letters One of The Economist's Best Books of 2019 A New York Times Book Review Editors Choice A National Jewish Book Award finalist For centuries the bustling port city of Salonica was home to the sprawling Levy family As leading publishers and editors they helped chronicle modernity as it was experienced by Sephardic Jews across the Ottoman Empire The wars of the twentieth century however redrew the borders around them in the process transforming the Levys from Ottomans to Greeks Family members soon moved across boundaries and hemispheres stretching the familial diaspora from Greece to Western Europe Israel Brazil and India In time the Holocaust nearly eviscerated the clan eradicating whole branches of the family tree In *Family Papers* the prizewinning Sephardic historian Sarah Abrevaya Stein uses the family's correspondence to tell the story of their journey across the arc of a century and the breadth of the globe They wrote to share grief and to reveal secrets to propose marriage and to plan for divorce to maintain connection They wrote because they were family And years after they frayed Stein discovers what remains solid is the fragile tissue that once held them together neither blood nor belief but papers With meticulous research and care Stein uses the Levys letters to tell not only their history but the history of Sephardic Jews in the twentieth century A superb and touching book about the frailty of ties that hold together places and people The New York Times Book Review Remarkable rigorously researched Readers will rejoice at every miraculous story of survival of which there are a few and will mourn every death of which there are many Elaine Margolin Los Angeles Review of Books
