Shows On A Shoestring An Easy Guide To Amateur Productions:

Shows on a Shoestring Nellie McCaslin, 1979 Considers a variety of shows and how to produce them and discusses such aspects of theatricals as props costumes make up publicity tickets and ushers **Children's Theater** Kelly Eggers, Walter Eggers, 2010-04-09 Although there are many children s theater companies located around the world more parents and educators need to know what a significant impact such venues can have on the lives of their participants For anyone interested in learning more about these creative outlets Children s Theater A Paradigm Primer and Resource serves several purposes First this book introduces readers to the world of children s theater by highlighting one specific model The Oyster River Players a small children s theater company in New Hampshire By exploring the history and dynamics of their own theater company authors Kelly and Walter Eggers apply broader implications expanding their focus to include children s theaters of other kinds and in different cultural settings Throughout the book the Eggers show how children s theater succeeds in helping young people learn in ways that would be otherwise inaccessible Through forays into philosophy and history as well as personal testimonies the authors present a coherent argument for the need for children s theaters in nearly every community This volume also lists more than 600 children s theater companies agencies and associations in the United States as well as 400 more worldwide Both accessible and practical Children s Theater is an essential tool for teachers directors parents mentors and anyone else involved or interested in children s theater and its implications for children s education **Biographical Dictionary of Modern American Educators** Shirley Ohles, Frederik Ohles, John Ramsay, 1997-10-28 Widely praised Greenwood s Biographical Dictionary of American Educators Greenwood 1978 quickly became a standard reference work for students and scholars of American education This new volume includes biographical sketches of more than 400 notable researchers leaders reformers critics and practitioners from all major fields of education and extends the coverage of its predecessor to the mid 20th century Its topical range encompasses such diverse areas as psychology music health measurement and evaluation science special education history and administration It treats education at all levels including early childhood elementary and secondary higher and adult Most of the educators profiled were active in the 20th century but several dozen have been included from the 19th century A special effort has been made to include women and educators of color whose contributions have often been overlooked in the past Each biographical sketch includes information on family background a description of the educator s accomplishments and a digest of the person s education and career professional and civic service major publications and principal honors Each profile ends with a list of references and the volume closes with appendices listing birth places states of major service fields of work a chronological listing of educators and a list of important dates in American education A comprehensive index concludes the volume Educators are included from all fifty states and were selected from numerous suggested candidates for inclusion Most of the educators profiled were active in the 20th century but several dozen have been included from the 19th century A special

effort has been made to include women and educators of color whose contributions have often been overlooked in the past

poetry story and theatre accompanied by workshop ideas for use in children s library programs *Directing Amateur*
Musical Theatre Dom O'Hanlon,2024-06-27 How do you choose a musical to direct that suits your amateur theatre group s
needs How do you run an open and fair audition process and cast a show appropriately How do you design a rehearsal
schedule to cover a large set of amateur performers How do you work with amateur actors to achieve a level of
professionalism in performance while maintaining the enjoyment *Directing Amateur Musical Theatre* offers answers to all of
these questions and many many more Demystifying the pre production process and auditions through to rehearsals and
opening night this book offers a roadmap for success for amateur directors everywhere Rooted in the wide ranging
experience of a working practitioner who specialises in directing amateur musical theatre across various different formats it
details ways to stage different types of musical numbers through to blocking and staging a scene as well as how to approach
a text and expanding the acting skills of a mixed ability cast Considering the opportunities offered by different musicals it
equips you to direct shows ranging from the golden age through to more contemporary works with imaginative sensitive and
informed direction Featuring practical advice and exercises that follow the life cycle of a production this book also includes
helpful charts diagrams templates and tools that break down the fundamental elements of directing a musical in a digestible
way that will appeal to first time as well as more experienced directors looking to hone and refine their craft This invaluable
handbook the first to be published in the post Covid landscape will be invaluable to anyone with an interest in directing
amateur musical theatre and would like to bring more to and gain more from the experience *Teaching Creative Behavior*
