# Love Hunger Action Plan

**DR. FRANK. MINIRTH, Dr Frank B  
Minirth, PH.D.**

## **Love Hunger Action Plan:**

**The Love Hunger Action Plan** Sharon Sneed,1992-12 A dynamic lifetime weight loss and maintenance program based on sound psychological principles that will help anyone take control of their weight Based on the bestseller Love Hunger this workbook provides 200 tips for food and weight management light fare suggestions for travelers recipes a fully illustrated exercise program including at home muscle toning and a 45 minute at home circuit training program and more **The Publishers Weekly** ,1919 **Born Again Bodies** R. Marie Griffith,2004-10-04 Fat People Don t Go to Heaven screamed a headline in the tabloid Globe in November 2000 The story recounted the success of the Weigh Down Workshop the nation s largest Christian diet corporation and the subject of extensive press coverage from Larry King Live to the New Yorker In the United States today hundreds of thousands of people are making diet a religious duty by enrolling in Christian diet programs and reading Christian diet literature like What Would Jesus Eat and Fit for God Written with style and wit far ranging in its implications and rich with the stories of real people Born Again Bodies launches a provocative yet sensitive investigation into Christian fitness and diet culture Looking closely at both the religious roots of this movement and its present day incarnations R Marie Griffith vividly analyzes Christianity s intricate role in America s obsession with the body diet and fitness As she traces the underpinning of modern day beauty and slimness ideals as well as the bigotry against people who are overweight Griffith links seemingly disparate groups in American history including seventeenth century New England Puritans Progressive Era New Thought adherents and late twentieth century evangelical diet preachers *Awesome Families* Kathleen E. Jenkins,2005-11 Denounced by some as a dangerous cult and lauded by others as a miraculous faith community the International Churches of Christ was a conservative evangelical Christian movement that grew rapidly in the 1980s and 1990s Among its followers promises to heal family relationships were central to the group s appeal Members credit the church for helping them develop so called awesome families successful marriages and satisfying relationships with children family of origin and new church brothers and sisters The church engaged an elaborate array of services including round the clock counseling childcare and Christian dating networks all of which were said to lead to fulfilling relationships and exciting sex lives Before the unified movement s demise in 2003 2004 the lure of blissful family life led more than 100 000 individuals worldwide to be baptized into the church In *Awesome Families* Kathleen Jenkins draws on four years of ethnographic research to explain how and why so many individuals primarily from middle to upper middle class backgrounds were attracted to this religious group that was founded on principles of enforced community explicit authoritative relationships and therapeutic ideals Weaving classical and contemporary social theory she argues that members were commonly attracted to the structure and practice of family relationships advocated by the church especially in the context of contemporary society where gender roles and family responsibilities are often ambiguous Tracing the rise and fall of this fast growing religious movement this timely study adds to our understanding of modern society and offers insight to the

difficulties that revivalist movements have in sustaining growth
