Edited** James Joyce, Anthony Burgess, 1967 **A SHORTER FINNEGAN'S WAKE. ED. BY ANTHONY BURGESS.** James Joyce, 1967 Anthony Burgess Roger Lewis, 2025-06-25 Interviewer On what occasions do you lie Anthony Burgess When I write when I speak when I sleep He was the last great modernist Novelist composer librettist essayist semanticist translator critic Anthony Burgess s versatility and erudition found expression in more than fifty books and dozens of musical compositions from operas choral works and song cycles to symphonies and concertos Here now is a kaleidoscope of a book the culmination of twenty years of writing and research about a man who remains best known for A Clockwork Orange the source of Stanley Kubrick s ground breaking mind bending and prescient film Tracking Burgess from Manchester to Malaya to Malta to Monte Carlo Roger Lewis assesses Burgess s struggles and uncovers the web of truth and illusion about the writer s famous antic disposition Burgess the author argues was just as much a literary confidence man and prankster as a consummate wordsmith Outrageously funny honest and touching Anthony Burgess explores the divisions that characterize its irascible subject and his darkly comic bleakly beautiful world of fiction *Finnegans Wake* James Joyce, 1990 **Finnegans Wakes** Patrick O'Neill, 2022-03-01 James Joyce s astonishing final text Finnegans Wake 1939 is universally acknowledged to be entirely untranslatable And yet no fewer than fifteen complete renderings of the 628 page text exist to date in twelve different languages altogether and at least ten further complete renderings have been announced as underway for publication in the early 2020s in nine different languages Finnegans Wakes delineates for the first time in any language the international history of these renderings and discusses the multiple issues faced by translators The book also comments on partial and fragmentary renderings from some thirty languages altogether including such perhaps unexpected languages as Galician Guarani Chinese Korean Turkish and Irish not to mention Latin and Ancient Egyptian Excerpts from individual renderings are analysed in detail together with brief biographical notes on numerous individual translators Chronicling renderings spanning multiple decades Finnegans Wakes illustrates the capacity of Joyce s final text to generate an inexhaustible multiplicity of possible meanings among the ever increasing number of its impossible translations **Critical Companion to James Joyce** A. in the world of literature where we might hope to find some linguistic luxury we are flirting with a recessionary mood Big books abound but rhetorical largesse at the level of the sentence is a shrinking economy There is a prevailing minimalist sensibility in the twenty first century Novel Style is driven by the conviction that elaborate writing opens up unique ways of thinking that are endangered when expression is reduced to its leanest possible forms By re examining the works of essential English stylists of the late twentieth century Anthony Burgess Angela Carter Martin Amis as well as a newer generation of twenty first century stylists Zadie Smith Nicola Barker David Mitchell Ben Masters argues for the ethical power of stylistic flamboyance in fiction and demonstrates how being a stylist and an ethicist are one and the same thing A passionate championing of elaborate writing and close reading Novel Style illuminates what it means to have style and how style can change us

Joyce, Multilingualism, and the Ethics of Reading Boriana Alexandrova, 2020-09-16 What if our notions of the nation as a site of belonging the home as a safe place or the mother tongue as a means to fluent comprehension did not apply What if fluency were a hindrance whilst our differences and contradictions held the keys to radical new ways of knowing Taking inspiration from the practice of language learning and translation this book explores the extraordinary creative possibilities politics and ethics of adopting a multilingual approach to reading Its case study James Joyce s *Finnegans Wake* 1939 is a text in equal measures exhilarating and exasperating an unhinged portrait of European modernist debates on transculturalism and globalisation here considered on the backdrop of

current discourses on migration race gender and neurodiversity This book offers a fresh perspective on the illuminating if perplexing work of a beloved European modernist whilst posing questions far beyond Joyce on negotiating difference in an increasingly globalised world on braving the difficulty of relating across languages and cultures and ultimately on imagining possible futures where multilingual literature can empower us to read relate and conceptualise differently
