Personnel Information Bulletin United States. Veterans Administration, 1952 *Creating Values in Life* Ashok Gulla, 2010-04-27 Unfortunately very few people these days talk about real values in life What we stand for in life and are we living up to these values are worth pondering Are our aspirations in tune with the real purpose of life It is the values that remind us often what to aspire in life Most people value life and its achievements from the perspective of wealth and richness but do not recognize trust honesty and contentment as forward looking attributes that help in overall satisfaction Giving importance to external growth leaving behind inner development often leads to unbalance in life devoid of overall satisfaction Much of the troubles in this world are that true values of life have narrowed down skewed ignored and misunderstood This book deliberates different aspects of life in terms of personal moral spiritual family and social values and how these can enrich life and fill its purpose A wide range of topics include How to live an easier life Thoughts on simplifying life Virtues of Integrity Mistakes we generally make Control on impulsive mind Being Successful in life Benefits from silence Communication with inner self Creating love for others How to think positive How moral values get reinforced Belief in natural justice What is spirituality Understanding self How to find God What does death mean to us Good family values Being part of whole universe Universal brotherhood Towards developing good values Attempt has been made to describe large issues that are outcome of misdirected value system and how best a person can move ahead in life by focusing on core values The idea of writing this book is to facilitate readers to pause and think about what they aspire and are these aspirations in tandem with broad purpose in life Daily Devotional for Women Denise Gilmore, 2022-11-04 Do You Seek God's Word to guide you With the constant demands and pressures of daily life it can be hard to regularly pause to be with and listen to God's voice When you're having one of those days you just want to know that someone is on your side You have more than just someone you have your Heavenly Father He is with you He is for you This 365 day devotional collection includes a combination of Scripture engaging explanations and compelling reflection questions to encourage you in your daily walk with the Lord Through this devotional you'll Discover how you can move forward in life with confident hope as you grow in your understanding of what really matters to God Handle life peacefully and wisely instead of merely trying to get through the day Find new mercies and blessings each day when you spend time with God Learn that He hears our songs and sighs and he answers those who seek him with whispers of love and truth It makes a very thoughtful gift for a friend or family member facing trials or going through a tough time and will remind them that God loves them dearly knows them and cares for them Also a perfect gift for communion confirmation Thanksgiving Christmas Easter and more Anger Management for Parents Susan Malcom, 2022-09-13 Being a parent is a tough gig there's no doubt about that There will be moments that are beautiful lifelong memories Others will try your patience and leave you pulling your hair out It's not a question of if but when you as a parent will lose your temper with your child Kids don't know any better and they will push you to the edge The danger is

when your anger spills over onto your child crushing their self esteem hurting their feelings or making them feel unwanted Understanding how your anger can change your child s environment for the worse and how it can impact their growth is key in helping you curtail it Nobody wants an unhappy child and you owe it to your children to prevent their unhappiness Managing anger is a huge component of raising a happy healthy and emotionally intelligent child Inside this book you ll learn how to take accountability for your anger and what that means for you as a parent understanding both your own trauma and the trauma that can affect your children the benefits of positive parenting anger management techniques specific to parents and guardians On top of anger management techniques themselves you ll learn how to keep yourself consistent with how and when you apply them to ensure that you don t find yourself slipping With a collection of FAQs and directions to a support group dedicated to helping parents manage their emotions this book is also perfect to read now and again to refresh your understanding of the topic If you ve ever felt anger towards your child or if you ve ever said or done things as a parent that were motivated by anger then click Buy and get your ebook now *Spiritual Healing for Personal Prosperity* Edgar Cayce,2011 Rather than seeing financial hardships as some sort of punishment or mistakenly assume that the experience of poverty can somehow make someone more spiritual the Cayce readings suggest that seen correctly the process of achieving economic healing can embody a worthwhile experience in personal growth This book teaches individuals how to overcome their financial difficulties *Emancipated Inklings* Murphy Pheagar,2022-07-12 Murphy s life long love of alliterative lyrical play professed on paper created piles of fully stuffed folders steadily stacked into a significant collection of careful consideration Here you can experience the result a brimming bookful of ballads and broken bits brought together by trauma bonding and book binding into the emotionally moving mosaic you hold in your hands Catch it with the confidence that you are not alone in life s confusions and release it back into the world with your own refreshing style People's'hit Umang jain,2024-08-09 Peopleshit isn t a book it s a revelation a mirror held up to our collective soul Umang Jain the audacious young author invites you to peel back the layers one uncomfortable truth at a time Here s what awaits you within these pages In the labyrinth of existence we stumble upon our own shadows Peopleshit dissects the struggles we share the gnawing ache of unmet expectations the silent battles fought behind closed doors and the relentless pursuit of meaning Umang s prose is both scalpel and balm cutting through pretense to reveal the raw pulsating core of our humanity *Bush's War* Jim A. Kuypers,2006-10-10 Immediately after the attacks of September 11 2001 Americans looked to President Bush for words of leadership In his most formal reply of the day he said Today our fellow citizens our way of life our very freedom came under attack in a series of deliberate and deadly terrorist acts The victims were in airplanes or in their offices secretaries businessmen and women military and federal workers moms and dads friends and neighbors Thousands of lives were suddenly ended by evil despicable acts of terror The stark tone of Bush s speech suggested the promise of more words to come from the president and it is these words that Bush s War addresses While many books have offered a take on the

attacks of 9 11 and their impact upon American society one area has been comparatively ignored presidential justifications for war in the age of terrorism Specifically what did President Bush say to justify American military actions in the postD9 11 world And how did the public hear what he said especially as it was filtered through the news media The eloquent and thoughtful Bush s War shows how public perception of what the president says is shaped by media bias Jim A Kuypers compares Bush s statements with press coverage arguing that the nature of American public knowledge concerning our role in the world has been changed not by 9 11 but by the subsequent argumentative back and forth between Bush and the press
