*Short Story Harvest* Walter McVitty, 1987 A collection of short stories designed for younger secondary students \_\_\_\_

**Cosecha** Tomás Rivera, Julián Olivares, 1989 Framed within the Odyssean cycle of the migratory farm workers Rivera's stories are myths and parables which relate the universal themes of alienation love and betrayal man and nature death and resurrection and the search for community Represented in laconic and poetic prose Rivera's characters become indelibly inscribed on the multicultural fabric of American literature

**Harvest** Jason H. Abbott, 2019-10-07 A whimsical fantasy short story of down home souls in the most confounding of situations Harvest is equal parts eerie humorous and heartwarming A fairytale for grown ups best told in the dark

**Story Harvest** Scott Pedersen, Chad V Boughman, R L Mullins, Jr, 2021-04-06 It starts with a spark An idea that comes from nowhere appearing suddenly and without warning triggered by a sight a sound a feeling an overheard conversation or even nothing at all The author grabs that spark and plants it in the fertile soil of their brain There they help it to grow as they pamper shape and mold it into a well developed story Some stories mature rapidly becoming fully grown almost immediately Others take more time to develop as the author considers and reconsiders how the story should flow The finished story can be what the author intended from the beginning or be completely different from the spark that started it all Such is the wonder and amazement of the story growing process There are no limits to the author's imagination A story can carry an idea straight through or have pieces of the idea changed and re changed until the author decides it is perfect A word of warning the author may feel the story will never achieve perfection This is normal as the author believes there is always room for improvement But the author will eventually reach a point where they are willing to share the story with readers And then the harvest begins Open this book to discover the fruits of this story harvest There is a variety of tales freshly picked for your entertainment We at Scribes Valley think you will agree that the featured authors grew their stories just right Authors included in this book Alfredo Salvatore Arcilesi William E Burleson Chad V Broughman Sonia Mehta R L Mullins Jr Virginia M Amis Steve Putnam Ronna L Edelstein Leslie Muzingo Scott Pedersen Thomas Maurstad Virginia Ewing John Baldwin Joseph J Salerno
