The Tenacity of Unreasonable Beliefs Solomon Schimmel, 2008-08-15 The Tenacity of Unreasonable Beliefs is a passionate yet analytical critique of Jewish, Christian and Muslim scriptural fundamentalists. Schimmel examines the ways in which otherwise intelligent and bright Jews, Christians and Muslims defend their belief in the divine authorship of the Bible or of the Koran and other religious beliefs derived from those claims against overwhelming evidence and argument to the contrary from science scholarship common sense and rational analysis. He also examines the motives, fears and anxieties of scriptural fundamentalists that induce them to cling so tenaciously to their unreasonable beliefs. Schimmel begins with reflections on his own journey from commitment to Orthodox Judaism through doubts about its theological dogmas and doctrines to eventual denial of their truth. He follows this with an examination of theological and philosophical debates about the proper relationships between faith, reason and revelation. Schimmel then devotes separate chapters to Jewish, Christian and Muslim scriptural fundamentalism, noting their similarities and differences. He analyzes in depth the psychological and social reasons why people acquire, maintain and protect unreasonable religious beliefs and how they do so. Schimmel also discusses unethical and immoral consequences of scriptural fundamentalism such as gender inequality, homophobia, lack of intellectual honesty, self-righteousness, intolerance, propagation of falsehood and, in some instances, the advocacy of violence and terrorism. He concludes with a discussion of why, when and where it is appropriate to critique, challenge and combat scriptural fundamentalists. The Tenacity of Unreasonable Beliefs is thoughtful and provocative, written to encourage self-reflection and self-criticism and to stimulate and to enlighten all who are interested in the psychology of religion and in religious fundamentalism.

W. Winters,2024-11-07 How many different views of the end time Bible passages have you heard Are the gospel accounts about the end times only talking about Jesus s second coming or do they include information on the rapture What exactly happens when the rapture takes place What happens to Fido my cat in the rapture event What kind of body does my dad in heaven have right now if he doesn t get one until the rapture Just how many resurrections are there How can I know I ll be going up in the rapture to be with Jesus And then there s the Ezekiel 38 and 39 war the Gog Magog war How many different views have you sat through for that one How many times has someone said there has to be a gap between the rapture and start of the tribulation for God to account for the Psalms 83 and the Gog Magog wars And what about Psalms 83 is it a war or a prayer Are you tired of the unanswered questions or being told we can never know for sure Then stop and read this book Allow the words to with prayer through the power of the Holy Spirit walk you through the Scriptures to provide real answers to all the different prophetic teachings You don t have to be confounded about these end time questions anymore I hope you re as blessed by God reading this book as much as I was by writing it See you in the clouds soon

Canadian Jewish Reference Book and Directory, 1965 [i.e.

1963] Eli Gottesman,1963 *Cursing the Christians?* Ruth Langer,2012-01-12 Ruth Langer offers an in depth study of the birkat haminim a Jewish prayer for the removal of those categories of human being who prevent the messianic redemption and the society envisioned for it In its earliest form the prayer cursed Christians apostates to Christianity sectarians and enemies of Israel Drawing on the shifting liturgical texts polemics and apologetics concerning the prayer Langer traces the transformation of the birkat haminim from what functioned without question in the medieval world as a Jewish curse of Christians through its early modern censorship by Christians to its modern transformation within the Jewish world into a

general petition that God remove evil from the world Christian censorship played a crucial role in this transformation of the prayer however Langer argues that the truest transformation in meaning resulted from Jewish integration into Western culture Eventually the prayer shed its references to any specific category of human being and lost its function as a curse Reconciliation between Jews and Christians today requires both communities to confront a long history of prejudice Ruth Langer shows through the birkat haminim how the history of one liturgical text chronicled Jewish thinking about Christians over hundreds of years
