Lord When A Biblical Perspective Of The Second:

Lord, When? John J. Cobb, 2004-03-16 Lord When looks at the Second Coming from a Scriptural point of view while examining the questions objections and various views of the tribulation and the rapture As the world draws nearer and nearer to the Second Coming it is more important than ever that all Christians understand what the Bible says about this crucial doctrine Our greatest hope lies not in theories or inferences but in undeniable facts left by our Lord in His holy word about The seventh trumpet The great apostasy The restrainer The Antichrist The Seventy Weeks of Daniel The 144 000 servants With over twenty years of research and study of the end times author John J Cobb brings a special and unique approach to these areas He has taught four verse by verse expositional classes on the book of Revelation His passion for scriptural clarity in Eschatology has been the driving force behind Lord When Whether the information gathered is from him or other authors and experts in this area Minister Cobb has taken great care to bring it all to bear against the backdrop of Holy Scripture the final arbiter of all Christian Doctrine *Lord When?* John Cobb, 2023-05-30 **Perspectives on the**

Miller, 2011-11-15 In his final speech I've Been to the Mountaintop Martin Luther King Jr delivered his support of African American garbage workers on strike in Memphis Although some consider this oration King's finest it is mainly known for its concluding two minutes wherein King compares himself to Moses and seems to predict his own assassination But King gave an hour long speech and the concluding segment can only be understood in relation to the whole King scholars generally focus on his theology not his relation to the Bible or the circumstance of a Baptist speaking in a Pentecostal setting Even though King cited and explicated the Bible in hundreds of speeches and sermons Martin Luther King's Biblical Epic is the first book to analyze his approach to the Bible and its importance to his rhetoric and persuasiveness Martin Luther King's Biblical Epic argues that King challenged dominant Christian supersessionist conceptions of Judaism in favor of a Christianity that affirms Judaism as its wellspring In his final speech King implicitly but strongly argues that one can grasp Jesus only by first grasping Moses and the Hebrew prophets This book also traces the roots of King's speech to its Pentecostal setting and to the Pentecostals in his audience In doing so Miller puts forth the first scholarship to credit the mostly unknown but brilliant African American architect who created the large yet compact church sanctuary which made possible the unique connection between King and his audience on the night of his last speech **A Guide to Biblical Prophecy** Carl E.
