Reaper The Story Of A Gang Leader:

Reaper Gary Hoenig,1975 An account of a New York City gang the Reapers and of the life of one of the gang leaders

Street Stories Robert Jackall,2005-04-30 Based on years of fieldwork with the New York City Police Department and the District Attorney of New York this book examines the moral ambiguities of the detectives world as they shuttle between the streets and a bureaucratic behemoth Library Book Catalog United States. Rising Jill Jonnes,2022-10-04 Thirty five years after this landmark of urban history first captured the rise fall and rebirth of a once thriving New York City borough ravaged in the 1970s and 80s by disinvestment and fires then heroically revived and rebuilt in the 1990s by community activists Jill Jonnes returns to chronicle the ongoing revival of the South Bronx Though now globally renowned as the birthplace of hip hop the South Bronx remains America s poorest urban congressional district In this new edition we meet the present generation of activists who are transforming their communities with the arts and greening notably the restoration of the Bronx River For better or worse real estate investors have noticed setting off new gentrification struggles Library Book Catalog United States. Law Enforcement Assistance Administration. Library,

Library Book Catalog United States. Law Enforcement Assistance Administration,1976 *The Bronx* Evelyn

Gonzalez,2007-01-05 The Bronx is a fascinating history of a singular borough mapping its evolution from a loose cluster of commuter villages to a densely populated home for New York s African American and Hispanic populations In recounting the varied and extreme transformations this community has undergone Evelyn Gonzalez argues that racial discrimination rampant crime postwar liberalism and big government were not the only reasons for the urban crisis that assailed the Bronx during the late 1960s Rather a combination of population shifts public housing initiatives economic recession and urban overdevelopment caused its decline Yet she also proves that ongoing urbanization and neighborhood fluctuations are the very factors that have allowed the Bronx to undergo one of the most successful and inspiring community revivals in American history The process of building and rebuilding carries on and the revitalization of neighborhoods and a resurgence of economic growth continue to offer hope for the future Vampires, Dragons, and Egyptian Kings Eric C.

Schneider,2021-01-12 They called themselves Vampires Dragons and Egyptian Kings They were divided by race ethnicity and neighborhood boundaries but united by common styles slang and codes of honor They fought and sometimes killed to protect and expand their territories In postwar New York youth gangs were a colorful and controversial part of the urban landscape made famous by West Side Story and infamous by the media This is the first historical study to explore fully the culture of these gangs Eric Schneider takes us into a world of switchblades and slums zoot suits and bebop music to explain why youth gangs emerged how they evolved and why young men found membership and the violence it involved so attractive Schneider begins by describing how postwar urban renewal slum clearances and ethnic migration pitted African American Puerto Rican and Euro American youths against each other in battles to dominate changing neighborhoods But he argues that young men

ultimately joined gangs less because of ethnicity than because membership and gang violence offered rare opportunities for adolescents alienated from school work or the family to win prestige power adulation from girls and a masculine identity In the course of the book Schneider paints a rich and detailed portrait of everyday life in gangs drawing on personal interviews with former members to re create for us their language music clothing and social mores We learn what it meant to be a down bopper or a jive stud to fish with a beautiful deb to the sounds of the Jesters and to wear gang sweaters wildly colored zoot suits or the Ivy League look He outlines the unwritten rules of gang behavior the paths members followed to adulthood and the effects of gang intervention programs while also providing detailed analyses of such notorious gang related crimes as the murders committed by the Capeman Salvador Agron Schneider focuses on the years from 1940 to 1975 but takes us up to the present in his conclusion showing how youth gangs are no longer social organizations but economic units tied to the underground economy Written with a profound understanding of adolescent culture and the street life of New York this is a powerful work of history and a compelling story for a general audience *Library Book Catalog* National Institute of Law Enforcement and Criminal Justice. The Reaper Sheds A Tear Phaleg,2024-09-25 Some may consider this book a story about life and death God and angels if we have a soul or what happens after we die and maybe even what a human body can endure in terms of suffering but it is not To me it is a love story Without the love of my wife Goobs none of this would have been possible There are many love stories in our history full of tales of how one is willing to die for their love but mine is different I would have been more than willing to die for my love but it wasn t going to be this easy for me I had to come back from the dead for my love I realize now that life is so short You can just sit down and wait for it to end it won t be long It never is no matter how long you live If you are lucky enough to find true love that one person who isn t just your soulmate but your very soul itself then God has truly blessed you That is my Goobs I find that it doesn t seem to matter what you believe in or why you believe so or choose not to believe but that doesn t change the facts I am not a religious person per se but when one finds oneself dead standing in the kingdom of heaven it s pretty hard to say you don t believe in any of this I found my soul standing in that very position facing a decision I couldn t bear to make and this is my story *National Union Catalog* ,1978 Includes entries for maps and atlases **Reaper: Threat Zero** Nicholas Irving,A.
