Living with Jazz Dan Morgenstern, 2009-08-19 A collection of essays biographical profiles and critical analyses by one of the twentieth century s leading jazz writers includes commentary on the work of jazz entertainers including Duke Ellington Ella Fitzgerald John Coltrane Dizzy Gillespie and Louis Armstrong as well as assessment of the role of jazz in contemporary culture and its influence on modern music **Another Day in Showbiz** Pierre Cossette, 2003-01-13 Well before the curtains drew on the first annual Grammy Awards ceremony before the Nevada deserts were lit up by the casinos of Las Vegas Pierre Cossette was just another Canadian kid running around the rural town of Valleyfield Quebec Circumstances would bring the Cossette family to Pasadena California from there a brazen determination and entrepreneurial savvy would hoist Pierre to the top of the world of glitz and glamour Along the road the entertainment industry in the United States would be forever changed by the kid from Valleyfield In Another Day in Showbiz Pierre Cossette tells his unique story for the first time from his days as a rookie MCA agent in Vegas peddling the likes of Ann Margret and Sammy Davis Jr to wary casino bosses to his current capers alongside Donald Trump and Celine Dion s extended family Triumphs and trip ups Broadway hits and broadcasting battles all recounted in a tale that is both the intimate story of one man s life and an unabashed account of the world s most watched industry Few in Valleyfield Quebec would have

guessed that one of their own would go on to talk Ronald Reagan into doing a show at the Last Frontier Casino or introduce the concept of the lounge act to Las Vegas Few in the music business would have guessed it possible to start a major record label from scratch or to televise the Grammy Awards to more than 100 million viewers Yet Pierre Cossette has accomplished all this and plenty more In Another Day in Showbiz he tells us how Book jacket There's No Business Without the Show Tom Becka,2008-08 Showbiz is really two words 13 There s the show part and there s the business part 13 Without the business there is no show Without the show there is no business 13 Tom Becka brings together his experiences as a stand up comedian radio host teacher sales manager and columnist to show you the powerful techniques entertainers use to engage their audiences Want to know how you can use these surprisingly simple techniques in your sales career Showbiz Jason Anderson,2005-09-15 A comedian s career is ended after a presidential assassination and a journalist tries to track him down decades later in this darkly humorous novel In 1963 Jimmy Wynn was the second most famous man in America The comedian s uncanny impression of the president made him a star But when the genuine article died in a hail of bullets on a sunny afternoon in New Orleans Jimmy s career met a fate almost as grisly What happened to the funny man afterward was a mystery no one cared to solve Nearly twenty five years later Nathan Grant an ambitious young journalist discovers the trail Jimmy cut through the entertainment netherworld He soon comes to realize that this forgotten court jester may have played a very serious part in the country s favorite conspiracy theory His strange and increasingly dangerous odyssey takes him from a dingy New York record store to the showrooms of Las Vegas a ghost town in the Mojave Desert and even a dinner theatre in Niagara Falls in a dark comedy about the cost of fame the story of a man who became a punchline and a writer who is desperate to find out how the rest of the joke goes A weird and hilarious trek through American faux history Richard Scrimger author of Mystical Rose An amazing feat of invention and imagining In the alternate reality of Showbiz things are funny touching and very true Paul Quarrington author of King Leary **Polpop** James E. Combs,1984 This book discusses various components of popular culture and the effects they have on politics Some of the areas of mass culture which are discussed are popular dramas folk heritage the Western myth sports religion media propaganda and show business **I Don't Have a Happy Place** Kim Korson,2015-04-14 Can t Kim be happy This is the question asked of Kim Korson a female Woody Allen at her first and last shrink appointment and her chief dilemma in this fresh voiced hilarious take on what it means to be a malcontent Go find your happy place Kim Korson s befuddled husband exclaims one day as his disgruntled wife is listing about the house as malcontents are wont to do It sounds simple enough only Kim can t Because she doesn t have one I Don t Have a Happy Place is an exploration of Kim s oftentimes irrational at times self induced and nearly perpetual state of unhappiness told through a series of humorous autobiographical essays
