**Christian Polytheism?** Paul Hedges, 2024-09-01 This book is a theological and political exploration of how Christianity may be

compatible with polytheism arguing that there is no singular orthodoxy rather we see polydoxy Conceptually deconstructing the distinction between monotheism and polytheism it advances multi devotionism and mono devotionism as analytically preferable terminology It starts by exploring notions of polytheism in the Old er Testament New er Testament and Christian developments of the Trinity over subsequent centuries before placing Christianity in comparative dialogue with Islam Judaism and Hinduism Employing a decolonial and feminist stance the book proceeds to examine global Christianities focusing on African and Asian theologies as well as Goddess traditions It concludes by offering five options for developing a theology of Christian polytheism Henotheist originalism theologies of plurality generous orthodoxy atheistic Christian polytheism and a theology of polytheistic excess This original and compelling volume is essential reading for scholars of

Christian Systematic Theology and Modern Theology

**Traditions in Transmission** Michael W. Zellmann-Rohrer, Edward

O. D. Love, 2022-02-21 This book is a re edition and detailed study of a parchment codex from Egypt of the fourth century CE with Greek and Coptic recipes for healing through magic and pharmacology Ann Arbor University of Michigan Library Ms 136 A text and annotated translation were published in a brief journal article by William H Worrell in 1935 but the codex has been understudied since then This new edition offers advances in readings and interpretation a thorough philological commentary and accompanying studies on the ritual and medical traditions to which the codex belongs and its position in the linguistic landscape of Egypt The recipes comprise magical rituals for healing and broader personal advancement pharmacological and related medical recipes and advice for the management of a household Traditional Egyptian religion and ritual are illustrated in interaction with medical practices of Hellenic culture more recently introduced to Egypt and the archaic even poetic language of some of the Coptic invocations featuring the Egyptian gods Amun and Thoth share pages

with an incantation constructed from the verses of Homer      **Between Scylla and Charybdis** Shlomo Simonsohn, 2011-04-11 The history of the Jews in Sicily covers a period of over a thousand years from Antiquity to the Expulsion based on some 40 000 archival records most of them hitherto unpublished It illustrates the political legal economic social and religious vicissitudes of the Jewish minority and its relations with the surrounding majority of Romans Moslems and Christians While the antecedents of the Jewish presence on the island are shrouded in mystery more and more historical records surface with the passage of time      **The World's Eye** Albert M. Potts, 2021-10-21 Greek vases and Peruvian bottles Chinese bronzes and African masks Tel Brak idols and Egyptian tomb paintings artifacts ancient and modern reveal man's universal fascination with the eye and his awe before its mysterious powers In this wide ranging and richly illustrated essay Albert M Potts considers the special properties the human mind has ascribed to the eye over the millenia and seeks out its peculiar significance as symbol Amulets against the Evil Eye persist today in nearly every part of the world Almost as pervasive is the conception of the Good Eye itself used as a protective amulet The Eye of Horus for example was one of the holiest symbols of the ancient Egyptian religion and its descendants can still be found in the Mediterranean basin Using artifacts and texts the folklore of our own times and aspects of the unconscious revealed by Jungian psychology Potts reveals the diverse forms and meanings of this powerful symbol      Performative Adjuration Formula in Greek and Latin Inscriptions Juraj Franek, Daniela Urbanová, Ulrike Ehlig, 2025-03-31 The edited volume presents the first comprehensive corpus of performative adjuration formulae collated from Greek and Latin epigraphical sources The original texts for the most part artefacts connected with magico religious beliefs and practices of their users are all translated into English and accompanied by a philological and socio religious commentary The international team of three specialists adopts a synoptic approach that tracks various classes of epigraphic documents to analyse permutations and developments in the syntactic structure of the adjuration formula and its pragmatic function This major study of the adjuration formula in Antiquity and its continued tradition in the Middle Ages will be of interest not only to the scholars of these linguistic traditions but also to researchers working in the fields of Religious Studies Ancient History Theology and Archaeology      **Encyclopaedia of Religion and Ethics** James Hastings, John Alexander Selbie, Louis Herbert Gray, 1912      **Beware the Evil Eye Volume 2** John H. Elliott, 2016-01-22 In the present volume Elliott addresses the most extensive sources of Evil Eye belief in antiquity the cultures of Greece and Rome In this period features of the belief found in Mesopotamian and Egyptian sources are expanded to the point where an Evil Eye belief complex becomes apparent This complex of features associated with the Evil Eye human eye as key organ of information eye as active not passive eye as channel of emotion and dispositions especially envy arising in the heart possessors victims defensive strategies and amulets is essential to an understanding of the literary references to the Evil Eye This volume along with chapter 2 of volume 1 sets and illuminates the context for examining Evil Eye belief and practice in the Bible and the biblical communities the focus of volume 3      *Alone of All Her Sex* Marina Warner, 2013-03-21
