*Rukmini and the Turning of Time* Dena Merriam, 2022-01-01 The main story of Rukmini and the Turning of Time takes place before during and after the Mahabharata War an event that marked the ending of one era and the beginning of another a time when spiritual knowledge was decreasing but material development increasing The story begins in the ancient city of Dwarka India and is told through the voice of a dancer of that time It is a story about Rukmini who is said to be the rebirth of Mata Sita both of whom are avatars of the great deity Narayani Although Rukmini is the consort of the much beloved Bhagavan Krishna her story has been lost in time but it is essential now to recall her as the energy and presence of the divine female incarnations is so critical for the healing and evolution of human society As with all of Dena Merriam's books this story explores the complex and wondrous workings of cause and effect the law of karma as it guides and shapes our lives But it is also a story of love one that transcends time and place and that persists from one incarnation to the next As we leave one form and take another through the laws of rebirth we bring with us our love the relationships that have left deep impressions and that have helped in our awakening This tale follows the dancer of Dwarka through a series of rebirths as she unknowingly carries with her the love and teachings of Rukmini who patiently and silently guides her evolution It is a story that applies to each one of us because we all participate in this great cosmic dance of love as the illusion of time keeps turning
