Information Retrieval & Library Automation ,1993 **The American Hereford Record, and Hereford Herd Book** ,1907 **Sibyl's Song** Arlene Sager Freeseemann,2014-08-15 Almost 100 years old Joyce said to me You are so cute Me cute I was never called cute when I was a little girl and now that I am almost 100 years old I am cute This really gives me a chuckle I am sitting at my daughter s home in my own recliner that was brought from my house They took me kicking and screaming from my home not literally but inside Someone took my most prized possession my sewing machine which even if it is a treadle sewing machine it has brought me much joy I sewed many of my dresses on it and when I started making cloth dolls it served me well I made over 100 cloth dolls and for each doll I made dresses bonnets booties and bloomers I gave them to anyone who wanted to have a cuddly doll to hold I taught the little girls next door how to sew doll clothes a skill they can take into adulthood I hope I have written my childhood memories many times I still like to go back in time in my mind I can t get around as fast as I used to even if I walk often for exercise I can still read and pray and think of the dear friends I left behind that met in my home most Sundays for fellowship I always brought my sweet rolls to the potlucks we shared We had good visits and laughter I love remembering the ministers who I had in my home through the years What a privilege it was The spirit they showed by their life encouraged me in my faith I have had a good long life The sad times I can t forget and it makes me almost cry I will never forget when my baby died waking up and finding her cold Or the terrible time my son got run over and died There was much horror and sorrow when my daughter and her family were burned in a plane crash I lost my three grandchildren and dear Ginna was burned so badly It has been 30 years since my husband died suddenly Ruth lived with me for eight years but her heart gave out and she died LeRoy s body could no longer work because of the ravages of myotonic muscular dystrophy and he is gone Only three of my children left I can t face losing another one I still remember what my Grandpa told me He said whenever you are sad or have the blues just get busy and do nice things for others It will take your thoughts off of yourself I read books that take me to the places that I can only travel to in my mind Once while staying with my granddaughter I was so engrossed in a book and right when it got to a scary part she gave out a big sneeze and it made me jump **CD-ROMs in Print** ,1997 *American Hereford Record and Hereford Herd Book* American Hereford Cattle Breeders' Association,1916 *Augustine and Politics as Longing in the World* John von Heyking,2001 Saint Augustine s political thought has usually been interpreted by modern readers as suggesting that politics is based on sin In *Augustine and Politics as Longing in the World* John von Heyking shows that Augustine actually considered political life a substantive good that fulfills a human longing for a kind of wholeness Rather than showing Augustine as supporting the Christian church s domination of politics von Heyking argues that he held a subtler view of the relationship between religion and politics one that preserves the independence of political life And while many see his politics as based on a natural law ethic or on one in which authority is conferred by direct revelation von Heyking shows how Augustine held to an

understanding of political ethics that emphasizes practical wisdom and judgment in a mode that resembles Aristotle rather than Machiavelli **Comfort** ,1917 **The Sibyl and Her Scribes** Anke Holdenried,2017-05-15 The Sibylla Tiburtina is a Latin prophecy attributed to a prophetess from classical antiquity It concludes with an account of the End of History involving the coming of the Antichrist and his battle with a Last World Emperor Approximately 100 manuscripts written between the mid 11th and the 16th centuries survive which testify to the Tiburtina s immense popularity in the medieval West as such the Tiburtina is a key text for understanding medieval apocalypticism and occupies an important place in the intellectual history of the Middle Ages However studies of the manuscripts and the history of the text have been largely neglected in comparison with other similar works so little is currently known about who copied and read the prophecy Dr Holdenried s research fills this gap This study is based on an examination of all surviving manuscripts and includes an analysis of the textual material which accompanies the Tiburtina a survey of titles and annotations as well as research on variant texts including several hitherto unknown Modern historiography regards the Tiburtina solely as a vehicle for expressing contemporary political concerns triggered by crises thought to herald the End of the World This book provides a much more varied picture and offers a new approach to the Tiburtina by placing it for the first time in the context of medieval traditions which saw Sibylline prophecy as independent non Christian evidence of Christ s life and as confirmation of His divinity As is shown these traditions had a major impact on the reception of the Tiburtina The book concludes with a repertory of the manuscripts together with brief outlines of individual textual traditions as represented in groups of manuscripts which will constitute a valuable reference source for other scholars Put Your Dreams Away Luiz Carlo Nascimento Silva,2000-03-30 Focusing on Sinatra s presence in the recording studio this discography catalogues Frank Sinatra s commercial records V Discs and soundtrack film recordings The first chapter covers Sinatra s early years as a vocalist with the big bands of Harry James and Tommy Dorsey Entries then proceed chronologically with separate chapters for each decade Data was collected from session reports in the files of record companies and from some union contracts Commercial record and film soundtrack entries include band personnel and composer credits Frank Sinatra fans music historians and discographers will appreciate this comprehensive catalogue of session recordings in which Sinatra either sang or conducted The sessions span Sinatra s entire career from his early days through the nineties Two indexes of song titles and of artists complete the book *The Swiss Record* Brown Swiss Cattle Breeders' Association,Brown Swiss Cattle Breeders' Association of the United States, Inc,1915 *The Asatir* Moses Gaster,1927 Lacybourne Manor Kristen Ashley,2011-08-06 In 1522 the very night they were wed Royce Morgan and his new bride Beatrice Godwin were murdered on their way home to Lacybourne Manor After the cruel deed was done a local witch came across their bodies witnessing firsthand the tragedy of star crossed lovers Vowing that Royce and Beatrice would someday uncross those stars using magic mixed with murder as well as true love she linked their spirits together with hers because someone had to protect them

forever or until their reincarnated souls find happily ever after Now arrogant forbidding Colin Morgan lives at Lacybourne knowing from lore as well as the portraits of Royce and Beatrice that hang in Lacybourne s hall and the small fact that he looks exactly like Royce Morgan that he is the reincarnated soul of his ancestor One stormy night flighty free spirited scarily kind hearted Sibyl Godwin comes to Lacybourne and it doesn t escape Colin s notice that Sibyl is the spitting image of Beatrice However murder magic a warrior s heart beating in a modern man s chest a woman bent on doing good deeds even if they get her into loads of trouble a good witch whose family has vowed throughout the centuries to protect true love distrust and revenge make a volatile cocktail This means the path to happily ever after is paved with tranquiliser darts pensioners on a rampage Sibyl s bad morning moods heartbreaking misunderstandings and all kinds of magic good and bad

Fifty Years at the Sibyl's Heels Nicholas Horsfall,2020-10-13 Nicholas Horsfall was one of the most recognizable and influential Latinists of his generation His main legacy is his work on Virgil and the five erudite commentaries on the Aeneid but he was also a prolific writer of papers both Virgilian and non Virgilian A number of Horsfall s papers including the important Camilla are translated in this volume for the first time Stretching from 1971 to 2015 the papers are drawn from his entire output demonstrating his unparalleled ability to connect Roman poetry with history antiquarianism and Realien While showcasing his unique analysis of Virgil it also highlights Horsfall s work as both a Latinist and a Romanist illuminating the coherence in his approach This volume includes many Virgilian papers that have become classics on Aeneas the colonist and on the Aeneas legend for example This does not detract from the value of the non Virgilian papers many of which on the collegium poetarum and on discussions of reading and libraries at Rome for example have become standard treatments of their subjects Throughout all these works there is an astonishing degree of connection with glimpses in many papers of his other research interests Nicholas Horsfall needs to be approached through his short papers typically fresh innovative and stimulating and he has been so productive that nobody can claim to have had a full view of his scholarship When it comes to placing a literary text in the frames offered by material culture documents landscapes history and by religious legal military and antiquarian studies he was unrivalled Professor Alessandro Barchiesi Professor of Classics New York University
