If the Cross of Christ is anything
to the mind, it is surely everything
– the most profound reality and
the sublimest mystery.

Reality Of The Cross Of Christ

Reality Of The Cross Of Christ:

The Cross of Reality H. Gaylon Barker, 2015-09-01 The Cross of Reality investigates Bonhoeffer's interpretation and use of Luther's theology in shaping his Christology. In this essay H. Gaylon Barker uses the theology of the cross as a key to understanding the characteristic elements that make up Bonhoeffer's theology; he also shows how Bonhoeffer's conversation with his teachers and contemporaries Karl Holl and Karl Barth in particular develops Bonhoeffer's thought. What was indeed radical and revolutionary but it was so precisely because of its adherence to the classical traditions of the church, especially Luther's *theologia crucis*.

The Cross of Christ William H. Wetmore, 2015-06-10 The most momentous time in all of recorded history was when Jesus Christ, the Son of God, came into the world to proclaim the kingdom of God. Because He challenged the Jewish and Roman authorities with the Truth of God, He was arrested, condemned to death, nailed to the cross, died for the sins of the world, and rose from the grave. Therefore, God has highly exalted Him. Christ fulfilled the reason for which the Father had sent Him into the world. On the cross, our sins were exchanged for Christ's righteousness. On the cross was Christ, the Righteousness of God. Standing before the cross were we, sinners in need of redemption. He died as the evidence of the love of God. The result of the cross is that we have been redeemed and reconciled to our Father and Creator. We have peace with God; we have become the children of God. He who knew no sin became sin for us. The Righteous for the unrighteous, the Sinless for the sinner. Therefore, the cross of Christ symbolizes the glory of the Christian gospel. I Cor 1:17 the fact that through this cruel and inhuman death, the debt of sin was nailed to the cross. Col 2:14 and we, having been crucified with Christ. Gal 2:20 have been freed from sin and death and made alive in God. Rom 6:6-11 The cross is the symbol of Christ's love, God's power to save, and our faith in Him who died for us.

God Suffers for Us J.Y. Lee, 2012-12-06 Dietrich Bonhoeffer, writing in his cell in a Nazi prison, expressed a most remarkable idea: Men go to God in His need. This is the insight he observed which distinguishes the Christian faith from all other religions. It is a universal belief that God or the gods should come to help man in his mortal human need. But this is not the God and Father of Jesus Christ. Even as Jesus in Gethsemane chided his disciples for their sloth in not keeping watch with him during his agony, so God the Father must look to His creatures for their faith and sympathy. Therein lies the basis for the Christian answer to mankind's perennial complaint: Why do men suffer? Not all theologians believing Christians or believers in a personal God can share this idea. Traditionally, the Eastern Orthodox thinkers have adhered to the rule of apophatic theology: that is, there are boundaries of knowledge about God which the human mind, even when enlightened by revelation, cannot cross. So who can say that God, the Eternal One, is susceptible to what we call suffering? It is better to hold one's silence on so deep a mystery. Still, others are loathe to acknowledge God's passibility for varying reasons. God is ultimate and perfect; therefore, he cannot know suffering or other emotions. God is impersonal; therefore, it is meaningless to ascribe personal anthropopathic feelings to Him. Many angels may fear to tread on the ground of this most difficult question.

The Cross of Christ Otto Zöckler, 1877 The Truth About Jesus And The

Story Of The Cross ,Cynthia,2019-08-27 This book gives a clear understanding of the cross and all that happened to the Lord Jesus Many misconceptions have risen about the true depth of the sufferings of Christ but the Spirit of God in his clear revelation through the use of the scriptures opened our eyes to the cross revealing all that truly happened to Jesus the Anointed One It was during these different steps of revelations that a clear understanding of the sufferings of Christ began to be revealed to us providing a different understanding about the sacrifice on the cross and the depth of the sufferings of Christ

Treasured Writings H. Th Lilipaly,Andre C. Aki,2010-04-14 For centuries Biblical scholars have attempted to prove statements of the Christian religion yet today there are still no definite answers in Christianity that provide us with confirmation of the true existence of the Trinity *Treasured Writings* shares a unique introduction to God the Father and Jesus Christ who H Th Lilipaly says he received at the foot of the Cross of Golgotha Calvary to confirm the absolute answer to the question Where might we find a degree of certainty and be inspired by the principles of a high standard of Christian thinking As Lilipaly explores questions about Christian Trinity the Father Son and Holy Spirit as well as God s word he also offers insight into how he came to an understanding as to why being a Christian and having Christian consciousness is entirely different than what Christ expects of us Throughout the ages Christian philosophers and theologians have tried to present to us the truth of the Trinity through formulas doctrines research and contemplations of the Bible without ever presenting an intrinsic truth *Treasured Writings* opens the door to the acceptance of principles that focus on the reality of God in the light of the Cross of Christ

The Power of the Cross Ann Marie Alman,2014-11-18 The Power of the Cross reveals in a most simple yet compelling way the plan purpose and potential of Christs life and sacrifice as it relates to all believers Jesus died for much more than your sins Christ died for your physical and spiritual healing deliverance from bondage prosperity and eternal security This book takes you on a journey through the Scriptures to show you all of the blessings and glorious inheritance you have in Christ and how it is all available to you by grace through faith in Jesus Christ

Truth and Reality Douglas Dales,2021-01-01 Truth and Reality The Wisdom of St Bonaventure is a thorough study and exposition of the last work for which St Bonaventure was responsible before his death in 1274 Collations on the Hexameron also called The Illuminations of the Church is comprised of lectures that he gave in Paris in 1273 to Franciscan and other students and masters in the university there They were recorded by two independent witnesses and one version the definitive one was prepared for publication and approved by Bonaventure One of the most interesting original and important texts of medieval theology it has been well translated and edited in a new edition In this study Dales examines the precise context for the approach that Bonaventure took placing this work as the culmination of his spiritual theology and providing the reader with a lucid epitome of the contents of the text while drawing out their significance for theology and prayer in the life of the Church today

The Theology of The Cross Daniel M Deutschlander,2008-01-01 What did Jesus mean when he said Take up your cross and follow me The Bible teaches that Jesus Christ is the true center of our salvation Through a deep and powerfully

written examination of Scripture author Daniel Deutschlander demonstrates that without Jesus sacrifice on the cross we would be lost However because of Jesus death and resurrection we now have the promise of eternal life in heaven with him That changes everything for us The Theology of the Cross will also remind you that since Jesus first loved you it is now your joy to take up your own cross daily and follow him What does that look like for you This book answers that questions and points you to our Savior s cross which empowers you to live each day for him Here s what people are saying about this book The theology of the cross is a matter of urgent practical concern for every Christian Beginning with the words of Jesus commanding us to deny ourselves and take up our cross and follow him Professor Deutschlander shows how the path of self denial repentance difficulty and struggle is the only place where the gospel reveals its true glory and bears its fruit in our lives Professor Joel D Fredrich Martin Luther College New Ulm Minnesota This book warns us of Satan s efforts to turn us from Christ to ourselves It comforts us with the assurance that the cross of Christ leads to heavenly glory Professor James F Korthals Wisconsin Lutheran Seminary Mequon Wisconsin

A Theology of Paul the Apostle, Part Two G. Roger Greene, 2023-07-12 The legacy of Paul looms large in all Christian theology The New Testament and the Christian world itself would be a very different place apart from the impact of the apostle Paul The work Theology of Paul the Apostle is presented in two parts Attention is given in each volume to the foreground matrix of the place of Paul within historical Christian interpretation Part One Paul s Eschatological Gospel addresses matters relevant for Paul s appreciation of the gospel of God in the establishment of the eschatological community in Christ Part Two Cross and Atonement addresses the more specific and particular issues within Paul s gospel that have been a storm center within theological discussion The present writer finds Paul to be one who embraces the gospel of God in Christ the resurrection being the turning point of the ages that calls for a cruciform imperative of Christian identity and living in an eschatological age of fulfillment Paul s theology and cross imperative has continuing relevance within the very different matrix of a postmodern world

Get to the End Michael Hickey, 2016-03-07 Get to the End is written about the end times i e the end of the world and history as we know it But it is written from a Catholic perspective There are many books on the

market that speak to the end times however they are all written from a Protestant perspective and for the most part they are written by Christians from conservative churches who are generally Fundamentalist Christians There are virtually no books written about the end times from a Catholic perspective The few that have been written with a Catholic perspective of the end times have been written for the most part by Catholic priests and they are generally weighed down heavily in doctrine and dogma This will be one of the first on the subject written by a Catholic layman who has a broader perspective than Catholic Doctrine and Dogma and who views himself as uniquely in the world but not of the world **Emmanuel Levinas' Conceptual Affinities with Liberation Theology** Alain Mayama, 2010 Emmanuel Levinas Conceptual Affinities with Liberation Theology analyzes Levinas work in relation to two important liberation theologians Gustavo Guti rrez and Jon Sobrino whose scholarship like his needs to be brought into greater contemporary debate about the subject s encounter with the other More specifically this book argues that for Levinas Guti rrez and Sobrino commitment to the neighbor is the necessary context for understanding God They posit the human other as the possibility of the subject s subjectivity To be human is to act with love toward one s neighbor Thus the author articulates the possibility of reading Levinas philosophy as a revalidation of one of the truths of Christianity the concern for the humanity of every human person as expressed in Christian theology in general and liberation theology in particular In order to show the relevance of Levinas philosophy for Christian theology in general the author discusses three Christian scholars Enrique Dussel Jean Luc Marion and Michael Purcell Although they challenge some aspects of Levinas philosophy they nevertheless see its significance for Christian theological anthropology The discussion concludes by proposing Levinas philosophy and liberation theology s turn to the neighbor as significant for addressing contemporary socio political and ethnic conflicts in sub Saharan Africa **The Collected Works of Witness Lee, 1952, volume 1** Witness Lee, Brother Witness Lee was in Taiwan at the beginning of 1952 In the middle of January he conducted a seven day conference in Taipei Taiwan We do not have a record of the messages given at this conference Beginning on February 3 he conducted a ten day special conference These crucial messages are included in the section entitled Serving according to Revelation in volume 2 of the 1950 1951 set On February 27 Brother Lee went to Manila Philippines and he returned to Taipei on June 17 During his time in Manila he conducted a conference on March 30 through April 4 on the subject of life and service We do not have a record of the messages that he gave during that conference However we have Brother Lee s personal notes on various other meetings during his visit to Manila They are included in the section on Brother Lee s personal notes that he made in 1952 After returning to Taiwan from Manila Brother Lee conducted a two week special conference beginning on July 13 The general messages are included in the section entitled Christ and the Cross in volume 1 of this set There were also special messages for responsible ones on how to work how to administrate the church and how to conduct meetings After the conference beginning on July 28 Brother Lee conducted another two week series of meetings on what the church is the knowledge of the Son of God Christ as the building material

for the church knowing the self and the natural man the character needed for a worker of the Lord the exercise of the spiritual life and how to conduct meetings These messages for the serving ones are included in the sections entitled Guidelines for the Lord s Table Meeting and the Pursuit in Life The Crucified Christ The Vision Ministry and Leading of the Lord s Serving Ones and How to Administrate the Church which are in volumes 1 and 2 of this set Beginning on September 22 and ending on November 7 Brother Lee conducted a study which took place five days a week on the book of Romans This study brought in a consecration of between four hundred and five hundred saints The messages given during the study are included in the section entitled Revelations in Romans Seeing God s Complete Salvation in volume 2 of this set On November 12 at the conclusion of the study on Romans a love feast was held with over two thousand in attendance At the end of the love feast Brother Lee gave the following word A normal Christian must pursue equally in four things life truth the gospel and service Most people pay attention to the first three things but neglect the last This is why we need to make this up We need to realize that all the services and expenses should be borne by all the saints no one is in charge of everything or responsible for everything All those who are called by the Lord to work for Him are in the Lord s work Although they minister and lead in spiritual affairs and help the churches they do not burden the churches materially They look directly to the Lord in faith for all their needs The Lord has cared for them On December 10 Brother Lee left Taipei to visit Manila The Collected Works of Witness Lee 1952 volume 1 contains messages given or published by Brother Witness Lee in 1952 Historical information concerning Brother Lee s travels and the content of his ministry in 1952 can be found in the general preface that appears at the beginning of this volume The contents of this volume are divided into five sections as follows 1 A collection of personal notes and diary entries written in 1952 These are included in this volume under the title Witness Lee s Personal Notes 2 Five miscellaneous articles and reports that were originally published in the periodical The Ministry of the Word in 1952 They are included in this volume under the title The Ministry of the Word Miscellaneous Messages 1952 3 Twenty two messages given in Taipei Taiwan in the summer of 1952 These messages originally appeared in the periodical The Ministry of the Word in 1952 and 1953 They were also previously published in a book entitled Christ and the Cross and are included in this volume under the same title 4 Twelve messages given in a training in Taipei Taiwan in 1952 These messages were previously published in a book entitled Guidelines for the Lord s Table Meeting and the Pursuit in Life and are included in this volume under the same title 5 Fourteen messages given in Taipei Taiwan in the summer of 1952 These messages were previously published in a book entitled The Crucified Christ and are included in this volume under the same title

Bonhoeffer's Theology of the Cross J.I. de Keijzer, 2019-10-14 Back cover Engaging Bonhoeffer s dialogues with Barth and Heidegger in Act and Being J I de Keijzer shows how Bonhoeffer both in his critical assessment of Barth s dialectic and his appropriation of Heidegger s ontology articulates a contemporary theologica crucis that proves to be deeply influenced by Luther The Nonviolent Coming of God James W. Douglass, 2006-04-01 In this his most eloquent and far reaching book

James Douglass explores the haunting parallels between the situation of Jesus and our situation today Jesus who lived in anticipation of the impending destruction of Jerusalem by the Romans and suffered from this vision called urgently for a radical conversion to avert the tragedy The choice then as now was between nonviolence and nonexistence This choice is even more stark in the nuclear age Whether describing the visions of Gandhi Martin Luther King Jr Archbishop Romero or the witness of his own community against the White Train carrying warheads across the country Douglass can discern the sights of a second coming a nonviolent coming of God The possibility for a different future depends on a different kind of humanity renewed and transformed by the nonviolent cross of Christ *The Cross in Corinth* Raymond Pickett,1997-06-01 Pickett explores how Paul appealed to the death of Jesus in the Corinthian correspondence in order to promote a community ethos and ethic consistent with the ideals and values it symbolized In so doing Paul was responding to interpersonal conflicts within the community and criticisms of his ministry criticisms he saw as founded on Graeco Roman cultural values of the cultivated elite His consistent emphasis on the weakness of the cross served to critique social expressions of power in Corinth More constructively Paul attempted to secure conduct befitting the gospel by invoking the death of Jesus as a symbol of other regarding behaviour **The Cross of Christ** Andrew Murray,2017-03-03 These powerful words pierce straight to the heart of our deepest spiritual need What does it mean to embrace to live by and to daily bear the cross of Jesus Christ Why does God ask His children to bear this cross As our modern world shifts and shakes a generation of earnest believers is coming face to face with a deeper reality of our call to bear the cross of Jesus Christ Murray meets us where we are with gentleness and passion calming our quaking fears and guiding us into the mystery of the shadow of the cross *A Walk with Christ to the Cross* Dawson McAllister,2009-02-26 In Jesus walk to the cross and His subsequent resurrection Dawson McAllister says Jesus paid for our sins and gave hope and meaning to our lives but in order to fully appreciate and apply these exciting truths Christians must grasp the full significance of Christ s life and ministry In looking more closely at the walk Christ took to the cross both literally and figuratively readers will come to a dramatic and life changing understanding of the great sacrifice Jesus made Offering readers a startling and powerful look at the Passion *A Walk with Christ to the Cross* is a pivotal read those who take it to heart will never be the same *Ministry Digest, Vol. 02, No. 08* Witness Lee, In this issue we will continue the four lines of ministry that began in the first issue of *Ministry Digest* vol 1 no 1 The first line The History of the Lord s Recovery continues with chapters 4 through 7 of The Vital Groups which covers an important development in the history of the practices in the Lord s recovery the practice of meeting according to vital groups These chapters are in volume 5 of The Collected Works of Witness Lee 1994 1997 and they speak of being the new creation to become God s oracle for His dispensing and spreading the great commission of Christ in resurrection and shepherding and teaching in the vital groups The second line Words for New Believers continues with chapters 15 through 18 of Basic Lessons on Life which are in volume 1 of The Collected Works of Witness Lee 1979 These chapters speak of the sense of the spirit and

knowing the spirit the human spirit the exercise of the spirit generally and the exercise of the spirit unto godliness specifically The third line Maturing in Life continues with chapters 13 through 16 of Knowing Life and the Church which are in volume 1 of The Collected Works of Witness Lee 1953 These chapters speak of the spiritual requirements of a Christian and the standard for testing these requirements the reality of the church and the experience of the cross God s work of redemption being the mingling of God and man and the matter of all service being initiated by God The fourth line The High Peak of the Divine Revelation continues with the final chapter of The God man Living which is in volume 3 of The Collected Works of Witness Lee 1994 1997 This chapter speaks of the living of Christ the first God man as a man of prayer The line then continues with chapters 1 through 3 of a new book The Application of the Interpretation of the New Jerusalem to the Seeking Believers which are in volume 3 of The Collected Works of Witness Lee 1994 1997 These chapters focus on the spiritual significance and base of the New Jerusalem and the spiritual application of its gates wall and foundations
