold persuasively to a waiting world There is a great temptation to be so focused on felt needs that the gospel ceases being the narrow way and becomes instead a broad way to human fulfillment Unless real caution is exercised masses are attracted and churches become filled with those to whom Christianity is only a veneer over an otherwise secular life Sogaard succeeds in driving home the sometimes forgotten point that strategies no matter how skillfully they are conceived are destined to failure unless it is fully recognized that the Holy Spirit is the ultimate persuader There is in short a mysterious interworking between strategies and the ministry of the Holy Spirit An imbalance on either side of this equation is untenable The majority of the chapters offer practical insights into how such media as audio cassettes radio film and television can if properly used play an important role in conversion and spiritual growth But the author never loses sight of the fact that the single most important medium is face to face communication in the context of the local Christian fellowship

**Mom in Daycareland** Carlota Lindsay, Marshall Lindsay, 2002-04-15 Letter to the Reader Mom in Daycareland is about children but it is addressed both to parents and to providers of child care in the hope that these pages will help them understand each others needs and the stresses they experience in their respective childrearing and caregiving activities For the childrens sake they must see each other not as antagonists but as partners in this most important of all careers molding the future of the human race Today the need for child care is more widely accepted by the general public than it was years ago We used to think that children should be reared at home and that a mothers job was to take care of them Now all this has changed Early every morning millions of mothers and fathers drive their children to child care providers and leave them there most often without feeling uneasy or guilty What has happened to cause this shift in our attitudes Why have we given up ideas that once seemed sacred and replaced them with a pragmatic way of doing things that would have made our grandmothers frown The authors remember a time when it was expected that Dad would go off to work every morning leaving Mom and the kids at home He had a job outside the home and brought back the paycheck she did the housework and cooking took care of the children Only occasionally were the children entrusted to someone else as when the parents went to a dinner party or a movie and had a local high school student over to sit or drove the kids to Grandmas for the night There were exceptions of course but this was the accepted pattern Today that pattern while still prevalent in some families is rare The social and economic realities of our country have changed radically and the structure of family life has had to adapt There are several reasons for the shift and others will undoubtedly surface at a later date but what seems to be the most important among them are the following Firstly to make ends meet todays parents are obliged more and more to share the burden of earning the wages Both Mom and Dad need full time work if the family is to survive financially or if it is to satisfy the standard of living they are used to In the meantime who takes care of the children while both are at work

Secondly another reason that helps explain why Mom works even when there is no pressing financial need for her to do so is the realization that women have an equal right to achieve their potentialities in the world of the professions and of labor. Finally and perhaps most importantly an ever increasing number of households are managed by single parents. When Mom or Dad is the only provider in the family no one is going to suggest that she or he stay home and watch the children. That single job is essential to the survival of a family in an already precarious financial bind. Even when the children are sick the single parent has to report to work in order to keep that precious job. For these and other reasons the need for child care is a simple reality in our present society and the trend is likely to continue. In most communities throughout the country groups of interested people argue that the availability of child care services is insufficient to meet current needs let alone the demands of a growing population. We would like to talk about ourselves briefly as authors. Both of us have had life careers in higher education. In 1980 we devoted ourselves to child care and started a proprietary child care center in the Northwest. It began small and then in time grew to a size of 35 preschoolers. From the beginning Carlota operated the center from 6 30 a m to 6 00 p m as director teacher public relations person cook and janitor only recently has she begun coming home in the late afternoon. Marshall was frequently teacher maintenance person and accountant. It was difficult yet rewarding work and it taught us many things.

The purp *Heroic Wives Rituals, Stories and the Virtues of Jain Wifehood* M. Whitney Kelting, 2009-10-22. Although in Hinduism it is mainly used to refer to widow immolation the term sati means true woman a female hero. Whitney Kelting has learned that in Jainism satis appear as subjects of devotional hymns. This seems paradoxical given that Jain spirituality is to disengage oneself from worldly existence and Jain devotionism is usually directed toward those souls who have reached perfect detachment. In fact however there is a vast corpus of popular texts many of them written by prominent scholar monks between the 16th and 18th centuries illustrating the distinctly worldly virtues of devoted Jain wives. In this fieldwork based study Kelting explores the ways in which Jain women use sati narratives and rituals to understand wifehood as a choice which these women's ongoing ritual practices continually shape. She focuses on eight well known Jain sati narratives recorded in both formal ritual contexts and in informal retellings and also as read aloud from printed versions. She finds that one of the principal functions of Jain sati narratives is to contribute to a discourse of wifehood which addresses the concerns of Jain laywomen within the Jain value system and provides a fertile context in which Jain women can explore their questions of virtue and piety.
