The Greatest Gamblers Ruth Sheldon Knowles, 1980-03-01

Oil writes Ruth Sheldon Knowles is the most hazardous expensive heartbreaking gambling game in the world And as this book dramatically proves the men who have been the gamblers of the American oil business have been some of the most colorful and fantastic personalities in our history

The Greatest Gamblers is the story of our remarkable oilmen and the vast industry they have created from its simple beginnings in 1859 at Titusville Pennsylvania to the big business oil operations of today Here are the wildcatters the prospectors the scientists the hunch players Mrs Knowles points out that independent oilmen have discovered more than three fourths of America s oil fields Here you will meet unlucky Dad Joiner whose fortunes changed only in his seventies when a worthless ten acre tract of Texas wasteland proved the key to one of America s two biggest oil fields and H 1 Hunt who parlayed an oil lease he won at a poker game into an oil business that made him one of the richest men in the United States

Harry Sinclair Tom Slick Mike Benedum Everette DeGolyer Charles Canfield Edward Doheny the pages of this book are crowded with the stories of such men their tough boom towns their dogged persistence and wild successes and the brutal competition they faced

But *The Greatest Gambler* is also the story of a prospectors rush that has become an organized industry An absorbing portion of the book tells how the industry has found new uses for petroleum and its by products and how this sometimes involved as much heartbreak as prospecting There were the ships that exploded when oilmen first tried to market petroleum as marine fuel the locomotive roundhouse that blew up when they first tried to convert railroads to oil

Mrs Knowles discusses knowledgeably the present predicament of the petroleum industry and what is necessary to find and develop America s remaining great oil and gas resources

The Greatest Gamblers is a lively and authoritative account of what is probably the most fascinating and adventurous business of all
