The Net of Dreams Julie Salamon, 2014-08-19 The author of *The Devil's Candy* and *Wendy and the Lost Boys* herself the daughter of Holocaust survivors shares her family's stories which take them from the Carpathian Mountains of Eastern Europe to the small Appalachian town where she was raised *Encyclopedia of Jewish-American Literature* Gloria L. Cronin, Alan L. Berger, 2015-04-22 Presents a reference on Jewish American literature providing profiles of Jewish American writers and their works **Holocaust Literature: Lerner to Zychlinsky, index** S. Lillian Kremer, 2003 Review This encyclopedia offers an authoritative and comprehensive survey of the important writers and works that form the literature about the Holocaust and its consequences The collection is alphabetically arranged and consists of high quality biocritical essays on 309 writers who are first second and third generation survivors or important thinkers and spokespersons on the Holocaust An essential literary reference work this publication is an important addition to the genre and a solid value for public and academic libraries The Top 20 Reference Titles of the Year American Libraries May 2004 Second Generation Voices Alan L. Berger, Naomi Berger, 2001-06-01 Heirs to the legacy of Auschwitz the children and grandchildren of Holocaust survivors and perpetrators have always been thought of as separated by fear and anger mistrust and shame This groundbreaking study provides a forum for expression in which each group reflects candidly upon the consuming burdens and challenges it has inherited In these intensely personal and frequently dramatic pieces understandable differences surface The Jewish second generation is unified by a search for memory and family Their German counterparts experience the opposite Yet surprising common ground is revealed Each group emerges out of households where for vastly different reasons the Holocaust was not mentioned Each struggles to break this barrier of silence Each has witnessed the continued survival of parents and must grapple with living in households haunted by denial And each knows it is his or her charge to shape the Holocaust for future generations To be sure there is disagreement among the groups about the need for or wisdom of dialogue Yet Second Generation Voices boldly engenders authentic grounds for discussion Issues such as guilt anger religious faith and accountability are explored in deeply felt poems essays and narratives Jew and German alike speak openly of forming and affirming their own identities reconnecting with roots and working through their own psychological Holocaust Memory Work Nina Fischer, 2015-09-27 Memory Work studies how Jewish children of Holocaust survivors from the English speaking diaspora explore the past in literary texts By identifying areas where memory manifests Objects Names Bodies Food Passover 9 11 it shows how the Second Generation engage with the pre Holocaust family and their parents survival *Steven Spielberg* Joseph McBride, 2011-01-04 Until the first edition of *Steven Spielberg A Biography* was published in 1997 much about Spielberg's personality and the forces that shaped it had remained enigmatic in large part because of his tendency to obscure and mythologize his own past But in this first full scale in depth biography of Spielberg Joseph McBride reveals hidden dimensions of the filmmaker's personality and shows how deeply personal even his most

commercial work has been This new edition adds four chapters to Spielberg s life story chronicling his extraordinarily active and creative period from 1997 to the present a period in which he has balanced his executive duties as one of the partners in the film studio DreamWorks SKG with a remarkable string of films as a director Spielberg s ambitious recent work including Amistad Saving Private Ryan A I Artificial Intelligence Minority Report The Terminal and Munich has continually expanded his range both stylistically and in terms of adventurous often controversial subject matter Steven Spielberg A Biography brought about a reevaluation of the great filmmaker s life and work by those who viewed him as merely a facile entertainer This new edition guides readers through the mature artistry of Spielberg s later period in which he manages against considerable odds to run a successful studio while maintaining and enlarging his high artistic standards as one of America s most thoughtful sophisticated and popular filmmakers **Jewish Communities on the Ohio River** Amy Hill

Cynthia A. Crane,2003-03-05 This book brings together the horrifying real life stories of women who woke up one day and were not who they thought they were The government changed and they suddenly no longer had the right kind of blood the right name the right family background the right physical features to be considered a member of society city or state These stories are from German women who were a part of a Jewish Christian mixed marriage and were subsequently persecuted under the Nuremberg laws Hitler called them mischling half breeds however they have often been passed over in studies of

the Holocaust perhaps because they are often not considered real Jews But these women are still struggling with the nightmares of the Third Reich and the Holocaust the loss of family in concentration camps and with their own identity divided between their Jewish and Christian roots Often their Jewish background was revealed to them only after Hitler's laws were passed These are the narratives of eight women who remained in Germany struggling to reclaim their German heritage and their cultural and religious identity The narratives are compelling and sensitively written addressing questions of cultural and ethnic identity

Judgment Before Nuremberg Greg Dawson, 2013-04-01 When people think of the Holocaust they think of Auschwitz and Dachau Not of Russia or the Ukraine and certainly not a town called Kharkov But in reality the first war crime trial against the Nazis was in this tiny Ukrainian town which is fitting because it is where the Holocaust actually began *Judgment Before Nuremberg* is also the story of Dawson's personal journey to this place to the scene of the crime and the discovery of the trial which began the tortuous process of avenging the murder of his grandparents great grandparents and tens of thousands of fellow Ukrainians consumed at the dawn of the Shoah a moment and crime now largely cloaked in darkness

How Celtic Culture Invented Southern Literature Cantrell, James P., Examines Southern writers in a Celtic context This debut book of literary criticism challenges the common perception that the culture of white Southerners springs from English or Anglo Norman roots Mr Cantrell presents persuasive historical and literary evidence that it was the South's Celtic or Scots Irish settlers who had the biggest influence on Southern culture and that their vibrant spirit is still felt today It discusses the work of William Gilmore Simms Ellen Glasgow the Agrarians William Faulkner Margaret Mitchell Flannery O'Connor Pat Conroy and James Everett Kibler

Generational Shifts in Contemporary German Culture Laurel Cohen-Pfister, Susanne Vees-Gulani, 2010 The concept of the generation in today's German culture and literature and its role in German identity In the debates since 1945 on German history and culture the concept of generations has become ever more prominent Recent and ongoing shifts in how the various generations are seen and see themselves in relation to history and to each other have taken on key importance in contemporary German cultural studies The seismic events of twentieth century German history are no longer solely first generational lived experiences but are also historical moments seen through the eyes of successor generations The generation seen as a category of memory thus holds a key to major shifts in German identity The changing generational perspectives of German writers and filmmakers not only reflect but also influence these trends exposing both the expected differences between generational views and unexpected continuities Moreover as younger artists reframe recent history older generations like the 1968ers are also contributing to these shifts by reassessing their own experiences and cultural contributions This volume of new essays applies current discourse on generations in German culture to contemporary works dealing with major sociohistorical events

since the Nazi period Contributors Svea Brunert Laurel Cohen Pfister Friederike Eigler Thomas C Fox Katharina Gerstenberger Erin McGlothlin Brad Prager Ilka Rasch Susanne Rinner Caroline Schaumann Maria Stehle Reinhild Steingraber Susanne Vees Gulani Laurel Cohen Pfister is Associate Professor of German at Gettysburg College and Susanne Vees Gulani is Assistant Professor of German and Comparative Literature at Case Western Reserve University 1999 Susan Sarah Cohen, 2013-02-18 No detailed description available for 1999 **Telling the Little Secrets** Janet Handler Burstein, 2006-03-01 Janet Burstein argues that American Jewish writers since the 1980s have created a significant literature by wrestling with the troubled legacy of trauma loss and exile Their ranks include Cynthia Ozick Todd Gitlin Art Spiegelman Pearl Abraham Aryeh Lev Stollman Jonathan Rosen and Gerda Lerner Whether confronting the massive losses of the Holocaust the sense of home in exile or the continuing power of Jewish memory these Jewish writers search for understanding within the little secrets of their dark complicated and richly furnished past **Mademoiselle**, 1996
