Siddhartha-An Indian Tale Hermann Hesse, 2002-04-22 In the shade of a banyan tree a grizzled ferryman sits listening to the river Some say he's a sage He was once a wandering shramana and briefly like thousands of others he followed Gotama the Buddha enraptured by his sermons But this man Siddhartha was not a follower of any but his own soul Born the son of a Brahmin Siddhartha was blessed in appearance intelligence and charisma In order to find meaning in life he discarded his promising future for the life of a wandering ascetic Still true happiness evaded him Then a life of pleasure and titillation merely eroded away his spiritual gains until he was just like all the other child people dragged around by his desires Like Hermann Hesse's other creations of struggling young men Siddhartha has a good dose of European angst and stubborn individualism His final epiphany challenges both the Buddhist and the Hindu ideals of enlightenment Neither a practitioner nor a devotee neither meditating nor reciting Siddhartha comes to blend in with the world resonating with the rhythms of

nature bending the reader's ear down to hear answers from the river
