*Lost in My Own Backyard* Tim Cahill, 2004-06-08 Let's get lost together *Lost in My Own Backyard* brings acclaimed author Tim Cahill together with one of his and America's favorite destinations Yellowstone the world's first national park Cahill has been puttering around in the park for a quarter of a century slowly covering its vast scope and exploring its remote backwoods So does this mean that he knows what he's doing Hardly I live fifty miles from the park says Cahill but proximity does not guarantee competence I've spent entire afternoons not knowing exactly where I was which is to say I was lost in my own backyard Cahill stumbles from glacier to geyser encounters wildlife some of it like bison weighing in the neighborhood of a ton muses on the microbiology of thermal pools gets spooked in the mysterious Hoodoos sees moonbows arcing across waterfalls at midnight and generally has a fine old time walking several hundred miles while contemplating the concept and value of wilderness Mostly Cahill says I have resisted the urge to commit philosophy This is difficult to do when you're alone twenty miles from the nearest road and you've just found a grizzly bear track the size of a pizza Divided into three parts The Trails which offers a variety of favorite day hikes In the Backcountry which explores three great backcountry trails very much off the beaten track and A Selected Yellowstone Bookshelf an annotated bibliography of his favorite books on the park this is a hilarious informative and perfect guide for Yellowstone veterans and first timers alike *Lost in My Own Backyard* is adventure writing at its very best
