She is a young headstrong selfish little girl but after being held and healed by Jesus her outlook begins to change However life is not smooth and she and her slave girl Merriam are captured by outlaws and separated from her parents for many years During this time other characters are introduced among others the tribe with which they lived two other little children captured and taken to Rome as slaves the boy sent to a farm to work and the girl to serve as a slave in the House of Vestals a young Roman soldier Marius whose father commands the troops in Jerusalem Pontius Pilate and Claudia Procula Caligula and Claudius emperors of Rome and others who enter and influence the life of Flavia The story begins in Judea moves to Rome and I cannot tell you where it ends as that might spoil the story

Healing the sick Dr. Olusola

Coker,2018-06-07 It is unfortunate that most churches or even individuals who have the power to heal any sickness on their own are ignorant of the power they possess to heal any sickness God can heal the sick through you but there are certain rules and principles you have to follow before it can manifest The purpose of this book is to expose you to the world of healing using the power of God It is time to wake up and heal the sick Anointing of the Sick and the Healing Ministry Austin Echema,2006 Through its practice of healing down the ages the Church has been able to inculturate the Christian message but not without the risks of the manipulation of the divine power which have gone with these practices Throughout its long history anointing of the sick has almost constantly oscillated between physical and spiritual effects This book critically examines the manifold practices of healing which flourish today in our midst especially in Nigeria It emphasizes the teaching of the Church on healing and the healing power of the sacraments and proposes the inculturation of the ritual of anointing the sick that will be truly Christian and authentically African Austin Echema is a priest of the Catholic Archdiocese of Owerri Nigeria He studied philosophy and theology in Bigard Memorial Seminary Ikot Ekpene now St Joseph s and Enugu respectively and obtained his doctorate in theology from the Hochschule Sankt Georgen Frankfurt Main Germany He teaches liturgy at the Catholic Institute of West Africa Port Harcourt Nigeria and is a visiting lecturer at the Seat of Wisdom Major Seminary Owerri Nigeria *Divine Healing* S. Edwards,2020-08-26 God is said in Scripture to send what he can but doth not hinder from being sent Edward Bird 1726 God has been taking the blame for sickness and disease for centuries We have been told that He sends sickness as an aid to

spiritual growth and piety or as a punishment for sin. Vast amounts of Scripture have been cited to support this claim. This idea has contributed to the lack of faith prevalent in the church today for healing and deliverance. After all, if God gave a person sickness, then His willingness to heal is questionable. Faith can only be present where the will of God is known. However, if sickness is seen as an enemy of God, then faith in God's willingness to heal is more likely to rise. Numerous apologetic books have been written in support of divine healing, but most have not dealt completely with the many Biblical passages that appear to make God the direct cause of sickness. This book is different in that it will look at these difficult Bible passages in light of the permissive idiom of the ancient Hebrew language in which God is often said to do the things that He merely allowed or permitted to happen. Those passages in both the Old and New Testaments that make God appear to be a cold and cruel dispenser of sickness and disease will be seen in a new light. You will see God's loving character vindicated. Your Bible will be a fresh source of blessing, and your faith in God for health and healing will soar.

Heal Me, Oh Lord

Babatunde Taiwo, 2018-09-10. This book is for every sick person in the world. Use this book to know the causes of your sickness and learn how to get out of it. Many sicknesses that afflict you are not ordinary. How can you know that is not an ordinary one? It is when you discover that the same sickness or disease that your father or your mother battle with is the same sickness you are fighting now. You need this book to wage war against them. If the sickness that is troubling you is the same sickness that killed your father or your mother or your grandfather or mother, you need to pray it could be inherited sickness or disease. This book is full of Bible scripture that fights sicknesses and diseases. This book will help you to get the right scripture for the sickness you are passing through now. Remember the Bible says He sent forth His word and the word healed them. Jer 17:14. Heal me O Lord and I shall be healed. Save me and I shall be saved for You are my praise.

Prophetic Declarations for Healing Arvind Ephraim, 2020-10-14. Good health is a great blessing. Health is like wealth. We may be blessed with many precious things in this world, but if you don't have good health, then you cannot enjoy them. God understands that our health plays a key role in the achievement of our spiritual goals. This workbook will help you to understand the causes of sickness and diseases and how to declare the healing of God over your lives. No one wants to be sick or diseased. Similarly, God doesn't want His children to be sick. The prophetic voices in Hosea, Isaiah, and Jeremiah emphasized the healing aspects inherent in turning back to God. Ezekiel and Zechariah described God as caretaker of the sick, the weak, and the lost, while rebuking Israel for not aiding God with such efforts on behalf of the needy. Elijah, Elisha, and Isaiah invoked God's healing powers through signs, fasting, prayer, and various healing remedies. In my twenty years of ministry, I have seen people being healed by the power of God from all types of sicknesses. There is nothing impossible to God because there is power in the name of Jesus. We all have access to the healing in Jesus' name; the only qualification we need is to believe. I pray to Father in Heaven to use this book to heal many who declare the prayers in this book. In Jesus' name. Amen.
