

The Oxford Dictionary of **POPES**

— J. N. D. KELLY —

Oxford Dictionary Of Popes

John Julius Norwich

Oxford Dictionary Of Popes:

The Oxford dictionary of popes John Norman Davidson Kelly,1990 **A Dictionary of Popes** J N D Kelly,Michael Walsh,2010-01-21 This acclaimed papal Who's Who contains updated biographical accounts of all the popes from St Peter to Pope Benedict XVI Arranged chronologically it provides a continuous history of the papacy as well as their irregularly elected rivals the so called antipopes It is fully indexed for quick reference and includes recommended further reading **A Dictionary of Popes** John Norman Davidson Kelly,Michael J. Walsh,2015 This fascinating dictionary gives concise accounts of every officially recognized pope in history from St Peter to Pope Francis as well as all of their irregularly elected rivals the so called antipopes Each pope and antipope's entry covers his family and social background and pre papal career as well as his activities in office Also an appendix provides a detailed discussion and analysis of the tradition that there has been a female pope This new edition reflects the very latest in papal research and contains additional information in the further reading sections of each entry making this dictionary an even more useful starting place for research into specific pontiffs This is a continuous history of the papacy over almost 2 000 years It reveals how for much of that history spiritual and temporal power have been inextricably mingled in the person of the pope A fascinating read for students of theology and history as well as the general reader with an interest in Christian history Popes, Councils, and Theology Owen F. Cummings,2021-06-15 Do you wish to understand something of the contemporary Catholic Church If you do then this book is for you It offers a careful overview of the history of the church from the mid nineteenth century with Pope Pius IX until the present day with Pope Francis It deals with two major councils of the church Vatican I 1869 70 and Vatican II 1962 65 Furthermore it provides a detailed and accurate summary of the major theological movements in the church during this period *Dictionary of Popes and the Papacy* Bruno Steimer,2001 This first installment of the Encyclopedia of Theology and Church is the best one volume reference work on the popes and the papacy Part one covers every pope and antipope part two discusses the institution of the Vatican and the papacy A Dictionary of Popes John Norman Davidson Kelly,Michael J. Walsh,2010 This papal who's who contains updated biographical accounts of all the popes from St Peter to Pope Benedict XVI Arranged chronologically it provides a continuous history of the papacy as well as their irregularly elected rivals It is fully indexed for quick reference and includes recommended further reading *101 Questions & Answers on Popes and the Papacy* Christopher M. Bellitto,2008 This fascinating readable book answers almost every possible question that comes up whenever there is a papal transition questions that haven't been posed for some time because of the long reign of John Paul II And with new popes often advanced in years these questions remain of perpetual interest and importance Our guide to addressing these questions is church historian Dr Christopher Bellitto a frequent media resource and public lecturer who enlightens audiences about church history and Catholicism today With the insights of a scholar and the voice of an entertaining professor he tackles even the thorniest questions How did the popes justify their authority I know that Martin

Luther comes along at some point and says that the papacy is the Antichrist Why did he say this Was Pius XII really Hitler's pope Is the pope the closest person to God on earth Was there really a Pope Joan Do I have to believe every word the pope says From such details as Why do cardinals wear red to such sweeping matters as What is papal infallibility Dr Bellitto walks the reader through 2 000 years of the papacy and the men named to be the Vicar of Christ Book jacket *Dictionary of Popes* J. N. D. Kelly, Michael Walsh, 2015-07-23 This fascinating dictionary gives concise accounts of every officially recognized pope in history from St Peter to Pope Francis as well as all of their irregularly elected rivals the so called antipopes Each pope and antipope's entry covers his family and social background and pre papal career as well as his activities in office Also an appendix provides a detailed discussion and analysis of the tradition that there has been a female pope This new edition reflects the very latest in papal research and contains additional information in the further reading sections of each entry making this dictionary an even more useful starting place for research into specific pontiffs This is a continuous history of the papacy over almost 2 000 years It reveals how for much of that history spiritual and temporal power have been inextricably mingled in the person of the pope A fascinating read for students of theology and history as well as the general reader with an interest in Christian history [Popes and the Tale of Their Names](#) Anura Guruge, 2008 A look at popes and the papacy through the prism of the names associated with the popes whether they be birth priestly or assumed names It is the first in depth exploration of papal names and their meanings with a revised history of papal name changes a complete account of the rationales for the 125 known instances of assumed names and a slew of new factoids The first documented instance of papal name change was when Mercurius in 533 A D opted not to introduce the name of a pagan god into the papal rolls Marcellus II in 1555 was the last pope to date to have retained his prior name thereby breaking a 494 year tradition Marcellus however is a name derived from Mars the Roman god of war The history of papal name changes contains many such intriguing twists and turns in particular Anacletus Sixtus I Zephyrinus and Julius II This book sets out to highlight them all and thereby plug a hitherto little explored aspect of papal history Despite the interest in papal names there has been very little dedicated analysis pertaining to their evolution Consequently there are many inaccuracies and omissions Papal name change could be a much older practice than originally believed This book is an attempt to rectify the lack of attention hitherto afforded to the story and the glory of papal names It is a by product of a computer aided papal history project undertaken by the author Web site This book is not meant to be controversial The subject matter though often beguiling still does not however provide sufficient scope to incite bona fide dissension This book is meant to enlighten and hopefully entertain With it the author hopes to put a stake in the ground vis vis our understanding of papal names **The Deaths of the Popes** Wendy J. Reardon, 2015-06-08 The traditions associated with a pope's death have changed from when they were buried in the catacombs of Rome Various ceremonies rites and rituals developed over time but a formal procedure was not initiated until the early 1300s and even then was not always strictly followed This comprehensive reference book

provides information on the deaths funerals and burial places of each pope and antipope from St Peter Apostle to John Paul I Innocent X was almost gnawed by rats because no one would bury him Alexander VI was stuffed into a carpet and pummeled into his coffin and the corpse of Formosus was physically put on trial The Introduction presents a brief history of papal funerals and tombs and also covers modern burials A unique feature of the book is its presentation of all papal epitaphs in their original language and in English many translated for the first time The Future of the Catholic Church with Pope Francis Garry Wills,2016-02-23 The Church has been through many moments of seismic change sometimes but not always championed by a visionary pope The last great upheaval took place half a century ago when the Vatican abandoned the Latin mass and radically reconceived the function of the liturgy Now Pope Francis has inspired some and infuriated others with his promise of change The first Jesuit pope and the first from the Americas he has tackled social inequality sexuality and the environment but can he really bring about change And equally important should he Pulitzer Prize winning historian Garry Wills offers a thrilling examination of five pivotal moments in the history of the Catholic Church to illuminate our understanding of the new pope and the institutional challenges he faces By turning to the past he reveals how over the centuries the Church has reinvented itself most effectively when it has learned to acknowledge and confront its mistakes

Who's Who in Christianity Lavinia Cohn-Sherbok,2013-05-13 Who's Who in Christianity is an invaluable reference guide to the leading men and women who have influenced the course of Christian history including the founding fathers monarchs popes saints philanthropists heretics theologians and missionaries The book encompasses the Eastern and Western Churches and the lives and opinions of personalities who have shaped the past twenty Christian centuries from Jesus of Galilee to Pope John Paul II Paul of Tarsus to Mother Teresa Who's Who in Christianity provides an accessible and user friendly A Z layout detailed bibliographical information on each prominent figure a glossary of technical terms a chronological table of the chief historical events an invaluable guide for scholars teachers clergy students and general readers

Medieval Italy Christopher Kleinhenz,2004-08-02 This Encyclopedia gathers together the most recent scholarship on Medieval Italy while offering a sweeping view of all aspects of life in Italy during the Middle Ages This two volume illustrated A Z reference is a cross disciplinary resource for information on literature history the arts science philosophy and religion in Italy between A D 450 and 1375 For more information including the introduction a full list of entries and contributors a generous selection of sample pages and more visit the Medieval Italy An Encyclopedia website

The Ecumenical Councils of the Catholic Church Joseph F. Kelly,2009-09-01 There have been twenty one universal gatherings ecumenical councils of the Catholic Church The first opened in 325 the last closed in 1965 and the names of many ring out in the history of the church Nicea Chalcedon Trent Vatican II Though centuries separate the councils each occurred when the church faced serious crises sometimes with doctrinal matters sometimes with moral or even political matters and sometimes with discerning the church's relation to the world The councils determined much of what the Catholic Church is

and believes Additionally many councils impacted believers in other Christian traditions and even in other faiths In this accessible readable and yet substantial account of the councils Joseph Kelly provides both the historical context for each council as well as an account of its proceedings Readers will discover how the councils shaped the debate for the following decades and even centuries and will appreciate the occasional portraits of important conciliar figures from Emperor Constantine to Pope John XXIII

Crisis and Challenge in the Roman Catholic Church Debra Meyers, Mary Sue Barnett, 2020-07-07 This volume explores the historical theological sociological and ethical dimensions of the current issues threatening the two thousand year old Roman Catholic Church The interdisciplinary analysis contained within the volume exposes the destructive convictions and actions of the Roman Catholic clergy that has produced the current institutional crisis while suggesting options for moving forward Documenting the cases that constitute the many crises currently surrounding Catholicism the volume aims to provide clarity and conscience At the same time with a constructive vision of an ethics and religious practice rooted in integrity and transparency the authors offer a path towards holistic and holy reformation by and for Catholics

Cardinal Pietro Ottoboni (1667-1740) and the Vatican Tomb of Pope Alexander VIII Edward J. Olszewski, 2004 Examines the commission of the Vatican tomb of Pope Alexander VIII Ottoboni by his great nephew Cardinal Pietro Ottoboni Although neglected for centuries the Ottoboni monument occupies the most strategic liturgical position in the complex of tombs in the Vatican basilica It is impressive in scale offers a commanding presence on the path from the papal entryway to the apse main altar with a majestic papal effigy a visually compelling narrative relief carving symbolically important allegories Using unpublished archival documents in the Vatican Lateran archives this study discusses in detail the 30 year campaign for the construction of the tomb identifies the artists artisans responsible for the project The monograph is comprehensive in its stylistic analysis exploration of iconography discussion of liturgical practice consideration of studio procedures beginning with patron artist architect sculptors sculptor artisans reveals why the project required three decades to complete A well written informative important monograph And in the process he has expanded our understanding of contemporary workshop practice and art making in the Rome of the later Baroque period There are sections where the author s meticulous care insightful reconstruction of events gives the reader a sense of being there in the day to day process of work on the site These parts make for especially exciting and engaging reading An absolutely wonderful piece of work

God's Bankers Gerald Posner, 2015-09-15 From a master chronicler of legal and financial misconduct a magnificent investigation nine years in the making this book traces the political intrigue and inner workings of the Catholic Church Decidedly not about faith belief in God or religious doctrine this book is about the church s accumulation of wealth and its byzantine entanglements with financial markets across the world Told through 200 years of prelates bishops cardinals and the Popes who oversee it all Gerald Posner uncovers an eyebrow raising account of money and power in perhaps the most influential organization in the history of the world God s Bankers has it all a rare exposé and an astounding

saga marked by poisoned business titans murdered prosecutors mysterious deaths of private investigators and questionable suicides a carnival of characters from Popes and cardinals financiers and mobsters kings and prime ministers and a set of moral and political circumstances that clarify not only the church's aims and ambitions but reflect the larger dilemmas of the world's more recent history And Posner even looks to the future to surmise if Pope Francis can succeed where all his predecessors failed to overcome the resistance to change in the Vatican's Machiavellian inner court and to rein in the excesses of its seemingly uncontrollable financial quagmire Part thriller part financial tell all this book shows with extraordinary precision how the Vatican has evolved from a foundation of faith to a corporation of extreme wealth and power

Mummies, Cannibals and Vampires Richard Sugg, 2015-11-06 *Mummies Cannibals and Vampires* charts in vivid detail the largely forgotten history of European corpse medicine which saw kings ladies gentlemen priests and scientists prescribe swallow or wear human blood flesh bone fat brains and skin in an attempt to heal themselves of epilepsy bruising wounds sores plague cancer gout and depression In this comprehensive and accessible text Richard Sugg shows that far from being a medieval therapy corpse medicine was at its height during the social and scientific revolutions of early modern Britain surviving well into the eighteenth century and amongst the poor lingering stubbornly on into the time of Queen Victoria Ranging from the execution scaffolds of Germany and Scandinavia through the courts and laboratories of Italy France and Britain to the battlefields of Holland and Ireland and on to the tribal man eating of the Americas *Mummies Cannibals and Vampires* argues that the real cannibals were in fact the Europeans Picking our way through the bloodstained shadows of this remarkable secret history we encounter medicine cut from bodies living and dead sacks of human fat harvested after a gun battle gloves made of human skin and the first mummy to appear on the London stage Lit by the uncanny glow of a lamp filled with human blood this second edition includes new material on exo cannibalism skull medicine the blood drinking of Scandinavian executions Victorian corpse stroking and the magical powers of candles made from human fat In our quest to understand the strange paradox of routine Christian cannibalism we move from the Catholic vampirism of the Eucharist through the routine filth and discomfort of early modern bodies and in to the potent numinous source of corpse medicine's ultimate power the human soul itself Now accompanied by a companion website with supplementary articles interviews with the author related images summaries of key topics and a glossary the second edition of *Mummies Cannibals and Vampires* is an essential read for anyone interested in the history of medicine early modern history and the darker hidden past of European Christendom

Absolute Monarchs John Julius Norwich, 2012-05-15 NEW YORK TIMES BESTSELLER In a chronicle that captures nearly two thousand years of inspiration and intrigue John Julius Norwich recounts in riveting detail the histories of the most significant popes and what they meant politically culturally and socially to Rome and to the world Norwich presents such popes as Innocent I who in the fifth century successfully negotiated with Alaric the Goth an invader civil authorities could not defeat Leo I who two decades later tamed and perhaps paid off Attila the Hun the infamous

pornocracy the five libertines who were descendants or lovers of Marozia debauched daughter of one of Rome's most powerful families Pope Paul III the greatest pontiff of the sixteenth century who reinterpreted the Church's teaching and discipline John XXIII who in five short years starting in 1958 instituted reforms that led to Vatican II and Benedict XVI who is coping with today's global priest sex scandal Epic and compelling Absolute Monarchs is an enthralling history from an enchanting and satisfying raconteur The Washington Post *Catholicism and Politics in Communist Societies* Sabrina P. Ramet, 1990 This book is volume two of a three volume work Christianity Under Stress which focuses on the experiences of Christian churches in contemporary communist and socialist societies In this volume a distinguished group of experts examines the changing relationship of the Catholic church to contemporary communist and socialist societies in Eastern Europe Latin America and Asia Catholicism has on the one hand traditionally regarded earthly life as of secondary importance as an instrument of spiritual transformation and on the other has ascribed great value to the early institutions of the church taking great interest in temporal matters that affects its institutional concerns Against the backdrop of this duality the church has changed over the centuries adapting to local and national conditions Catholicism and Politics in Communist Societies surveys these local and national adaptations in their historical contexts linking the past experience of the church to its present circumstances Organized around themes of tradition vs modernity hierarchy vs lower clergy and institutional structure vs grass roots organization this comprehensive volume presents a detailed country by country portrait of the political and social status of the church today in communist and socialist settings Contributors Pedro Ramet Arthur F McGovern Roman Solchanyk Ivan Hvat Robert F Goeckel C Chrypinski Milan J Reban Leslie Laszlo Janice Broun Eric O Hanson Stephen Denney Thomas E Quigley Humberto Belli Hansjakob Stehle George H Williams
