Hollywood Madonna Bernard F. Dick, 2025-05-15 Loretta Young 1913 2000 was an Academy Award winning actress known for devout Catholicism and her performances in The Farmer's Daughter The Bishop's Wife and Come to the Stable and for her long running and tremendously popular television series But that was not the whole story Hollywood Madonna explores the full saga of Loretta Young's professional and personal life She made her film debut at age four became a star at fifteen and many awards and accolades later made her final television movie at age seventy six This biography withholds none of the details of her affair with Clark Gable and the daughter that powerful love produced Bernard F. Dick places Young's affair in the proper context of the time and the choices available to women in 1935 especially a noted Catholic like Young whose career would have been in ruins if the public knew of her tryst With the birth of a daughter who would have been branded a love child Loretta Young reached the crossroads of disclosure and deception choosing the latter path That choice resulted in an illustrious career for her and a tortured childhood for her daughter
