Injury Prevention and Public Health Tom Christoffel, Susan Scavo Gallagher, 2006 Health Behavior Education Promotion **Firearms and Violence** National Research Council, Division of Behavioral and Social Sciences and Education, Committee on Law and Justice, Committee to Improve Research Information and Data on Firearms, 2005-01-13 For years proposals for gun control and the ownership of firearms have been among the most contentious issues in American politics For public authorities to make reasonable decisions on these matters they must take into account facts about the relationship between guns and violence as well as conflicting constitutional claims and divided public opinion In performing these tasks legislators need adequate data and research to judge both the effects of firearms on violence and the effects of different violence control policies Readers of the research literature on firearms may sometimes find themselves unable to distinguish scholarship from advocacy Given the importance of this issue there is a pressing need for a clear and unbiased assessment of the existing portfolio of data and research Firearms and Violence uses conventional standards of science to examine three major themes firearms and violence the quality of research and the quality of data available The book assesses the strengths and limitations of current databases examining current research studies on firearm use and the efforts to reduce unjustified firearm use and suggests ways in which they can be improved **Strengthening the National Institute of Justice** National Research Council, Division of Behavioral and Social Sciences and Education, Committee on Law and Justice, Committee on Assessing the Research Program of the National Institute of Justice, 2010-11-14 The National Institute of Justice NIJ is the nation's primary resource for advancing scientific research development and evaluation on crime and crime control and the administration of justice in the United States Headed by a presidentially appointed director it is one of the major units in the Office of Justice Programs OJP of the U S Department of Justice Under its authorizing legislation NIJ awards grants and contracts to a variety of public and private organizations and individuals At the request of NIJ Strengthening the National Institute of Justice assesses the operations and quality of the full range of its programs These include social science research science and technology research and development capacity building and technology assistance The book concludes that a federal research institute such as NIJ is vital to the nation's continuing efforts to control crime and administer justice No other federal state local or private organization can do what NIJ was created to do Forty years ago Congress envisioned a science agency dedicated to building knowledge to support crime prevention and control by developing a wide range of techniques for dealing with individual offenders identifying injustices and biases in the administration of justice and supporting more basic and operational research on crime and the criminal justice system and the involvement of the community in crime control efforts As the embodiment of that vision NIJ has accomplished a great deal It has succeeded in developing a body of knowledge on such important topics as hot spots policing violence against women the role of firearms and drugs in crime drug courts and forensic DNA analysis It has helped build the crime and justice research infrastructure It has also widely disseminated the results of its research programs to help guide practice and

policy But its efforts have been severely hampered by a lack of independence authority and discretionary resources to carry out its mission Technological Options for User-Authorized Handguns National Academy of Engineering,Committee on User-Authorized Handguns,2005-08-28 Misuse of handguns is a significant factor in deaths morbidity and crime in the United States One approach to reducing certain types of handgun misuse is to create a user authorized handgun UAHG a firearm that can be operated only by an authorized user s Technological Options for User Authorized Handguns clarifies the technical challenges of developing a reliable UAHG This report determines the requirements and specifications of UAHGs for those concerned with public and or personal safety and identifies technologies that could satisfy these needs **Book Review** **Index** ,2006 Every 3rd issue is a quarterly cumulation **NIMLO Municipal Law Review** National Institute of Municipal Law Officers (U.S.),1973 **Bureau of Alcohol, Tobacco, Firearms, and Explosives (BATFE) Modernization and Reform Act of 2006** United States. Congress. House. Committee on the Judiciary,2006 Military Review ,1951 Railway and Engineering Review ,1897 **The Greening of Pharmaceutical Engineering, Practice, Analysis, and Methodology** M. R. Islam,Jaan S. Islam,Gary M. Zatzman,M. Safiur Rahman,M. A. H. Mughal,2015-12-03 The pharmaceutical industry is one of the most important industries in the world offering new medicines vaccines and cures to a global population It is a massive industry worthy of a deep and thorough examination of its processes and chemistry with a view toward sustainability The authors describe what is and isn t truly sustainable offering a new approach and a new definition of the sustainability of pharmaceutical and chemical engineering and the science behind it This is a cutting edge work aimed at engineers scientists researchers chemists and students **School Violence and Primary Prevention** Thomas W. Miller,2023-01-01 This important new work covers clinical issues in treating victims of school violence and assessing children with the potential for violence The editor also examines the effectiveness of prevention intervention programs and offers larger policy recommendations The book looks at environmental factors such as cultural issues on behaviors from bullying to mass school shootings And uniquely the book delves into topics such as sexual boundaries and body image In all this book aims for a theoretical and applied picture of the current state of school violence and prevention **Electrical Review and Western Electrician** ,1908 **Quarterly Review of Military Literature** ,1952 **Review of Current Military Literature** ,1951-07 **New York Review of the Telegraph and Telephone and Electrical Journal** ,1904 *Published Ordinances, Firearms* United States.
