Showgirls Portrait Of A Film:

Showgirls Paul Verhoeven, 1995 Here are portfolios of four distinguished photographers who were invited to the production of this film to capture the glittery world of Las Vegas sex glamour and spectacle The more than seventy powerful images with over fifty in vibrant full color the others in rich quadratone black and white are introduced by the director s candid essay about the artists and his own approach to moviemaking *It Doesn't Suck* Adam Nayman, 2014-04-01 The Worst Movie Ever is a masterpiece Seriously Enough time has passed since Showgirls flopped spectacularly that it s time for a good hard look back at the sequined spectacle A salvage operation on a very public very expensive train wreck *It Doesn't Suck* argues that Showgirls is much smarter and deeper than it is given credit for In an accessible and entertaining voice the book encourages a shift in critical perspective on Paul Verhoeven s Showgirls analyzing the film its reception and rehabilitation This in depth study of a much reviled movie is a must read for lovers and haters of the 1995 Razzie winner for Worst Picture Paul Verhoeven Margaret Barton-Fumo, 2016-12-26 After a robust career in the Netherlands as the country s most successful director Paul Verhoeven b 1938 built an impressive career in the United States with such controversial blockbusters as RoboCop Total Recall Basic Instinct Starship Troopers and Showgirls before returning home to direct 2006 s Black Book After a recent stint as a reality television judge in the Netherlands Verhoeven returned to the big screen with his first feature film in a decade a highly anticipated French language production *Elle* starring Isabelle Huppert Verhoeven who holds an advanced degree in mathematics and physics boasts a fascinating background Traversing Hollywood the Dutch film industry and now French filmmaking the interviews in this volume reveal a complex often ambiguous figure as well as a director of immense talent Paul Verhoeven Interviews covers every phase of the director s career beginning with six newly translated Dutch newspaper interviews dating back to 1968 and ending with a set of previously unpublished interviews dedicated to his most recent work He experimented with crowd sourced filmmaking for the television show *The Entertainment Experience* which resulted in the film *Tricked* as well as his latest feature *Elle* Editor Margaret Barton Fumo includes *Sex Cinema* and Showgirls a long out of print essay by Verhoeven on his most controversial film accompanied by pages of original storyboards from this and some of Verhoeven s other films Finally Barton Fumo allots due attention to the director s little known lifelong fascination with the historical Jesus Christ Verhoeven is the only non theologian member of the exclusive Westar Institute and author of the book *Jesus of Nazareth* Camp! Paul Baker, 2023-09-05 By the bestselling author of *Fabulosa* and *Outrageous* this reappraisal of camp across time and in all its glorious forms shows how this inescapable part of popular culture has also played an important role in equality movements as a form of protest or resistance The following things have seemed impossibly camp to me at one point or another a doll whose body acts as a cover for a toilet roll a peacock chair a wig being pulled off and flushed down the toilet a tantrum over wire coat hangers a toppled over Christmas tree a 1950s muscle magazine featuring a photo of a young man dressed as a gladiator a rat underneath a

silver serving platter and an estate agent wearing tiger face paint Fabulously unrestrained and ever evolving camp has captured the cultural imagination for at least 150 years The term possibly derives from the French *se camper* meaning to pose in a bold provocative or exaggerated fashion Frequently used to define or deride young heterosexual men the upper classes Black people older women and gay men camp has also played a key role in equality movements Paul Baker's highly anticipated reappraisal of camp surveys its touchstones across history and the changing ways that it has been understood He traces the history of camp from the courts of Louis XIV and trials of Oscar Wilde to the archetypal dandy Beau Brummell and the celebrated playwright Noel Coward from The Valley of the Dolls Harlem's drag balls and Brazilian telenovelas through to the modern day divas of Donna Summer Madonna and Britney Spears Celebrating camp as an aesthetic a sensibility and a way of life this essential dive into an often derided phenomenon shows how camp has been a place of refuge and renewal of heroism and hedonism and how it is more powerful than ever

The Naked Truth Kevin

Sandler,2007-08-22 From parents and teachers to politicians and policymakers there is a din of voices participating in the debate over how young people are affected by violence strong language and explicit sexual activity in films The Motion Picture Association of America MPAA responded to this concern in 1968 when it introduced a classification and rating system based on the now well known labels G PG PG 13 R and X For some these simple tags are an efficient way to protect children from viewing undesirable content But do the MPAA ratings actually protect children In The Naked Truth Kevin S Sandler argues that the rating system does not protect children but instead protects the Hollywood film industry One prime indicator of this is the collective abandonment of the NC 17 rating in 1990 by the major distributors of the MPAA and the main exhibitors of the National Association of Theatre Owners By categorizing all films released by Hollywood and destined for mainstream theaters into R ratings or lower the industry ensures that its products are perceived as responsible entertainment to all audiences and incontestable to politicians and moral reformers By embracing a no NC 17 rule the industry collapses mature subject matter with pornography creating a national cinema where certain representations of sex and nudity are taboo

Writing and Cinema Jonathan Bignell,2014-07-22

This collection of essays examines the ways in which writing and cinema can be studied in relation to each other A wide range of material is presented from essays which look at particular films including The Piano and The English Patient to discussions of the latest developments in film studies including psychoanalytic film theory and the cultural study of film audiences Specific topics that the essays address also include the kinds of writing produced for the cinema industry advertising film adaptations of written texts and theatre plays from nineteenth century classic novels to recent cyberpunk science fiction such as Blade Runner and Starship Troopers The essays deal with existing areas of debate like questions of authorship and audience and also break new ground for example in proposing approaches to the study of writing on the cinema screen The book includes a select bibliography and a documents section gives details of a range of films for further study

A longtime industry

insider and acclaimed Hollywood historian goes behind the scenes to tell the stories of 15 of the most spectacular movie megaflops of the past 50 years such as *Cleopatra* *The Cotton Club* and *Waterworld* He recounts in every gory detail how enormous hubris unbridled ambition artistic hauteur and bad business sense on the parts of Tinsel Town wheeler dealers and superstars such as Elizabeth Taylor Clint Eastwood and Francis Ford Coppola conspired to engender some of the worst films ever

The Year's Work in Showgirls Studies Melissa Hardie, Melissa Jane Hardie, Meaghan Morris, Kane Race, 2023-12-12 The Year's Work in Showgirls Studies is a fan culture volume that deconstructs how and why *Showgirls* a 1995 drama with a female lead bent on becoming a famous performer in Las Vegas became a much contested cult film despite being a critical failure when it released The collection orchestrates a conversation between scholarly essay work and archival documentation offering a magnificent representation of the array of responses generated by the film its makers its promoters and its audience A multifaceted approach to the film its popularity and its social relevance results in a new text for understanding normative social hierarchies of sexuality race and gender The Year's Work in Showgirls Studies engages with the figurative and actual place of sex work and feminized affective labor in our society

Paul Verhoeven Jordi Revert, 2016-05-19 En la historia del cine encontramos una larga lista de realizadores europeos que encontraron su xito en Hollywood Sin embargo pocos casos hay tan llamativos como el de Paul Verhoeven Desde sus primeras películas holandesas Verhoeven se mostró como un cineasta comprometido con violentar la mirada del espectador agredirla para hacerle consciente de la fragilidad de nuestra realidad Su salto al cine estadounidense lejos de suponer un adocenamiento confirmó su fuerte personalidad como director al tiempo que cosechaba enormes éxitos con títulos como *RoboCop* *Desafío total* o *Instinto básico* Películas nunca ajenas a la provocación y a un empeño por romper las reglas que acabar a costado caro Esta es la historia de un viaje de ida y vuelta de un autor salvaje e inconformista Un francotirador que dispara desde las entrañas mismas del blockbuster Un holandés errante recordándonos la importancia de cuestionar cualquier certeza
