The People of the Book Samuel C. Heilman, 2017-07-05 Judaism has long derived its identity from its sacred books. The book or scroll rather than the image or idol has been emblematic of Jewish faith and tradition. *The People of the Book* presents a study of a group of Orthodox Jews all of whom live in the modern world engaged in the time honored practice of *lernen*, the repeated review and ritualized study of the sacred texts. In preserving one of the activities of Jewish life, Samuel C. Heilman argues these are the genuine People of the Book. For two years Heilman participated in and observed five study circles in New York and Jerusalem engaged in the avocation of *lernen*, the Talmud, the great corpus of Jewish law, lore and tradition. These groups made up of men who felt the ritualized study of sacred texts to be not only a religious obligation but also an appealing way to spend their evenings, weekends and holidays assembled together under the guidance of a teacher to review the holy books of their people. Having become part of this world, the author is able to provide first hand observation of the workings of the study circle. Heilman's study moves beyond the merely descriptive into an analysis of the nature and meaning of activity he observed. To explain the character and appeal of the study groups, he employs three concepts: drama, fellowship and religion. Inherent to the life of the study circle are various sorts of drama: social dramas playing out social relationships, cultural performances reenacting the Jewish world view, and interactional dramas and word plays involving the intricacies of the recitation and translation process. This book will be of interest to anthropologists and those interested in the academic study of religion.

Let God Arise John Whitman, 2019-11-06 The chapters of this book evolved over a period of time as I was listening to young Christians talking about different subjects and realizing the lack of understanding and Bible knowledge they were getting from different sources. Seeing most young Christians don't have any real access to Bible school training and receive a lot of their information from friends, family and various sources, I became burdened to teach them in depth about the subjects they would talk about. I began to write these things down that enabled me to give them something to read over and refer to when they needed to refresh their memory. These different subjects are basic information that I believe all Christians should understand to help them stay on the path God intended and not be drawn into doctrine misunderstandings. Having been to Kenya, Africa on a mission trip where I had the ability to teach some of the things in this book, I was asked if I could give them all of these teachings in a book as they are hungry for the teachings of the Word of God. That prompted me to publish these sixteen Bible lessons for the benefit of those pastors in Africa and anywhere else that people are hungry for the understanding of the Word of God. I hope the reader finds these chapters both inspiring and encouraging in their search for knowledge and understanding in their walk with the Lord.

sample sermon from Mathewson Foreword by Haddon W Robinson God's Answer to 21st Century Terrorists K. McKelvey Harvey K. McKelvey, Harvey K. McKelvey, 2009-11 Do we have terrorists today Yes we do Can we identify them Yes we can Are there political and religious terrorists today Yes there are Where can we find them today Over the world and in every nation Do we have terrorists on the mission field Yes we do What are some of their actions so we may identify them They burn churches and homes of Christians they kill whole congregations and they behead children going to and from school They kill and imprison pastors and Christian leaders What recourse do the Christians have Until now they have been told to endure for God will avenge But I say no you have the power to stop this foolishness in its tracks They can receive and believe the word so that these terrorists become Christians just as Saul became Paul and the Syrian army became friendly with Israel This is a believing God thing Not a man thing In some nations of the world like in central Asia there are over 4 billion lost souls The percentage of evangelical Christians among all of them is less than 5% Jesus as we all know is coming soon how are we to reach these before he comes God's Answer to 21st Century Terrorists is a memorable account of a fresh historical perspective with unforgettable characters and with a touch of the supernatural The apostle Paul was a First Century terrorist killing and imprisoning Christians The Lord Jesus Christ Head of the Church gave us an object lesson on how to win the terrorist We need to use His plan today Too many Christians are being slaughtered their churches burned and whole congregations are threatened with violence Knowing God by Name David Wilkerson, 2003-10 A study of the twenty three compound names of God found in scriptures **The Creed in Slow Motion** Martin Kochanski, 2022-06-30 I believe in one God the Father almighty maker of heaven and earth The Creed is the bones of our faith In all our different ways it makes us who we are But when we stand up and recite the Creed in unison we have no time to contemplate what it is that we are committing ourselves to The words rush past their meaning blurred by familiarity If we could only slow them down and hear them properly they would have the power to change worlds That is what The Creed in Slow Motion aims to do This is a book for people who like to think things through from first principles It will not tell you what to believe It is for you to engage your mind and discover that for yourself And for unbelievers to learn what exactly they disbelieve and why In forty short chapters with clarity and wit The Creed in Slow Motion draws examples from real life stories history and even science to uncover the core claims of Christianity By turns it is deep heartening startling revolutionary and even by the world's standards outrageous Uneasy Money Pelham Grenville Wodehouse, 1924 **Plunder** Cynthia Saltzman, 2021-05-11 One of The Christian Science Monitor's Ten Best Books of May A highly original work of history Saltzman has written a distinctive study that transcends both art and history and forces us to explore the connections between the two Roger Lowenstein The Wall Street Journal A captivating study of Napoleon's plundering of Europe's art for the Louvre told through the story of a Renaissance masterpiece seized from Venice Cynthia Saltzman's Plunder recounts the fate of Paolo Veronese's Wedding Feast at Cana a vast sublime canvas that the French under the command of the young Napoleon Bonaparte tore from a wall

of the monastery of San Giorgio Maggiore on an island in Venice in 1797 Painted in 1563 during the Renaissance the picture was immediately hailed as a masterpiece Veronese had filled the scene with some 130 figures lavishing color on the canvas to build the illusion that the viewers space opened onto a biblical banquet taking place on a terrace in sixteenth century Venice Once pulled from the wall the Venetian canvas crossed the Mediterranean rolled on a cylinder soon after artworks commandeered from Venice and Rome were triumphantly brought into Paris In 1801 the Veronese went on exhibition at the Louvre the new public art museum founded during the Revolution in the former palace of the French kings As Saltzman tells the larger story of Napoleon s looting of Italian art and its role in the creation of the Louvre she reveals the contradictions of his character his thirst for greatness to carry forward the finest aspects of civilization and his ruthlessness in getting whatever he sought After Napoleon s 1815 defeat at Waterloo the Duke of Wellington and the Allies forced the French to return many of the Louvre s plundered paintings and sculptures Nevertheless The Wedding Feast at Cana remains in Paris to this day hanging directly across from the Mona Lisa Expertly researched and deftly told Plunder chronicles one of the most spectacular art appropriation campaigns in history one that sheds light on a seminal historical figure and the complex origins of one of the great museums of the world The Baby and the Bathwater Beryl Chatfield,2018-01-27 This book is for people who ask questions about life why we are here and what happens to us when we die Science is being shown as not having all the answers It deals only with the physical world and has little to say about the human spirit about the positive power of love of the negative effect of fear The life death and teaching of Jesus Christ who actually lived a human life recorded in history gives us answers to questions about the human spirit and about the mysterious and ineffable Power behind Creation However there is a need to reformulate Christian teaching so that it is relevant in today s world This book suggests a way of approaching the task

A Dictionary of Christian Antiquities... William Smith,Samuel Cheetham,1893 **Notes on Some Pictures in the Royal Academy ...** Royal Academy of Arts (Great Britain),1871 *Little Pinafore's scrap book (100 coloured pictures with rhymes, & copies in outline).* Eliza F. Manning,1883 **Home pictures , The Life of Our Lord in Art** Estelle May Hurl,1899 **What if We are Wrong?** Michael Sinkolongo,2017-04-29 After having been a Jehovah s Witness for about six years the author is confronted with a question that he has been thrusting aside for a long time Important though this question is he finds that merely asking it can lead to undesirable consequences and none of his colleagues have allowed the possibility it points to to even form in the recesses of their minds Inclined to go along with the flow he for a while decides to ignore the splinter in his mind However his intense desire to defend the truth overrides him and eventually he finds that he must swim up the waterfall and find the answer to the question of all time the question to which intuitively he knows the answer What if we are wrong *The Ministry of God's Word* Watchman Nee,1994-09-01 The most important work of God on earth is the speaking out of His word through man In the Old Testament God s word was released through the ministry of the prophets and in the New Testament it was released through the ministry of the Lord

Jesus and later through the apostles Even though God is pleased to allow us to speak His word the greatest measure of our usefulness as a minister of the Word is not the amount of our Bible knowledge or even the ability to eloquently present the truth rather it is the degree to which our inward parts have been molded and shaped by the Holy Spirit The Ministry of God s Word contains a series of messages given by Watchman Nee in 1948 and 1949 after nearly thirty years of ministry These messages are deep profound subjective and full of light revealing both the depth of his experience and extent of our need to open to the Holy Spirit s inward operation
