Lhasa Robert Barnett,2010 There are many Lhasas One is a grid of uniform boulevards lined with plush hotels all night bars and blue glass fronted offices Another is a warren of alleyways that surround a seventh century temple built to pin down a supine demoness A web of Stalinist rectangular blocks houses the new nomenklatura Crumbling mansions once home to noble ministers famous lovers nationalist spies and covert revolutionaries now serve as shopping malls and faux antique hotels Each embodiment of the city partakes of the others memories whispered across time and along the city streets In this imaginative new work Robert Barnett offers a powerful and lyrical exploration of a city long idealized disregarded or misunderstood by outsiders Looking to its streets and stone Robert Barnett presents a searching and unforgettable portrait of Lhasa its history and its illegibility His book not only offers itself as a manual for thinking about contemporary Tibet but also questions our ways of thinking about foreign places Barnett juxtaposes contemporary accounts of Tibet architectural observations and descriptions by foreign observers to describe Lhasa and its current status as both an ancient city and a modern Chinese provincial capital His narrative reveals how historical layering popular memory symbolism and mythology constitute the story of a city Besides the ancient Buddhist temples and former picnic gardens of the Tibetan capital Lhasa describes the urban sprawl the harsh rectangular structures and the geometric blue glass tower blocks that speak of the

anxieties of successive regimes intent upon improving on the past In Barnett s excavation of the city s past the buildings and the city streets interwoven with his own recollections of unrest and resistance recount the story of Tibet s complex transition from tradition to modernity and its painful history of foreign encounters and political experiment Tibetan Subjectivities on the Global Stage Shelly Bhoil, Enrique Galvan-Alvarez, 2018-11-08 Tibetan Subjectivities on the Global Stage Negotiating Dispossession explores the many ways Tibetans are reimagining their cultural identity since the communist takeover of Tibet in the 1950s Focusing on developments taking place in Tibet and the diaspora this collection of essays addresses a wide range of issues at the heart of Tibetan modernity From the political dynamics of the exiled community in India to the production of contemporary Tibetan literature in the PRC the collection delves into various aspects of current significance for the Tibetan community worldwide such as the construction of Bon identity in exile the strategic use of the discourse of development or the issue of cultural and linguistic purity in an increasingly hybrid and globalized world Moving away from the preservationist paradigm that regards Tibetan culture as an endangered and precious object the essays in this book portray Tibetan identities in motion as lived subjectivities that travel change and creatively reimagine themselves on various global stages Even if recent Tibetan history is marked by imposed transitions and a sense of dispossession this collection highlights the ways Tibetans have not only managed traumatic historical events but also become agents of change and reinventors of their own traditions **Into Tibet** Thomas Laird, 2007-12-01 A fascinating story of espionage that fills a blank space in the hidden history of the Cold War Houston Chronicle Into Tibet is the incredible story of a 1949 1950 American undercover expedition led by America s first atomic agent Douglas S Mackiernan a covert attempt to arm the Tibetans and to recognize Tibet s independence months before China invaded A Nepal based American journalist reveals how the clash between the State Department and the CIA as well as unguided actions by field agents hastened the Chinese invasion of Tibet A gripping narrative of survival courage and intrigue among the nomads princes and warring armies of inner Asia Into Tibet rewrites the accepted history behind the Chinese invasion of Tibet A gripping tale The Washington Post **Britain and Tibet 1765-1947** Julie G. Marshall, 2005 This bibliography is a record of British relations with Tibet in the period 1765 to 1947 As such it also involves British relations with Russia and China and with the Himalayan states of Ladakh Lahul and Spiti Kumaon and Garhwal Nepal Sikkim Bhutan and Assam in so far as British policy towards these states was affected by her desire to establish relations with Tibet It also covers a subject of some importance in contemporary diplomacy It was the legacy of unresolved problems concerning Tibet and its borders bequeathed to India by Britain in 1947 which led to border disputes and ultimately to war between India and China in 1962 These borders are still in dispute today It also provides background information to Tibet s claims to independence an issue of current importance The work is divided into a number of sections and subsections based on chronology geography and events The introductions to each of the sections provide a condensed and informative history of the period and place the books and article in their historical context Most entries are

also annotated This work is therefore both a history and a bibliography of the subject and provides a rapid entry into a complex area for scholars in the fields of international relations and military history as well as Asian history The theatre of Tibet Antonio Attisani, 2024-04-05T00:00:00+02:00 he theatrical culture of Tibet is probably the last to remain virtually unknown to the outside world and to the West in particular As well as describing the current situation of studies on Tibetan theatre the current volume also provides an essay on imagination and how it is concretely manifested by the Tibetan people and their actors Recent decades have seen radical change for Tibetan theatre ache lhamo now performed by a diaspora for whom a declining artistic and technical change derives from an uncertain politics concerning secular and popular culture as well as the ongoing cultural genocide caused by China s subjection of Tibet **Warriors of the Himalayas** Donald J. LaRocca, Metropolitan Museum of Art (New York, N.Y.), 2006 The first in depth examination of the fascinating and virtually unknown of armor and weapons from Tibet dating from the 13th to the 20th century The 14th Dalai Lama Mario I. Aguilar, 2020-11-26 This book outlines the life of spiritual diplomacy of the 14th Dalai Lama and his emergence as a global peace icon It traces his evolution as a Tibetan Buddhist monk rooted in the Geluk tradition as a Nobel laureate and as an internationally recognized peacemaker The volume brings to the fore the Dalai Lama s monastic life grounded in the compassion and ethical responsibility of a bodhisattva somebody who is willing to renounce samsara for the benefit of others as well as that of a political leader of Tibet It examines the deep impact of his ideas of peacekeeping and universal responsibility on world politics which draw on acceptance inclusion and respect as their central pillars Further this book highlights his departure from the practices of the earlier Dalai Lamas and how the Chinese invasion and his exile in India transformed him into a universal figure of peace rather than solely being the leader of Tibet An introspective read this book will be of much interest to readers interested in spiritual diplomacy and political philosophy It will also be of interest to scholars and researchers of peace and conflict studies international relations politics and religion especially Buddhism
