Birder Interrupted M. Ralph Browning,2024-02-15 Inspired by Roger Tory Peterson and James Fisher s book Wild America recent high school graduate M Ralph Browning embarked on a tightly budgeted year long trip in the US looking for birds The year was 1962 His 1955 VW Beetle broke after nine months which forced a premature end to the journey In 2005 after matters of military duty college a family and a career in birds at Smithsonian s National Museum of Natural History the author resumed the interrupted trip This time he was with the girl he d left behind in 1962 and they birded Texas the Southwest and California The author chronicles the trip with observations on birds while touching on history geology and conservation The cost of keeping alive includes periodic notes on the price of gasoline about 0 33 gallon in 1962 and food The author had earlier written to numerous birders for information about birding particular locations and many of those individuals across the country showed him birds and invited him into their homes for a gratefully appreciated warm bed and home cooking The 2005 leg of the journey was assisted by bird finding guides and the help of the legendary Jon Dunn and numerous motels **Special Men** Dennis Foley,2022-06-14 A recipient of two Purple Hearts gives readers an inside view of US Army special forces through his own trial by fire during the Vietnam War Days before he was drafted in 1962 Dennis Foley volunteered to join the army in the hopes of someday getting into West Point He was only eighteen years old At basic training in Fort Dix New Jersey a presentation by two impressive self confident special forces sergeants made an indelible

impression on him His career would come full circle In 1972 wearing a green beret Foley would be given command of his own A Team But between those two pivotal moments his determination loyalty and mental and physical strength would be tested as never before fighting in the jungles of Vietnam alongside the bravest men he would ever know In *Special Men* Foley describes his experience at the 7th Army NCO Academy in Germany where he learned more about leadership than at any other school he would later attend He takes us moment by moment on his heart pounding introduction to combat a nighttime amphibious ambush patrol with the South Vietnamese Navy We see the shock set in upon realizing that conventional training left him unprepared for the guerrilla army he faced in Vietnam And we share his sadness over fallen comrades and his own relief at surviving his injuries This is an unvarnished account of horror and heroism and a tribute to the unselfish devotion to duty of the LRP's Rangers and Green Berets
