The role of Christians who collaborated with the Jewish underground to assure Jews survival begs for greater attention Their informal cooperation emerges as a key element in *Holocaust Survival in Antwerp On Foreign Soil* a memoir of a Jewish Holocaust survivor translated and with an introduction by Jeffrey Kleiman Alter Kleiman fled Polish antisemitism in 1926 and settled in Antwerp By 1942 life under German rule became unsustainable so he fled the city and found refuge in the Belgian region of Wallonia where the industrial city of Charleroi offered protection There he shared the basement apartment in a boarding house In this memoir Kleiman recounts how despite his fears of betrayal Christians not only sheltered him but helped him further by directing members of the Jewish underground to this apartment who were then able to provide cash and food coupons **Adventures in Yiddishland** Jeffrey Shandler, 2006 Shandler takes a wide ranging look at Yiddish culture including language learning literary translation performance and material culture He examines children's books

board games summer camps klezmer music cultural festivals language clubs Web sites cartoons and collectibles all touchstones of the meaning of Yiddish as it enters its second millennium Rather than mourn the language's demise Adventures in Yiddishland calls for taking an expansive approach to the possibilities for the future of Yiddish Shandler's conceptualization of postvernacularity sheds important new light on contemporary Jewish culture generally and offers insights into theorizing the relation between language and culture

BOOK JACKET No Better Home? David Koffman, 2021-01-31 This book begins with an audacious question Has there ever been a better home for Jews than Canada By certain measures Canada might be the most socially welcoming economically secure and religiously tolerant country for Jews in the diaspora past or present No Better Home takes this question seriously while also exploring the many contested meanings of the idea of home Contributors to the volume include leading scholars of Canadian Jewish life as well as eminent Jewish scholars writing about Canada for the first time The essays compare Canadian Jewish life with the quality of life experienced by Jews in other countries examine Jewish and non Jewish interactions in Canada analyse specific historical moments and literary texts reflect deeply personal histories and widen the conversation about the quality and timbre of the Canadian Jewish experience No Better Home foregrounds Canadian Jewish life and ponders all that the Canadian experience has to teach about Jewish modernity
