Siege Of Earth:

Siege of Earth John M. Faucette, 1971 *The Siege of Earth* Kyle West, 2022-12-16 Time is running out for humanity to resist the dreaded Alkasen. The Worlds burn as tens of thousands of Swarmer vessels pour in from Dark Space. On the moon of Psyche Lucian Abrantes the Chosen of the Manifold must start from humble beginnings growing his single world into an empire. He must unite disparate factions all of which don't recognize his legitimacy. It's an impossible task. But Lucian must rise to the occasion focusing everything on gathering a fleet capable of challenging the Alkasen advance. The question of humanity's survival will be decided above the skies of Earth itself. Now the Xaros return to deliver the final blow to Earth and her defenders. A moon carrying an armada of Xaros drones unleashes its deadly cargo on the solar system. Fortress Mars stands between the enemy and an ill-defended Earth. While the battle rages over the red planet, the Breitenfeld must launch a desperate mission to Pluto to cut off enemy reinforcements. Earth stands on the brink of ruin and humanity needs every hero it can find to turn back the tide of destruction. The Ember War enters its final stages in *THE SIEGE OF EARTH*. *The Battle for Middle-earth* Fleming Rutledge, 2004-11-04 J.R.R. Tolkien's Lord of the Rings has long been acknowledged as the gold standard for fantasy fiction, and the recent Oscar-winning movie trilogy has brought forth a whole new generation of fans. Many Tolkien enthusiasts, however, are not aware of the profoundly religious dimension of the great Ring saga. In *The Battle for Middle-earth* Fleming Rutledge employs a distinctive technique to uncover the theological currents that lie just under the surface of Tolkien's epic tale. Rutledge believes that the best way to understand this powerful deep narrative is to examine the story as it unfolds, preserving some of its original dramatic tension. This deep narrative has not previously been sufficiently analyzed or celebrated. Writing as an enthusiastic but careful reader, Rutledge draws on Tolkien's extensive correspondence to show how biblical and liturgical motifs shape the action. At the heart of the plot lies a rare glimpse of what human freedom really means within the Divine Plan of God. *The Battle for Middle-earth* surely will, as Rutledge hopes, give pleasure to those who may already have detected the presence of the sub-narrative and insight to those who may have missed it on first reading.
