Devotion and Defiance: My Journey in Love, Faith and Politics Humaira Awais Shahid,2014-03-03 An inspiring personal story by the most prominent Muslim woman activist and legislator for women s rights in Pakistan In the

fall of 2001 a newlywed English professor took on a job editing the women's section of one of Pakistan's leading Urdu newspapers. She soon transformed pages of celebrity gossip and fashion advice into a vehicle for the investigation of the true lives of Pakistani women. News of acid attacks on hapless women, the trading of girls as currency in tribal disputes and other abuses transformed this young mother into a fiery advocate for women's rights, one guided by Islamic ethics and ideals of social justice as she taught rural leaders to distinguish between religion and tribal custom. Her commitment to her countrywomen led her to a seat in the Provincial Assembly of the Punjab where she fought to protect women, girls and the poor. Humaira Awais Shahid's extraordinarily warm and passionate voice provides remarkable insight into how Islamic values and ethics might yet be a vehicle for progressive change in the developing world. **Seducing Mr. Heywood** Jo

As Barbara Creed notes in a recent interview, the patriarchal stereotype of horror that she named the monstrous feminine has decades later embarked on a life of her own. Focused on this altered and renewed form of female monstrosity, this study engages with an international array of recent and contemporary screen entertainments, from arthouse and indie horror films by emergent female auteurs to the franchised products of multimedia conglomerates, to quality television horror to the social media-based creations of horror fans working as producers. In this way, the monograph, in its organisation and scope, maps the converged and rapidly changing environment of 21st-century screen cultures in order to situate the monstrous female anti-hero as one of its
