Jeanrond,2010-03-21 **Selfless Love and Human Flourishing in Paul Tillich and Iris Murdoch** Julia T. Meszaros,2016-03-03 In an age of self affirmation and self assertion selfless love can appear as a threat to the lover s personal well being This perception jars with the Biblical promise that we gain our life through losing it and therefore calls for a theological response In conversation with the Protestant theologian Paul Tillich and the atheistic moral philosopher and novelist Iris Murdoch *Selfless Love and Human Flourishing in Paul Tillich and Iris Murdoch* enquires into the anthropological grounds on which selfless love can be said to build up rather than undermine the lover s self It proposes that while the implausibility of selfless love was furthered by the modern deconstruction of the self both Tillich and Murdoch utilize this very deconstruction towards explicating and restoring the link between selfless love and human flourishing Julia T Meszaros shows that they use the modern diagnosis of the human being s lack of a stable and independent self as manifest in Sartre s existentialism in support of an understanding of the self as relational and fallen This leads them to view a loving orientation away from self and a surrender to the other as critical to the full flourishing of human selfhood In arguing that Tillich and Murdoch defend the link between selfless love and human flourishing through reference to the human being s ontological selflessness Meszaros closely engages S ren Kierkegaard s earlier attempt to keep selfless love and human flourishing in a productive dialectical tension She also examines the breakdown of this tension in the later figures of Anders Nygren Simone Weil and Jean Paul Sartre and addresses the pitfalls of this breakdown Her examination concludes by arguing that the link between selfless love and human flourishing would be strengthened by a more resolute endorsement of a personal God and of the reciprocal nature of selfless love [TLA Film, Video, and DVD Guide 2002-2003](#) David Bleiler,2001-11-03 A film video and DVD guide for the true lover of the cinema this volume focuses on independent and international films as well as the best of the mainstream 450 photos throughout **Love and the Dignity of Human Life** Robert Spaemann,2012-01-09 What does it mean to love someone What does the concept of human dignity mean and what are its consequences What marks the end of a person s life Is personhood more than consciousness These perplexing questions lurk beneath the surface of everyday life surfacing only to demand urgent attention in crises Renowned German philosopher Robert Spaemann addresses these and other foundational enigmas in three eloquent short essays Speaking wisdom to controversy he offers carefully considered novel approaches to key philosophical and theological questions about the nature of human love The Paradoxes of Love dignity Human Dignity and Human Nature and death Is Brain Death the Death of a Human Person **The Drama of Love and Death: A Study of Human Evolution and Transfiguration** Edward Carpenter,2019-12-05 In *The Drama of Love and Death A Study of Human Evolution and Transfiguration* Edward Carpenter explores the profound interplay between love mortality and the evolution of human consciousness Through his unique blend of romanticism and social critique Carpenter weaves a narrative that examines how love can transcend the bounds of the physical world prompting readers to reflect on
