Pathways to Power Arjun Guneratne,Anita M. Weiss,2013-12-19 Pathways to Power introduces the domestic politics of South Asia in their broadest possible context studying ongoing transformative social processes grounded in cultural forms In doing so it reveals the interplay between politics cultural values human security and historical luck While

these are important correlations everywhere nowhere are they more compelling than in South Asia where such dynamic interchanges loom large on a daily basis Identity politics not just of religion but also of caste ethnicity regionalism and social class infuses all aspects of social and political life in the sub continent Recognizing this complex interplay this volume moves beyond conventional views of South Asian politics as it explicitly weaves the connections between history culture and social values into its examination of political life South Asia is one of the world s most important geopolitical areas and home to nearly one and a half billion people Although many of the poorest people in the world live in this region it is home also to a rapidly growing middle class wielding much economic power India Pakistan and Bangladesh together the successor states to the British Indian Empire the Raj form the core of South Asia along with two smaller states on its periphery landlocked Nepal and the island state of Sri Lanka Many factors bring together the disparate countries of the region into important engagements with one another forming an uneasy regional entity Contributions by Arjun Guneratne Christophe Jaffrelot Pratyoush Onta Haroun er Rashid Seira Tamang Shabnum Tejani and Anita M Weiss Women, Power and Leadership: Madhuparna Gupta.,2015-07-29 The author is an Assistant Professor of Political Science at Chandernagore Government College West Bengal India She received her Ph D in International Relations from Jadavpur University in 2014 and is a Gold medallist in her M A programme from the same university She has also served as an instructor of German language at the Ramakrishna Mission Institute of Culture Kolkata and translated several English and Bengali texts and songs into German language Her areas of interest include international politics defence and strategic studies comparative politics and international law Since the Second World War there have been very few women politicians to have come to lead their nations and dominate the world politics Out of them Indira Gandhi Margaret Thatcher and Golda Meir are regarded as powerful women leaders of the world These three Premiers were the first and only women leaders to have assumed political leadership in their respective countries till date They were universally recognised as Iron Ladies because of their command and control over their respective governments their conviction mindset and their capability to transform and implement their visions and ideas into practical policies They were surrounded by male colleagues and there was hardly any woman in their respective Cabinets or governments nor did they portray themselves as representatives of womenfolk Also their policies bore no reflection of women friendly approaches neither were they supporters of womens rights nor did they encourage womens participation in politics or promote womens empowerment They were successful in maintaining domestic peace and resisted external aggressions with strong hands for which they were universally recognised as tough leaders and were personified with their respective countries as well This book intends to look at their electoral politics modes of functioning and the power sharing patterns makes a comparative study of the nature of their leadership along with the personal and institutional factors in their access to power mitigating domestic discontents as well as their individual roles in the Indo Pak War of 1971 the Falklands Island dispute of 1982 and the Yom Kippur War of 1973 Nehru's India Taylor C. Sherman,2025-07-22 An

iconoclastic history of the first two decades after independence in India Nehru's India brings a provocative but nuanced set of new interpretations to the history of early independent India Drawing from her extensive research over the past two decades Taylor Sherman reevaluates the role of Jawaharlal Nehru India's first prime minister in shaping the nation She argues that the notion of Nehru as the architect of independent India as well as the ideas policies and institutions most strongly associated with his premiership nonalignment secularism socialism democracy the strong state and high modernism have lost their explanatory power They have become myths Sherman examines seminal projects from the time and also introduces readers to little known personalities and fresh case studies including India's continued engagement with overseas Indians the importance of Buddhism in secular India the transformations in industry and social life brought about by bicycles a riotous and ultimately doomed attempt to prohibit the consumption of alcohol in Bombay the early history of election campaign finance and the first state sponsored art exhibitions The author also shines a light on underappreciated individuals such as Apa Pant the charismatic diplomat who influenced foreign policy from Kenya to Tibet and Urmila Eulie Chowdhury the rebellious architect who helped oversee the building of Chandigarh Tracing and critiquing developments in this formative period in Indian history Nehru's India offers a fresh and definitive exploration of the nation's early postcolonial era
