Parents Does your teen withdraw to his or her room at every opportunity Does she talk with you about her friends Does he participate in discussions at meals Does your teen want you to see projects from school When is the last time you actually went into your teen's room and looked at what's hanging on the walls and sitting on the shelves Teens Do your parents hide behind the newspaper Do they always have to work when you've got a game a recital or an open house at school Is there anything you do together anymore When was the last time they took a walk a bike ride or even a trip to get ice cream with you When did that sudden gap divide your home into territories staked and claimed with music blasting through the halls and fists banging on doors to turn down the stereo TV video game Teens when did you start seeing your parents as your enemies instead of your heroes And parents when did you start seeing your teens as crazy little demons instead of your loving children Finally there is a solution for both sides and one that will not only bridge that gap but show parents and teens alike how to prevent it Jay McGraw is the ideal person to write a book for both parents and teens A bestselling author by the age of twenty one and son of number one New York Times bestseller Phillip C McGraw Ph D known to millions worldwide as Dr Phil Jay has seen the parent teen battle from all angles In this groundbreaking work he introduces a new plan for both teens and their parents to work through the issues that divide them and in the process rediscover the love that initially defined their relationship Jay works from both sides sharing the perspectives of parent and teen as the former struggles for control the latter for independence He explains to parents how their teenagers wish to be treated cared for and even disciplined and he shows teens how gaining power can come only from earning respect In this entertaining informative and life changing book Jay gives instructions to both sides of the familial gap on Dos and Don'ts for Parents and Teens Parent and Teen Myths Discovering Your Needs Tuning In to the Needs of Others Ten Ways to Bridge the Gap and Reconnect In finding a common ground and even more important a common respect for each other parents and teens can break down the walls unlock the doors and welcome each other back into one another's lives again *Parenting in a Digital World* Catherine Page Jeffery, 2025-03-17 This book focuses on the challenges of parenting in the digital age providing a counter narrative to and critique of risk and cyber safety narratives as well as some suggestions for a way forward Drawing on qualitative research with Australian families this book explores the knowledges practices anxieties and lived experiences of families themselves It
