Shuddering Dawn Religious Studies The Nuclear Age A

Ronald G. Goetz

Shuddering Dawn Religious Studies The Nuclear Age A:

A Shuddering Dawn Ira Chernus, Edward Tabor Linenthal, 1989-01-01 Exploring the symbolic meanings of the Bomb this book excavates the depth dimension of the nuclear age Rather than adding to the many ethical commentaries asking whether or not there should be nuclear weapons the authors ask why there are nuclear weapons and a continuing arms race They also address the kinds of symbolic changes that must occur in order to reverse the build up of nuclear weapons The authors approach these questions from the perspective of academic research not from particular faith commitments asking the reader to envision different human responses to this technology human stances that can be illuminated by the creative insight of religious studies

A Shuddering Dawn Ira Chernus, Edward T. Linenthal, 1989-08-17 Exploring the symbolic meanings of the Bomb this book excavates the depth dimension of the nuclear age Rather than adding to the many ethical commentaries asking whether or not there should be nuclear weapons the authors ask why there are nuclear weapons and a continuing arms race They also address the kinds of symbolic changes that must occur in order to reverse the build up of nuclear weapons The authors approach these questions from the perspective of academic research not from particular faith commitments asking the reader to envision different human responses to this technology human stances that can be illuminated by the creative insight of religious studies

Nuclear Madness Ira Chernus, 1991-01-01 This book builds on Robert Jay Lifton's theory of psychic numbing and takes madness as a guiding metaphor It shows that public perceptions of the Bomb are a kaleidoscope of ever changing ideas and images Recent changes in public awareness only signal new symptoms of this public madness symptoms unwittingly fostered by the antinuclear movement Since the newest nuclear images follow the same psychological pattern as their predecessors they are likely to lead us deeper into nuclear madness Chernus offers new interpretations of four major theorists in the psychology of religion Paul Tillich R D Laing Mircea Eliade and James Hillman to trace the roots of nuclear madness back to the onset of modernity when the West gained technological mastery at the price of losing religious imagination and ontological security The author develops an interpretation of Lifton's own thought as an ontological and religious psychology Drawing on the work of Eliade and Hillman he goes on to suggest that madness reflects a repressed desire to transform life by opening up the floodgates of imagination A conscious cultivation of the play of imagination can lead the way through madness to sanity and peace But imagination can only respond to the nuclear threat if it is acted out in a new brand of peace activism that blends pragmatic politics with psychological and religious transformation

Living with the Bomb: American and Japanese Cultural Conflicts in the Nuclear Age Laura E. Hein, Mark Selden, 2015-02-18 The development and use of the atomic bombs at Hiroshima and Nagasaki number among the formative national experiences for both Japanese and Americans as well as for 20th century Japan US relations This volume explores the way in which the bomb has shaped the self image of both peoples

American Sacred Space David Chidester, Edward T. Linenthal, 1995-11-22 In a series of pioneering studies this book examines the creation and the

conflict behind the creation of sacred space in America The essays in this volume visit places in America where economic political and social forces clash over the sacred and the profane from wilderness areas in the American West to the Mall in Washington D C and they investigate visions of America as sacred space at home and abroad Here are the beginnings of a new American religious history told as the story of the contested spaces it has inhabited The contributors are David Chidester Matthew Glass Edward T Linenthal Colleen McDannell Robert S Michaelsen Rowland A Sherrill and Bron Taylor

Clear and Definite Words Ronald G. Goetz, 2010-01-01 Clear and Definite Words is a lucid exposure of the present confusion within theological discourse It charges and proves that avoiding or equivocating on the question of ontology is impossible It thus undermines the premise of much theological discourse today and lays the way for greater theological clarity and commitment This book goes head to head with great forcefulness and passion against anyone and anything that has served to impede the right of theology to speak with clear and definite words *Pilgrimage through a Burning World* Ken Butigan, 2012-02-01 For two decades the Nevada Desert Experience has organized nonviolent action at the Nevada Test Site as part of the global movement to end nuclear testing Pilgrimage through a Burning World illuminates how the Franciscan based group has crafted a contemporary desert spirituality that integrates religious ritual and political action to grapple with the challenges of an institutionalized and internalized nuclear world Ken Butigan shows how the annual pilgrimage to the test site has contributed to the personal transformation of people on both sides of the fence at the test site and to the worldwide emergence of the Comprehensive Test Ban Treaty

Orthodox Christianity and Gender Helena Kupari, Elina Vuola, 2019-10-17 The Orthodox Christian tradition has all too often been sidelined in conversations around contemporary religion Despite being distinct from Protestantism and Catholicism in both theology and practice it remains an underused setting for academic inquiry into current lived religious practice This collection therefore seeks to redress this imbalance by investigating modern manifestations of Orthodox Christianity through an explicitly gender sensitive gaze By addressing attitudes to gender in this context it fills major gaps in the literature on both religion and gender Starting with the traditional teachings and discourses around gender in the Orthodox Church the book moves on to demonstrate the diversity of responses to those narratives that can be found among Orthodox populations in Europe and North America Using case studies from several countries with both large and small Orthodox populations contributors use an interdisciplinary approach to address how gender and religion interact in contexts such as iconography conversion social activism and ecumenical relations among others From Greece and Russia to Finland and the USA this volume sheds new light on the myriad ways in which gender is manifested performed and engaged within contemporary Orthodoxy Furthermore it also demonstrates that employing the analytical lens of gender enables new insights into Orthodox Christianity as a lived tradition It will therefore be of great interest to scholars of both Religious Studies and Gender Studies **Freeze!** Henry Richard Maar III, 2022-01-15 In Freeze Henry Richard Maar III chronicles the rise of the transformative and transnational Nuclear

Weapons Freeze Campaign Amid an escalating Cold War that pitted the nuclear arsenal of the United States against that of the Soviet Union the grassroots peace movement emerged sweeping the nation and uniting people around the world The solution for the arms race that the Campaign proposed a bilateral freeze on the building testing and deployment of nuclear weapons on the part of two superpowers of the US and the USSR That simple but powerful proposition stirred popular sentiment and provoked protest in the streets and on screen from New York City to London to Berlin Movie stars and scholars bishops and reverends governors and congress members and ultimately US President Reagan and General Secretary Gorbachev took a stand for or against the Freeze proposal With the Reagan administration so openly discussing the prospect of winnable and survivable nuclear warfare like never before the Freeze movement forcefully translated decades of private fears into public action Drawing upon extensive archival research in recently declassified materials Maar illuminates how the Freeze campaign demonstrated the power and importance of grassroots peace activism in all levels of society The Freeze movement played an instrumental role in shaping public opinion and American politics helping establish the conditions that would bring the Cold War to an end

Modern Just War Theory Michael P. Farrell, 2013-06-20 Contributions to Illuminations A Scarecrow Press Series of Guides to Research in Religion provide students and scholars lay readers and clergy with a road map to research in key areas of religious study All commonly constructed with introductions to the topic and reviews of key thinkers concepts and events each volume includes surveys of the primary and secondary sources with critical evaluations of their places in the canon of thought and research on the topic Focusing primarily on the knowledge required by today's students and scholars each guide is a must have for any student of religion The twentieth century saw an explosion of wars and an accompanying explosion of literature on the morality of war Thinking among Christian clerics and scholars on the idea of just war shifted with developments on the battlefield Alternatives to just war theory such as pacifism and realism found new proponents in the published work of the neo Anabaptists and Niebhurians Meanwhile proponents of Christian just war theory had to address challenges from competing ideologies as well as those presented by the changing nature of warfare Modern Just War Theory A Guide to Research by scholar and librarian Michael Farrell serves as a manual for students and scholars studying Christian just war theory helping them navigate the wealth of just war literature produced in the twentieth and twenty first centuries Farrell's guide provides an introduction to the major developments of just war theory in the twentieth century including sections on how to research just war theory an overview of some of the most important theorists and developments of the twentieth century and discussions of key search terms and related topics Farrell then surveys and evaluates key primary and secondary sources for researchers on just war theory as well as related sources on Christian realism and the responses of just war theorists to proponents of pacifism and secular just war theories Modern Just War Theory will appeal to students and scholars of theology military history international law and Christian ethics

The Atomic West Bruce William Hevly, John M Findlay, 1998 The Manhattan Project transformed the entire country in

myriad ways but it did not affect each region in the same way Atomic West tells the story of how the U S government acting on an enduring perception of the American West as an empty place located a disproportionate number of nuclear facilities in the western states especially the ones most likely to spread pollution Maps *Monsters to Destroy* Ira Chernus,2015-12-03 This book takes an incisive look at the stories we are told and tell ourselves about evil forces and American responses Chernus pushes beyond political rhetoric and media cliches to examine psychological mechanisms that freeze our concepts of the world Norman Solomon author War Made Easy How Presidents and Pundits Keep Spinning Us to Death In his new book *Monsters to Destroy* The Neoconservative War on Terror and Sin Ira Chernus tackles the question of why U S foreign policy aimed at building national security has the paradoxical effect of making the country less safe and secure His answer The war on terror is based not on realistic appraisals of the causes of conflict but rather on stories that neoconservative policymakers tell about human nature and a world divided between absolute good and absolute evil The root of the stories is these policymakers terror of the social and cultural changes that swept through U S society in the 1960s George W Bush and the neoconservatives cast the agents of change not simply as political opponents but as enemies or sinners acting with evil intent to destroy U S values and morals that is as monsters rather than human beings The war on terror transfers that plot from a domestic to a foreign stage making it more appealing even to those who reject the neoconservative agenda at home Because it does not deal with the real causes of global conflict it harms rather than helps the goal of greater national security

History Wars Edward T. Linenthal,Tom Engelhardt,1996-08-15 From the taming of the West to the dropping of the atomic bomb on Hiroshima the portrayal of the past has become a battleground at the heart of American politics What kind of history Americans should read see or fund is no longer merely a matter of professional interest to teachers historians and museum curators Everywhere now history is increasingly being held hostage but to what end and why In *History Wars* eight prominent historians consider the angry swirl of emotions that now surrounds public memory Included are trenchant essays by Paul Boyer John W Dower Tom Engelhardt Richard H Kohn Edward Linenthal Micahel S Sherry Marilyn B Young and Mike Wallace **Nuclear Madness** Ira Chernus,1991-02-12 This book builds on Robert Jay Lifton s theory of psychic numbing and takes madness as a guiding metaphor It shows that public perceptions of the Bomb are a kaleidoscope of ever changing ideas and images Recent changes in public awareness only signal new symptoms of this public madness symptoms unwittingly fostered by the antinuclear movement Since the newest nuclear images follow the same psychological pattern as their predecessors they are likely to lead us deeper into nuclear madness Chernus offers new interpretations of four major theorists into the psychology of religion Paul Tillich R D Laing Mircea Eliade and James Hillman to trace the roots of nuclear madness back to the onset of modernity when the West gained technological mastery at the price of losing religious imagination and ontological security The author develops an interpretation of Lifton s own thought as an ontological and religious psychology Drawing on the work of Eliade and Hillman he goes on to suggest that madness reflects a repressed

desire to transform life by opening up the floodgates of imagination A conscious cultivation of the play of imagination can lead the way through madness to sanity and peace But imagination can only respond to the nuclear threat if it is acted out in a new brand of peace activism that blends pragmatic politics with psychological and religious transformation *In the Shadow of War* Michael S. Sherry, 1995-01-01 Prize winning historian Michael S Sherry shows how war has defined modern America and argues that militarization has reshaped every facet of American life its politics economics culture social relations and place in the world 17 illustrations Gossips, Gorgons and Crones Jane Caputi, 1993-10 Gossips Gorgons Crones is the first comprehensive analysis of nuclear age culture and the accompanying return of female Powers Based in feminist pre patriarchal and Native American philosophies this book provides a biting critique of patriarchal practices myths and values including family values *The Columbia Guide to Religion in American History* Paul Harvey, Edward Blum, 2012-02-14 Introduction major themes in American religious history Paul Harvey and Edward J Blum Colonial encounters Linford D Fisher Native American religions Suzanne Crawford O'Brien Civil religion and national identity Andrew M Manis Theology Mark Noll Evangelicals in American history Douglas A Sweeney Religion and politics Jason C Bivins Religion and the law in American history Frank S Ravitch Religion war and peace Ira R Chernus Religion gender and sexuality Anthony Michael Petro Religion race and African American life Edward J Blum Religion ethnicity and the immigrant experience Roberto R Trevi o Asian American religions Timothy Tseng Alternative religious movements in American history Stephen J Stein Religion and the environment Lynn Ross Bryant Religion and popular culture Philip Goff Religious conservatism and fundamentalism Margaret Bendroth Catholicism in America Leslie Woodcock Tentler American Judaism Alan T Levenson The Church of Jesus Christ of Latter day Saints Mormons D Michael Quinn Islam in America Jane Smith

Ideas of Social Order in the Ancient World Vilho Harle, 1998-03-25 Harle focuses on the perennial issue of social order by providing a comparative analysis of ideas on social order in the classical Chinese political philosophy the Indian epic and political literature Zoroastrianism Judaism the classical Greek and Roman political thought and early Christianity His analysis is based on the religious political and literary texts that represent their respective civilizations as both their major achievements and sources of shared values Harle maintains that two major approaches to establishing and maintaining social order exist in all levels and types of social relations moral principles and political power According to the principle oriented approaches social order will prevail if and when people follow strict moral principles According to the contending power oriented approach orderly relations can only be based on the application of power by the ruler over the ruled The principle oriented approaches introduce a comprehensive civil society of individuals the power oriented approaches give major roles to the city state its government and relationships between them The question of morality can be recognized also within the power oriented approaches which either submit politics to morality or maintain that politics must be taken as nothing else than politics This book is a contribution to peace and international studies as well as political theory and international

relations *Guru English* Srinivas Aravamudan, 2011-06-27 *Guru English* is a bold reconceptualization of the scope and meaning of cosmopolitanism examining the language of South Asian religiosity as it has flourished both inside and outside of its original context for the past two hundred years. The book surveys a specific set of religious vocabularies from South Asia that Aravamudan argues launches a different kind of cosmopolitanism into global use. Using *Guru English* as a tagline for the globalizing idiom that has grown up around these religions, Aravamudan traces the diffusion and transformation of South Asian religious discourses as they shuttled between East and West through English language use. The book demonstrates that cosmopolitanism is not just a secular Western discourse that results from a disenchantment with religion but something that can also be refashioned from South Asian religion when these materials are put into dialogue with contemporary social movements and literary texts. Aravamudan looks at religious forms of neoclassicism, nationalism, Romanticism, postmodernism, and nuclear millenarianism, bringing together figures such as Swami Vivekananda, Sri Aurobindo, Mahatma Gandhi, and Deepak Chopra with Rudyard Kipling, James Joyce, Robert Oppenheimer, and Salman Rushdie. *Guru English* analyzes writers and gurus, literary texts and religious movements, and the political uses of religion alongside the literary expressions of religious teachers, showing the cosmopolitan interconnections between the Indian subcontinent, the British Empire, and the American New Age.

The Spirit of the Sixties James J. Farrell, 2013-10-18 *The Spirit of the Sixties* explains how and why the personal became political when Sixties activists confronted the institutions of American postwar culture. *The Spirit of the Sixties* uses political personalism to explain how and why the personal became political when Sixties activists confronted the institutions of American postwar culture. After establishing its origins in the Catholic Worker movement, the Beat generation, the civil rights movement, and the Ban the Bomb protests, James Farrell demonstrates the impact of personalism on Sixties radicalism. Students, antiwar activists, and counterculturalists all used personalist perspectives in the here and now revolution of the decade. These perspectives also persisted in American politics after the Sixties. Exploring the Sixties not just as history but as current affairs, Farrell revisits the perennial questions of human purpose and cultural practice contested in the decade.

Embracing the Track of Term: An Emotional Symphony within **Shuddering Dawn Religious Studies The Nuclear Age A**

In a world consumed by monitors and the ceaseless chatter of quick communication, the melodic splendor and psychological symphony created by the published term usually disappear into the back ground, eclipsed by the constant sound and distractions that permeate our lives. However, nestled within the pages of **Shuddering Dawn Religious Studies The Nuclear Age A** an enchanting fictional value filled with raw feelings, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, that charming masterpiece conducts viewers on a psychological trip, well unraveling the hidden songs and profound influence resonating within each cautiously crafted phrase. Within the depths of this moving review, we can examine the book is key harmonies, analyze their enthralling writing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Shuddering Dawn Religious Studies The Nuclear Age A Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Shuddering Dawn Religious Studies The Nuclear Age A PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing

individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Shuddering Dawn Religious Studies The Nuclear Age A PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Shuddering Dawn Religious Studies The Nuclear Age A free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Shuddering Dawn Religious Studies The Nuclear Age A Books

1. Where can I buy Shuddering Dawn Religious Studies The Nuclear Age A books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
