down the river to the slave markets of New Orleans young Thornton Blackburn planned a daring and successful daylight escape from Louisville But they were discovered by slave catchers in Michigan and slated to return to Kentucky in chains until the black community rallied to their cause The Blackburn Riot of 1833 was the first racial uprising in Detroit history The couple was spirited across the river to Canada but their safety proved illusory In June 1833 Michigan s governor demanded their extradition The Blackburn case was the first serious legal dispute between Canada and the United States regarding the Underground Railroad The impassioned defense of the Blackburns by Canada s lieutenant governor set precedents for all future fugitive slave cases The Blackburns settled in Toronto and founded the city s first taxi business But they never forgot the millions who still suffered in slavery Working with prominent abolitionists Thornton and Lucie made their home a haven for runaways The Blackburns died in the 1890s and their fascinating tale was lost to history Lost that is until a chance archaeological discovery in a downtown Toronto school yard brought the story of Thornton and Lucie Blackburn again to light *Publications of the Egyptian Research Account* ,1908 **The Book of the Dead** Sir Ernest Alfred Wallis Budge,1895 *Lord's Day Leader* ,1915 The Lord s Day Alliance of the United States was founded in 1888 That year representatives of six major Protestant denominations met in Washington D C and organized the American Sabbath Union This name was later changed to the Lord s Day Alliance The Alliance is the only national organization whose sole purpose is the maintenance and cultivation of the first day of the week as a time for rest worship Christian education and spiritual renewal **Report** Pennsylvania.
